## THIRD AND FINAL APPLICATION FOR COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR SOLIC AS FINANCIAL ADVISOR FOR DEBTORS

Gregory Hagood and the firm of SOLIC Capital Advisors, LLC ("SCA"), and its affiliate, SOLIC Capital, LLC ("SC", and together with SCA, "SOLIC"), as financial advisors (collectively, the "Applicants") for Progressive Acute Care, LLC, Progressive Acute Care Avoyelles, LLC, Progressive Acute Care Oakdale, LLC and Progressive Acute Care Winn, LLC (collectively, the "Debtors"), debtors-in-possession herein, file this *Third and Final Application for Compensation and Reimbursement of Expenses* (the "Application") and respectfully represent as follows:

1.

On May 31, 2016, each of the Debtors filed a voluntary petition for relief under chapter 11 of title 11 of the U.S. Code ("Bankruptcy Code"). A creditors' committee has been appointed in the cases; and, a plan of liquidation for the Debtors was confirmed on July 12, 2017.

2.

This Court preliminarily approved Debtors' retention of Applicants by interim *Order* [P-44] entered on June 3, 2016 and approved their retention on a final basis through *Order* [P-274] entered on August 22, 2016. Applicants were employed to serve as financial advisor to the Debtors during the pendency of these chapter 11 proceedings.

This Application represents Applicants' third and final application for compensation and reimbursement of expenses, as the Debtors' financial advisors. Applicants' first application for interim compensation was granted by order [P-386] entered on November 4, 2016, allowing professional fees in the amount of \$150,137.00 and reimbursement of expenses in the amount of \$8,079.08, for a total of \$158,216.08. Applicants' second application for interim compensation was granted by order [P-481] entered on March 17, 2017, allowing professional fees in the amount of \$56,735.00 and reimbursement of expenses in the amount of \$59,465.94. These amounts have been paid to SOLIC in full by the Debtors.

3.

4.

Through this Application, SOLIC seeks allowance of \$44,717.00 in fees for services rendered during the period of February 1, 2017 through July 31, 2017.

Pursuant to the *Motion for Administrative Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [P-97], professionals were authorized by order [P-147] ("Interim Compensation Order"), dated July 5, 2016, to file applications for fees and expenses every one-hundred twenty (120) days, and to submit monthly billing statements ("Monthly Statements") for review by the Debtors, Office of the US Trustee and certain other parties authorized to review the Monthly Statements. The Debtors were ordered to pay monthly interim payments ("Interim Payments") in the amount of eighty percent (80%) of the fees and one hundred percent (100%) of the expense disbursements requested in the Monthly Statements.

Applicants have received the following Interim Payments pursuant to the Monthly Statements submitted to the Debtors for the period of February 1, 2017 – July 31, 2017:

Monthly Statement:	80% of Fees	<b>Expenses</b>	<u>Total</u>
February 1 – April 30, 2017	\$ 7,812.40	\$0.00	\$ 7,812.40
May 1 – July 31, 2017	\$27,961.20	\$0.00	<u>\$27,961.20</u>
Total			\$35,773.60

As of the filing of this Application, the Debtors have made Interim Payments to Applicants in the total amount of \$35,773.60<sup>1</sup> for services rendered and expenses incurred during the Application period.

5.

Georgia Highway Express, Inc., 488 F.2d 714 (5th Cir. 1974); and, the *United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C.* §330 are to be considered in awarding fees in this case:

> Development of financial forecasts, including 13-week cash flow and cash collateral and DIP budgets;

<sup>&</sup>lt;sup>1</sup> In May 2017, Applicants applied \$7,812.40 of the Debtors' retainer to the interim payment amount for the period of February 1 – April 30, 2017; and, in August 2017, Applicants applied \$27,961.20 of the Debtors' retainer to the interim payment amount for the period of May 1 – July 31, 2017.

c) <u>The Skill Requisite to Perform Legal Services Properly</u>: Services rendered by Applicants were performed primarily by Gregory Hagood and Matthew Rubin, financial advisors with extensive experience in these matters.

d) <u>The Preclusion of Other Employment Due to Acceptance of the Case</u>: Applicants' representation of the debtors-in-possession has not precluded their acceptance of new clients; but, this representation has required a substantial devotion of time and resources which have detracted from other matters.

e) <u>The Customary Fee</u>: The fees charged by Applicants are customary in this area and consistent with fees used by other professionals of equal education and experience, and in matters of similar complexity, scope and significance.

f) <u>Whether the Fee is Fixed or Contingent</u>: The fees charged are not contingent in nature.

g) <u>**Time Limitations**</u>: The time limitations imposed by the Debtors, creditors, or other circumstances are addressed in (d) above.

h) <u>Amount Involved and Results Obtained</u>: All services for which Applicants request payment, and all expenses for which reimbursement is requested have been rendered and spent on behalf of the Debtors and no other persons, creditors, or parties, and the compensation

The services provided by Applicants have been rendered as requested and as necessary and appropriate in furtherance of the interests of the Debtors herein. The services provided have been an attempt to directly benefit the Debtors and their estates and contribute to the effective administration of these jointly administered cases.

i) <u>The Experience, Reputations and Ability of Applicants</u>: This engagement has required investment bankers and financial advisors with specialized knowledge and experience in distressed healthcare matters. SOLIC professionals have represented stakeholders in such healthcare matters over the last fifteen (15) years; and, have likewise been involved in numerous bankruptcies on behalf of debtors and creditors involving physician practice management companies and ancillary service providers.

j) <u>The Undesirability of the Case</u>: This is not an undesirable case.

k) <u>The Nature and Length of Professional Relationship</u>: The professional relationship with the client began in April 2015, and has continued until the date of this Application.

6.

Applicants also request an Order that the compensation and reimbursement of costs and expenses requested herein, to the extent not already paid, be paid forthwith by the Debtors, and/or any disbursing agent(s) out of funds held by them and out of the Debtors' estates as a priority claim pursuant to 11 U.S.C. §507(a)(2).

7.

All services by Applicants were rendered to and on behalf of the Debtors and their estates and no other person.

WHEREFORE, your Applicants pray that this Application be granted and that:

(1) there be an Order made by this Court approving reasonable compensation for professional fees to Applicants in the sum of \$44,717.00 for services rendered for the period of February 1, 2017 through July 31, 2017;

(2) the Order direct the Debtors and/or disbursing agent(s) to pay any balance of said fees and expenses forthwith out of the Debtors' funds held by them and out of the Debtors' estates as a priority administrative claim pursuant to 11 U.S.C. §507;

(3) the Order make this award and all prior awards final; and,

(4) Applicants be granted any and all other relief to which they may be entitled.
