AND CLAIMS ON EXHIBIT 1 TO EXHIBIT A ATTACHED TO THIS OBJECTION.**

The above captioned reorganized debtors (collectively, the “Reorganized Debtors”) file this seventh omnibus objection to claims (this “Objection”), pursuant to which the Reorganized Debtors request entry of an order, substantially in the form attached hereto as Exhibit A (the “Order”), (a) disallowing the claims² identified on Exhibit 1 to Exhibit A, each attached hereto and as discussed in further detail below and (b) authorizing Garden City Group, LLC (“GCG” or the “Claims Agent”) to expunge each of the claims described herein from the official register

¹ The Reorganized Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Geodyne Resources, Inc. (2703); Samson Contour Energy Co. (7267); Samson Contour Energy E&P, LLC (2502); Samson Holdings, Inc. (8587); Samson-International, Ltd. (4039); Samson Investment Company (1091); Samson Lone Star, LLC (9455); Samson Resources Company (8007); and Samson Resources Corporation (1227). The location of parent Reorganized Debtor Samson Resources Corporation’s corporate headquarters and the Reorganized Debtors’ service address is: 15 East 5th Street, Suite 1000, Tulsa, Oklahoma 74103.

² To the extent the Court allows a claim, the Reorganized Debtors, the Settlement Trust, and the holder of such claim reserves their rights regarding proper classification of such claim.

maintained by the Claims Agent (the “Claims Register”). In support of this Objection, the Reorganized Debtors submit the *Declaration of Matthew Brown, in Support of the Reorganized Debtors’ Seventh Omnibus (Substantive) Objection to Certain No Liability Claims Based on Royalty Interests Pursuant to Section 502(b) of the Bankruptcy Code, Bankruptcy Rules 3001, 3003, and 3007, and Local Bankruptcy Rule 3007-1* (the “Brown Declaration”), attached hereto as **Exhibit B**. This Objection complies in all respects with Rule 3007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), as modified by this Court.³ In further support of this Objection, the Reorganized Debtors respectfully state as follows.

Jurisdiction and Venue

1. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012*. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Reorganized Debtors consent, pursuant to Local Bankruptcy Rule 9013-1(f), to the entry of a final order by the Court in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.
2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

³ On February 28, 2017, the Reorganized Debtors filed a motion seeking a waiver of Local Rule 3007-1 allowing the Debtors to (i) base substantive omnibus claim objections on no more than 500 claims per each such omnibus claim objection and (ii) file more than two substantive omnibus claim objections each calendar month [Docket No. 2056]. On March 24, 2017, the Court entered an order granting the waiver [Docket No. 2168].

3. The statutory bases for the relief requested in this Objection are section 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), Rules 3001, 3003, and 3007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rule 3007-1.

Relief Requested

4. By this Objection, the Reorganized Debtors seek entry of the Order disallowing in full and expunging from the Claims Register each of the claims identified on **Exhibit 1** to **Exhibit A** (the “No Liability Royalty Claims”). The No Liability Royalty Claims relate to royalty interest(s) that the Debtors treated appropriately in the normal course of business. Based on the review of the Debtors’ books and records and the documentation provided with each proof of claim, the Reorganized Debtors believe no amounts are due and owing with respect to such proof of claim.

Background

5. On September 16, 2015 (the “Petition Date”), each of the debtors and debtors in possession (the “Debtors”) filed a voluntary petition with the Court under the Bankruptcy Code. The Debtors operated their businesses and managed their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”) formed an official committee of unsecured creditors of Samson Resources Corporation on September 30, 2015 [Docket No. 129]. Further information regarding the Debtors’ business operations and capital structure is set forth in the declaration of Philip Cook in support of the Debtors’ first day motions [Docket No. 2].

6. On October 15, 2015, the Debtors filed their schedules of assets and liabilities (the “Schedules”) and statements of financial affairs (“Statements” and together, with the

Schedules, the “Schedules and Statements”) [Docket Nos. 201–218]. On June 29, 2016, the Debtors filed certain amended Schedules and Statements [Docket Nos. 1108–1118].

7. On October 16, 2015, the Court entered an order (the “Bar Date Order”) establishing November 20, 2015, at 5:00 p.m. (the “Bar Date”) as the final date and time for non-government claimants holding or asserting a claim against the Debtors arising on or before the Petition Date to file proofs of claim in these chapter 11 cases and approving the form and manner of notice of the Claims Bar Date [Docket No. 224].⁴

8. Written notice of the Bar Date was mailed to, among others, all known creditors and other known holders of claims against the Debtors as of the date of entry of the Bar Date Order, including all entities listed in the Schedules as holding claims against the Debtors, and to all parties who had filed requests for notices under Bankruptcy Rule 2002 as of the date of the Bar Date Order. In addition to mailing such actual notice, the Debtors also published notice of the Bar Date in the national edition of *The New York Times* [Docket No. 467].

9. On February 13, 2017, the Court entered an order confirming the Debtors’ plan of reorganization (the “Plan”) [Docket No. 2019]. Thereafter, on March 1, 2017, the Plan became effective [Docket No. 2020]. On this date, the Debtors became the Reorganized Debtors.

10. To date, approximately 3,249 proofs of claim have been filed in these chapter 11 cases, as recorded on the Claims Register. The Reorganized Debtors, together with their advisors, have begun the process of conducting a comprehensive review and reconciliation of these claims. This process includes identifying particular categories of proofs of claim that may

⁴ The Bar Date Order also established March 14, 2016 at 5:00 p.m. as the final date and time for all governmental units (as defined in section 101(27) of the Bankruptcy Code) holding or asserting a claim against the Debtors, including claims for unpaid taxes, arising on or before the Petition Date to file proofs of claim in these chapter 11 cases (the “Governmental Bar Date”), which deadline was subsequently extended as to certain governmental units by agreement of the Debtors to April 14, 2016, at 5:00 p.m. [Docket No. 771].

be targeted for disallowance, reduction and allowance, or reclassification and allowance. The Reorganized Debtors intend to file a series of omnibus objections to various categories of claims.

Royalty Claim Background and Review Process

11. As set forth in more detail in the Brown Declaration, the Debtors maintained a detailed billing and payment system to track the royalty payments due monthly to their thousands of royalty holders. Information pertaining to the royalties was entered into an electronic database that calculated and tracked, among other things, the ownership interests, production information, sales and revenue data and costs associated with production. Every time a check was issued to a party entitled to payment, the Debtors included payment detail showing the amount of hydrocarbons extracted, the gross royalty interest payments, and the net royalty payment. The Reorganized Debtors reviewed these records of the Debtor against each of the No Liability Royalty Claims.

Basis for Objection

12. Section 502(a) of the Bankruptcy Code provides that “[a] claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). The burden of proof for determining the validity of claims rests on different parties at different stages of the objection process. As explained by the United States Court of Appeals for the Third Circuit:

The burden of proof for claims brought in the bankruptcy court under 11 U.S.C.A. § 502(a) rests on different parties at different times. Initially, the claimant must allege facts sufficient to support the claim. If the averments in his filed claim meet this standard of sufficiency, it is ‘*prima facie*’ valid [citations omitted]. In other words, a claim that alleges facts sufficient to support legal liability to the claimant satisfies the claimants’ initial obligation to go forward. The burden of going forward then shifts to the objector to produce evidence sufficient to negate the *prima facie* validity of the filed claim. . . . In practice, the objector must produce evidence which, if believed, would refute at least one of the allegations that

is essential to the claim's legal sufficiency. If the objector produces sufficient evidence to negate one or more of the sworn facts in the proof of claim, the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence.

In re Allegheny Int'l Inc., 954 F.2d 167, 173-74 (3d. Cir. 1992) (citation omitted). Once the *prima facie* validity of a Claim is rebutted, "it is for the claimant to prove his claim, not for the objector to disprove it." *In re Kahn*, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

13. A chapter 11 debtor "has the duty to object to the allowance of any claim that is improper." *Int'l Yacht & Tennis, Inc. v. Wasserman Tennis, Inc. (In re Int'l Yacht & Tennis, Inc.)*, 922 F.2d 659, 661-62 (11th Cir. 1991); *see also* 11 U.S.C. §§ 704(a)(5), 1106(a)(1), and 1107(a).

14. Upon review of the proofs of claim filed against the Debtors in these chapter 11 cases, the Reorganized Debtors have identified 178 No Liability Royalty Claims listed on Exhibit 1 to Exhibit A, in the aggregate claimed amount of \$40,210,700.02.

15. The No Liability Royalty Claims listed on Exhibit A to Exhibit 1 are claims in which claimants have asserted various amounts they allege to be due in accordance with their current or former ownership of certain oil and gas wells. As a result of a review of the Claims Register and the Debtors' books and records (*see* Brown Declaration), the Reorganized Debtors have identified numerous No Liability Royalty Claims for which the Debtors' books and records reflect no liability. Indeed, the claimants listed in Exhibit A received appropriate payments in the normal course of business with respect to their royalty interests. *See* Brown Declaration. In addition, as reflected on Exhibit 1 to the Order, a number of the No Liability Royalty Claims contain insufficient documentation to support the claims asserted therein.

16. If these No Liability Royalty Claims are not disallowed and expunged, claimants will receive a windfall because they would receive payments they are not entitled to and for

which they have already received proper payment. As a result, the Reorganized Debtors object to the No Liability Royalty Claims listed on **Exhibit A** and respectfully request entry of the Order disallowing in full and expunging the claims listed on **Exhibit A** from the Claims Register.

Responses to the Objection

17. To contest the Reorganized Debtors' objection to any claim listed on **Exhibit A**, a claimant must file and serve a written response to this objection (a "**Response**") so that it is **actually received by no later than June 30, 2017 at 4:00 p.m. (prevailing Eastern Time)** (the "**Response Deadline**"). Every Response must be filed with the Office of the Clerk of the United States Bankruptcy Court for the District of Delaware (the "**Clerk**"), 824 North Market Street, Wilmington, Delaware 19801, and served upon the following entities, so that the Response is **actually received** no later than the Response Deadline, at the following address:

18. Every Response to this objection must contain at a minimum the following information:

- (a) a caption setting forth the name of this Court, the name of the Debtors, the case number, and the title of this objection;
- (b) the claimant's name, the claim number, and a description of the basis for the amount of the claim;

- (c) the specific factual basis and supporting legal argument upon which the claimant will rely in opposing this objection;
- (d) any supporting documentation, to the extent it was not included with the claim previously filed with the Clerk or GCG, upon which the claimant will rely to support the basis for and amounts asserted in the claim; and
- (e) the name, address, telephone number, and fax number of the person(s) (which may be the claimant or the claimant's legal representative) with whom counsel for the Reorganized Debtors should communicate with respect to the claim or the objection and who possesses authority to reconcile, settle, or otherwise resolve the objection to the disputed claim on behalf of the claimant.

19. If a claimant fails to file and serve a timely Response by the Response Deadline, the Reorganized Debtors may present to the Court an appropriate order granting the requested relief, without further notice to the claimant or a hearing.

Separate Contested Matter

20. To the extent that a claimant files a response to any objection set forth herein and the Reorganized Debtors are unable to resolve the response, each such No Liability Royalty Claim and the objection by the Reorganized Debtors to each such No Liability Royalty Claim asserted herein, will constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Any order the Court enters that addresses any individual objection asserted in the Objection will be deemed a separate order with respect to each affected No Liability Royalty Claim.

Reservation of Rights

21. Nothing contained in this Objection or any actions taken by the Reorganized Debtors pursuant to relief granted in the Order is intended or should be construed as: (a) an admission as to the validity of any particular claim (including the No Liability Royalty Claims) against a Debtor or Reorganized Debtor entity; (b) a waiver of the Reorganized Debtors' rights

to dispute any particular claim (including the No Liability Royalty Claims) on any grounds; (c) a promise or requirement to pay any particular claim (including the No Liability Royalty Claims); (d) an implication or admission that any particular claim (including the No Liability Royalty Claims) is of a type specified or defined in this Objection; (e) an admission by the Reorganized Debtors that any contract or lease is executory or unexpired, as applicable; (f) a waiver or limitation of the Reorganized Debtors' rights under the Bankruptcy Code or any other applicable law; (g) a request or authorization to assume or reject any agreements under section 365 of the Bankruptcy Code; (h) a waiver of any party's rights to assert that any other party is in breach or default of any agreement; or (i) an admission that any contract or lease is integrated with any other contract or lease.

22. For the avoidance of doubt, to the extent the Court does not disallow the No Liability Royalty Claims in full, the Reorganized Debtors, Settlement Trust, and claimants reserve all rights regarding the classification of the No Liability Royalty Claims.

23. The Reorganized Debtors hereby reserve their right to amend, modify, and/or supplement this Objection, including to object to any of the claims listed on Exhibit 1 to Exhibit A on any additional grounds, prior to the hearing before the Court on this Objection, if any; provided, however, that nothing in this Objection shall affect the Reorganized Debtors' right to object to any proofs of claim at a future date on a basis other than as set forth in this Objection as permitted by bankruptcy or nonbankruptcy law, subject to any limitations set forth in the Local Bankruptcy Rules or in the Order.

Notice

24. The Reorganized Debtors shall provide notice of this Objection on the date hereof via first class mail to: (a) the Office of the U.S. Trustee for the District of Delaware; (b) the

Settlement Trust; (c) those parties requesting notice pursuant to Bankruptcy Rule 2002; and (d) the claimants that filed the No Liability Royalty Claims. The Reorganized Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

25. No prior request for the relief sought in this Objection has been made to this or any other court.

WHEREFORE, the Reorganized Debtors respectfully request that the Court enter the Order granting the relief requested herein and granting such other and further relief as is appropriate under the circumstances.

**DECLARATION OF MATTHEW BROWN IN SUPPORT OF THE
REORGANIZED DEBTORS’ SEVENTH OMNIBUS (SUBSTANTIVE) OBJECTION
TO CERTAIN NO LIABILITY CLAIMS BASED ON ROYALTY INTERESTS
PURSUANT TO SECTION 502(b) OF THE BANKRUPTCY CODE, BANKRUPTCY
RULES 3001, 3003, AND 3007, AND LOCAL BANKRUPTCY RULE 3007-1**

I, Matthew Brown, declare as follows:

1. I make this declaration (the “Declaration”) in support of the *Reorganized Debtors’ Seventh Omnibus (Substantive) Objection to Certain No Liability Claims Based on Royalty Interests Pursuant to Section 502(b) of the Bankruptcy Code, Bankruptcy Rules 3001, 3003, and 3007, and Local Bankruptcy Rule 3007-1* (the “Objection”).²

2. I began working for the Debtors in 2007 and am currently serving as a Supervisor in the Revenue Accounting department for the Reorganized Debtors.

3. I make this Declaration upon the basis of personal knowledge or knowledge of persons under my supervision and a review, by me and others working with me and under my

¹ The Reorganized Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Geodyne Resources, Inc. (2703); Samson Contour Energy Co. (7267); Samson Contour Energy E&P, LLC (2502); Samson Holdings, Inc. (8587); Samson-International, Ltd. (4039); Samson Investment Company (1091); Samson Lone Star, LLC (9455); Samson Resources Company (8007); and Samson Resources Corporation (1227). The location of parent Reorganized Debtor Samson Resources Corporation’s corporate headquarters and the Reorganized Debtors’ service address is: 15 East 5th Street, Suite 1000, Tulsa, Oklahoma 74103.

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Objection.

supervision, of (i) the claims identified on **Exhibit A** (the “No Liability Royalty Claims”) to the Order attached as **Exhibit 1** to the Objection (the “Order”), (ii) the Claims Register, and (iii) the Debtors’ applicable books and records.

4. The information contained in the Objection is true and correct to the best of my knowledge, information, and belief. I directly or by and through my personnel or agents have knowledge of the matters set forth herein. If called to testify, I would testify competently to the facts set forth herein.

5. Upon review of the proofs of claim filed against the Debtors in these chapter 11 cases, the Debtors have identified 178 No Liability Royalty Claims listed on **Exhibit 1** to **Exhibit A**, in the aggregate claimed amount of \$40,210,700.02.

6. In conducting their oil and gas exploration and production operations, the Debtors calculated and remitted royalty payments to their thousands of royalty holders every month. The Debtors utilized leases, division orders, affidavits of heirship, court orders, title opinions, and other authentic documents maintained within their files and submitted by owners, as well as production data and proceeds from the sale of natural gas, oil, and other hydrocarbons, to calculate and make royalty payments.

7. The Debtors kept very detailed billing and payment records for all royalty and other interests impacting the business in an electronic database management system licensed from SAP. This system helped us to accurately calculate and track, among many other metrics, ownership interests, production information, sales and revenue data, and costs associated with production. Every time the Debtors issued a check to a party entitled to payment, we included payment detail showing the amount of hydrocarbons extracted, the gross royalty interest payment, the deductions from the gross royalty interest payments, and the net royalty interest

payment. A review of the Debtors' records has not demonstrated any abnormalities or missed payments concerning any of the disputed No Liability Royalty Claims listed on Exhibit A or the interests associated with those claims.

8. The Reorganized Debtors have reviewed each of the No Liability Royalty Claims subject to the Objection. The objections set forth in Exhibit A to the Order are based upon their review of the No Liability Royalty Claims and a comparison of them against the Debtors' liabilities as set forth in the Debtors' records. In addition, with respect to each of the No Liability Royalty Claims listed on Exhibit A to the Order, the Reorganized Debtors have reviewed the Debtors' books and records to determine whether the amount asserted in the claim was correct.

9. Based on the Reorganized Debtors' review of the Debtors' books and records, the amounts asserted in each claim listed on Exhibit A cannot be substantiated. Further, upon the Reorganized Debtors review of the Objection and the Debtors' books and records, the Reorganized Debtors believe that the Debtors have properly paid all amounts due to the claimants subject to the Objection.

10. In addition, a number of the No Liability Royalty Claims contain insufficient documentation to substantiate such claims.

11. As a result, the Reorganized Debtors have determined it is appropriate to object to each of the No Liability Royalty Claims listed on Exhibit A to the Order. After reviewing the No Liability Royalty Claims and the documentation supporting the No Liability Royalty Claims, the Reorganized Debtors have concluded that there is no basis in the Debtors' books and records for the No Liability Royalty Claims as asserted. As such, the No Liability Royalty Claims identified on Exhibit A to the Order should be disallowed.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
