TABULATION PROCEDURES

19. Pursuant to the Solicitation Procedures Order, members of the Voting Classes were directed to return the applicable ballots either (a) if by first class mail, to: Arcapita Bank B.S.C.(c) – Ballot Processing, c/o GCG, P.O. Box 9881, Dublin, OH 43017-5781, Attention: Arcapita Bank B.S.C.(c) Ballot Processing; (b) if by personal delivery or overnight courier, to: Arcapita Bank B.S.C.(c) – Ballot Processing, c/o GCG, 5151 Blazer Parkway, Suite A, Dublin, OH 43017, Attention: Arcapita Bank B.S.C.(c) Ballot Processing; or (c) if by electronic mail, to: ArcapitaBallotProcessing@gcginc.com, so as to be received by GCG no later than 12:00 p.m. (prevailing Eastern Time) on May 30, 2013 (the “**Voting Deadline**”)⁴.

20. Upon GCG’s receipt of a Class 2(a)-(f) Ballot; Class 4(a) and 4(b) Ballot; Class 5(a) Ballot; Class 5(b) Ballot; Class 5(g) Ballot; Class 7(a), 7(b), and 7(g) Ballot; Class 8(a) Ballot; and Class 9(g) Ballot (each, a “**Ballot**” and together, the “**Ballots**”); or an SAA, GCG personnel opened the envelope containing the Ballot or SAA, stamped it with the date and time received, scanned the Ballot or SAA into GCG’s system, and assigned it a sequential number (the “**Sequence Number**”). If GCG received a Ballot or SAA by e-mail, GCG personnel printed out the Ballot or SAA, stamped it with the date and time received, and scanned the Ballot or SAA into GCG’s system and assigned it a Sequence Number.

⁴ With respect to Ballots that were submitted to GCG after the Voting Deadline, in accordance with instructions from Gibson Dunn and paragraphs 25 and 26(l) of the Solicitation Procedures Order, the Voting Deadline as to such Ballots was extended or the Debtors agreed to accept them as valid.

21. GCG personnel then entered into a computer database, reserved exclusively for recording Ballot votes and SAA submissions in these cases, all pertinent information from the Ballot or SAA, including, for Ballots, the date of receipt, Sequence Number, voting dollar or share amount, and acceptance or rejection of the Plan and, in the case of an SAA, the date of receipt, Sequence Number, and the number of shares held.

22. Except as set forth in paragraphs 23 and 24 below, each Claim in Classes 2(a)-2(f); Classes 4(a) - (b); Class 5(a); Class 5(b); Class 5(g); Classes 7(a), (b), and (g); and Class 8(a) was temporarily allowed for voting purposes in a dollar or share amount equal to the face amount of the Claim as set forth in (a) the Debtors' filed Schedules of Assets and Liabilities (the "Schedules"), (b) a timely filed Proof of Claim submitted by the voting party, or (c) as stipulated in an agreement between the Debtors and the voting party (with the stipulated amount taking precedence over the timely filed Proof of Claim, and the timely filed Proof of Claim taking precedence over the Scheduled amount). Each Claim in Class 9(g) was temporarily allowed for voting purposes in a share amount listed in Falcon's stock transfer ledger or similar register as of the Record Date.

23. If a timely filed Proof of Claim identified the Claim as contingent or unliquidated and did not specify the amount claimed or did not specify an amount claimed greater than \$0, then for voting purposes the Claim was temporarily allowed in the amount of one dollar (\$1.00).

24. If (a) a Claim or Interest is listed in the Schedules as contingent, unliquidated, or disputed only in part, or (b) the Debtors filed a Claim Objection to all or any portion of Claim or Interest asserted in a filed Proof of Claim or Proof of Interest on any basis, the Claim or Interest was temporarily allowed in the amount that was liquidated, non-contingent, and undisputed and not subject to the Claim Objection.

25. In accordance with the Solicitation Procedures Order, GCG solicited and tabulated the Ballots in accordance with the following procedures and assumptions:

a. a transfer of a Claim pursuant to Bankruptcy Rule 3001 was recognized for voting purposes only if (i) documentation evidencing the transfer was filed with the Bankruptcy Court and served on or before 21 days prior to the Record Date; and (ii) the transferor did not file a timely objection to the transfer; notwithstanding the foregoing, a transfer of a Claim related to the Syndicated Facility or Arcsukuk Facility was not recognized for voting purposes unless such transfer occurred prior to the Petition Date and in accordance with the transfer requirements of the underlying documents related to the Syndicated Facility or Arcsukuk Facility (as applicable);

b. a Claimant that filed a Proof of Claim or Proof of Interest that is subject to an objection on the basis that the Claim or Interest (i) is duplicative of another Claim or Interest within the same Voting Class; or (ii) amends or supersedes a previously filed Claim or Interest, was provided with only one Solicitation Package and one Ballot for voting a single Claim or Interest in such Voting Class;

c. if a Claimant cast more than one Ballot as to the same Claim or Interest and as to the same Subplan, the last properly executed Ballot received prior to the Voting Deadline was deemed to be the Claimant's final vote and superseded any prior Ballot;

d. for purposes of the "numerosity" requirement of section 1126(c) of the Bankruptcy Code, separate Claims held by a single Claimant in a particular Voting Class as to a particular Debtor were aggregated and treated as if the Claimant held one Claim in that Voting Class, and all votes related to the Claim were treated as a single vote to accept or reject the Subplan; and

e. a Ballot which was otherwise properly executed and received prior to the Voting Deadline, that included a vote to either to accept or reject one or more Subplans, but failed to include a vote to either accept or reject another Subplan on which the Claimant was entitled to vote, was counted only as to the Subplan on which the Claimant voted and was not counted as to the Subplan on which the Claimant failed to vote.

26. In accordance with the Solicitation Procedures Order, the following Ballots were not counted or considered for any purpose in determining whether the Plan has been accepted or rejected:

a. any Ballot received after the Voting Deadline; provided however, that any Ballot emailed or postmarked before the Voting Deadline but received after the Voting Deadline was counted if the Debtors, in their sole discretion, elected to accept such Ballot;

b. any Ballot submitted by facsimile;

c. any Ballot that is not legible, not properly completed, or fails to contain sufficient information to permit the identification of the Claimant or the authority of the party acting on behalf of a Claimant, or otherwise does not comply with the instructions in the Ballot, unless the Debtors, in their sole discretion, permitted the voting Claimant to cure any defect or provide the missing information;

d. any Ballot cast by a person or entity that does not hold a Claim in a Class that is entitled to vote to accept or reject the Subplan;

e. any unsigned Ballot;

f. any Ballot that fails to either accept or reject a Subplan;

g. any Ballot that both accepts and rejects a Subplan;

h. any Ballot that partially accepts and partially rejects a Subplan; and

i. any simultaneously submitted duplicate Ballots with votes that contradict

one another with respect to the same Claim and as to the same Subplan.

27. GCG complied in all respects with the provisions of the Solicitation Procedures Order, including as to provisions thereof not explicitly set forth above.

28. GCG is in possession of the Ballots and the same are available for review during GCG's regular business hours at GCG, 5151 Blazer Parkway, Suite A, Dublin, Ohio 43017.
