**THE REQUESTED COMPENSATION SHOULD BE ALLOWED**

17. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." *Id.* § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded. . .the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

18. The services for which KPMG-US seeks compensation in this Application were necessary for and beneficial to the orderly administration of the Debtors' estate and its rehabilitation and reorganization effort. The Debtors retained KPMG-US as tax consultants to provide it with a variety of necessary services during the course of this case. These services were necessary to and in the best interests of the Debtors' estate and creditors.

19. Accordingly, the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, its estate, and all parties in interest.

20. All of KPMG-US's professionals that rendered services in these proceedings made a deliberate effort to avoid unnecessary duplication of work and time expended. In certain instances, however, conferences and/or collaboration were necessary among KPMG-US's professionals.

21. In sum, the services rendered by KPMG-US were necessary and beneficial to the Debtors' estate and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved, and approval of the

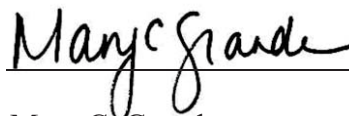

compensation for professional services and reimbursement of expenses sought herein is warranted.

22. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Fourth Interim Period and Final Period, but were not processed prior to the preparation of this Application, KPMG-US reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application. Furthermore, KPMG-US reserves the right to seek final approval of the fees and expenses requested herein.

### **CONCLUSION**

**WHEREFORE**, KPMG-US respectfully requests that the Court enter an order (i) approving the final allowance for professional services rendered to the Debtors during the Fourth Interim Period, in the amount of \$197,445.30 and reimbursement for actual and necessary expenses incurred in connection with the rendition of such services in the aggregate of \$0.00; ii) approving the final allowance for professional services rendered to the Debtors during the Final Period, in the amount of \$429,698.21 and reimbursement for actual and necessary expenses incurred in connection with the rendition of such services in the aggregate of \$0.00; iii) authorizing and directing the Debtors to pay KPMG-US the outstanding amounts; and (iv) granting KPMG-US such other and further relief as is just.

I, Mary C. Grande, certify as follows:

1. I am a Certified Public Accountant and a partner of KPMG LLP (US) (“KPMG-US”), a professional services firm.
2. By Order dated July 11, 2012, KPMG-US was retained as tax consultants to the debtors and debtors in possession (the “Debtors”).
3. I submit this certification in conjunction with KPMG-US’s application, dated October 10, 2013 (the “Application”), for KPMG-US’s fourth interim and final fee application for interim allowance of fees for professional services rendered and reimbursement of expenses in this case for the period from April 1, 2013 through September 17, 2013 (the “Fourth Interim Period”) and final allowance of fees for professional services rendered and reimbursement of expenses in these cases for the period from March 19, 2012 through September 17, 2013, inclusive (the “Final Period”).

6. A copy of the Application is being provided to the United States Trustee, any official statutory committees appointed in this case and the Debtors, contemporaneously with the filing hereof.

7. To the extent that the Application is not in compliance with the Guidelines, KPMG-US requests a waiver of any such requirements.
