**MOTION OF VR GLOBAL PARTNERS, LP FOR THE ENTRY OF AN
ORDER APPROVING SPECIFIED INFORMATION BLOCKING PROCEDURES
AND PERMITTING TRADING OF CLAIMS AGAINST THE
DEBTORS UPON ESTABLISHMENT OF A SCREENING WALL**

TO THE HONORABLE SEAN H. LANE,
UNITED STATES BANKRUPTCY JUDGE:

VR GLOBAL PARTNERS, LP, for itself and its affiliates ("VRGP"), a member of the Official Committee of Unsecured Creditors (the "Committee"), hereby submits this motion (the "Motion") for the entry of an order, pursuant to 11 U.S.C. § 105(a), approving information blocking procedures and permitting trading in the Covered Claims (as defined below) in certain situations, and represents as follows:

BACKGROUND

1. On March 19, 2011 (the "Petition Date"), the above-captioned debtors and debtors-in-possession (the "Debtors") commenced their reorganization cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11

U.S.C. § 101 *et seq.* (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Court").

2. The Debtors continue to operate their businesses and manage their assets as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code, and no trustee has been appointed in this case.

3. On April 5, 2012, pursuant to section 1002(a) of the Bankruptcy Code, the United States Trustee for the Southern District of New York (the "US Trustee") appointed seven entities to the Official Committee of Unsecured Creditors (the "Committee"), including VRGP. VRGP holds certain Covered Claims¹ against the Debtors.

JURISDICTION

4. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and may be determined by this Court. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

RELIEF REQUESTED

5. VRGP requests the entry of an order indicating that VRGP, which is engaged in the trading of securities and/or claims for others or for its own account as a regular part of its business, will not violate its fiduciary duties as a member of the Committee by trading in the Covered Claims during the pendency of the Debtors' Chapter 11 cases, provided that VRGP establishes, effectively implements, and adheres to the information blocking policies and procedures (collectively, the "Screening Wall") that are approved by the Office of the

¹ "Covered Claims" is used to mean any claims against the Debtors, including (i) "Securities" as defined in Section 2(a)(1) of the Securities Act of 1933 (including the following: stocks, notes, bonds, debentures, participation in, or derivatives based upon or relating to, any of the Debtors' debt obligations or equity interests) and (ii) bank debt.

United States Trustee herein or that are otherwise consistent with those described in the Screening Wall Declarations (as defined below), annexed hereto as **Exhibit "A"**.

6. The term "Screening Wall" refers to a procedure established by an institution to isolate its trading activities from its activities as a member of an official committee of unsecured creditors in a chapter 11 case. A Screening Wall includes, among other things, such features as the employment of different personnel to perform certain functions, physical separation of the office and file space, procedures for locking committee related files, separate telephone and facsimile lines for certain functions, and special procedures for the delivery and posting of telephones messages. Such procedures will prevent VRGP's trading personnel from use or misuse of non-public information obtained by VRGP's personnel engaged in Committee related activities ("Committee Personnel") and also will preclude Committee Personnel from receiving inappropriate information regarding VRGP's trading in the Covered Claims in advance of such trades.

7. Although members of the Committee owe fiduciary duties to the creditors of these estates, VRGP also has fiduciary duties to maximize returns to its clients through trading securities. Thus, if VRGP is barred from trading the Covered Claims during the pendency of these bankruptcy cases because of its duties to other creditors, it may risk the loss of a beneficial investment opportunity for itself and/or its clients and, moreover, may breach its fiduciary duty to its clients. Alternatively, if VRGP is compelled to resign from the Committee because of its inability to trade for the benefit of itself and its clients, its interests may be compromised by virtue of taking a less active role in the reorganization process. VRGP should not be forced to choose between serving on the Committee and risking the loss of beneficial investment opportunities or foregoing service on the Committee and possibly

compromising its responsibilities by taking a less active role in the reorganization process, particularly because its service as a Committee member benefits all unsecured creditors.

8. As evidence of its implementation of the procedures detailed herein, filed herewith is a declaration (the "Screening Wall Declaration") by each of VRGP's Committee Personnel, which states that such individual(s) shall comply with the terms and procedures consistent with those set forth in this Motion or otherwise approved by the United States Trustee.

9. Consistent with Local Bankruptcy Rule 9074-1(b), VRGP submits that a notice of presentment is appropriate and sufficient with regard to this motion. Notice and a hearing are not required for the relief sought. Moreover, immediate approval of the Screening Wall is necessary to permit VRGP to participate fully on the Committee during the critical early days of the case while being able to participate in trading and protecting its position in what may well be an extremely volatile market.

BASIS FOR RELIEF

10. The relief requested here is identical to the relief granted by this court in the present proceedings (Order Signed On 4/24/2012, Approving Specified Information Blocking Procedures And Permitting Trading In Claims Against The Debtors Upon Establishment Of A Screening Wall [Docket No. 94]) and by Judge Glenn and approved by the U.S. Trustee in *In re MF Global Holdings Ltd., et al.*, Case No. 11-15059 (MG) (January 13, 2012), and is wholly consistent with other orders entered by this Court. *See, e.g., In re Lehman Brothers Holdings, Inc., et al.*, Case No. 08-13555 (JMP) (March 17, 2010); *In re Calpine Corp., et al.*, Case No. 05-60200 (BRL) (January 25, 2006); *In re Solutia Inc., et al.*, Case No. 03- 17949 (PCB) (January 22, 2004); *In re Magellan Health Services, Inc. et al.*,

Case No. 03-40515 (PCB) (May 6, 2003); *In re WorldCom, Inc.*, Case No. 02-13533 (AJG) (Aug. 6, 2002); *In re Enron Corp.*, No. 01-16034 (AJG) (Feb. 27, 2002); *In re Dairy Mary Convenience Stores, Inc.*, Case No. 01-42400 (AJG) (Dec. 20, 2001); *In re Flag Telecom Holdings Ltd.*, Case Nos. 02-11732 through 02-11736 and 02-11975 through 02-11979 (ALG) (July 22, 2002); *In re Global Crossing Ltd.*, Case Nos. 02-40187 through 0240241 (REG) (March 25, 2002); *In re Iridium Operating LLC*, Case No. 99-45005 (CB) (Nov. 3, 1999).

11. The proposed relief is also supported by substantially similar orders entered in other jurisdictions. *See, e.g., In re The Finova Group, Inc.*, Case No. 01-0697 (PJW) (Bankr. D. Del. Apr. 12, 2001); *In re GST Telecom, Inc.*, Case No. 00-1982 (GMS) (Bankr. D. Del. Oct. 19, 2000); *In re Vista Eyecare, Inc.*, Case No. A00-65214 (Bankr. D. Ga. June 1, 2000); *In re Sun Healthcare Group, Inc.*, Case No 99-3657 (MFW) (Bankr. D. Del. Dec. 11, 1999); *In re ICO Global Communications Services Inc.*, Case No. 99-2933 (MFW) (Bankr. D. Del. Sept. 21, 1999); *In re Acme Metals Inc.*, Case No. 98-2179 (MFW) (Bank. D. Del. Dec. 21, 1998); *In re Mid American Waste Systems, Inc.*, Case No. 97-104 (PJW) (Bank. D. Del. Feb. 21, 1997); *In re Ace-Texas, Inc.*, Case No. 96-166 (PJW) (Bankr. D. Del. July 17, 1996); *In re Farley*, Case No. 91-15610 (Bank. N.D. Ill. Nov. 8, 1991); *In re America West Airlines, Inc.*, Case No. 91-07505 (Bankr. D. Ariz. Oct. 23, 1991); *In re Harvard Industries, Inc.*, Case Nos. 91-104, 91-479 through 91-487 (Bankr. D. Del. July 15, 1991); *In re FederatedDep't Stores, Inc.*, Case No. 190-00130, 1991 Bankr. Lexis 288 (Bankr. S.D. Ohio Mar. 7, 1991).

12. Each of the trading orders entered in the foregoing cases provided that a committee member does not violate its fiduciary duties as a committee member by trading in a debtor's securities, so long as it acts in accordance with certain information blocking

procedures approved by the Bankruptcy Court. The orders further provide that the bankruptcy court may take appropriate action if there is any actual breach by a Committee member of its fiduciary duty as a Committee member.

13. In the seminal decision on this issue, *In re Federated Dep't Stores, Inc.*, Case No. 1-90-00130, 1991 Bankr. Lexis 288 (Bankr. S.D. Ohio Mar. 7, 1991), the bankruptcy court - agreeing with the position of the Securities and Exchange Commission on this issue - stated that Fidelity Management & Research Company:

Will not be violating its fiduciary duties as a committee member and accordingly, will not be subjecting its claims to possible disallowance, subordination, or other adverse treatment, by trading in securities of the Debtors . . . during the pendency of these [c]ases, provided that Fidelity employs an appropriate information blocking device or "[Screening] Wall" which is reasonably designed to prevent Fidelity trading personnel from receiving any nonpublic committee information through Fidelity committee personnel and to prevent Fidelity committee personnel from receiving information regarding Fidelity's trading in securities of the Debtors . . . in advance of such trades.

In re Federated Dep't Stores, Inc., 1991 Bankr. Lexis 288 at *2.

14. The *Federated* court approved Fidelity's Screening Wall procedures, which, as here, included: (i) a written acknowledgement by personnel performing committee work that they could receive nonpublic information and were aware of the Screening Wall procedures in effect; (ii) a prohibition on the sharing of non-public committee information with certain other employees; (iii) separate file space for committee work that is inaccessible to certain other employees; (iv) restrictions on committee personnel's access to trading information; and (v) a compliance review process. The Screening Wall procedures outlined here parallel those protections established in the *Federated* case and followed in subsequent cases.

WAIVER OF MEMORANDUM OF LAW

15. This Motion cites to the necessary and relevant authority and, therefore, VRGP respectfully submits that the requirement of Rule 9013-1(b) of the Local Bankruptcy Rules for the Southern District of New York that a separate memorandum of law be filed in support of the Motion should be waived.

NO PREVIOUS REQUEST

16. No previous request for the relief sought herein has been made to this Court or any other Court.

WHEREFORE, VRGP respectfully requests that the Court enter an order substantially in the form attached hereto as **Exhibit "B"** (i) approving the Screening Wall procedures set forth herein; (ii) determining that VRGP will not violate its fiduciary duties as a Committee member and, accordingly, will not subject its interests or claims to possible disallowance, subordination, or other adverse treatment by trading in the Covered Claims during the pendency of the Debtors' Chapter 11 cases, provided that VRGP follows the procedures set forth herein to insulate its trading activities from its Committee-related activities; and (iii) granting such other and further relief as is just and proper.

**ORDER APPROVING SPECIFIED INFORMATION BLOCKING PROCEDURES
AND PERMITTING TRADING IN CLAIMS AGAINST THE
DEBTORS UPON ESTABLISHMENT OF A SCREENING WALL**

Upon the Motion (the "Motion") of VR Global Partners, LP and its affiliates ("VRGP"), a member of the Official Committee of Unsecured Creditors ("Committee") appointed in these chapter 11 cases (the "Chapter 11 Cases") concerning the above-captioned debtors and debtors in possession (collectively, the "Debtors") for the entry of an order pursuant to section 105(a) of title 11 of the United States Code (the "Bankruptcy Code"), approving specified information blocking procedures and permitting trading in the Covered Claims (as defined below) in certain situations, and all exhibits attached thereto; and adequate notice of the Motion having been given; and the Motion having come on to be heard before the Court; and no objections to the Motion having been filed; and the Court being satisfied that the relief requested in the Motion is necessary and in the best interests of VRGP, the Committee, creditors, and the Debtors' estates; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is granted, subject to the terms and conditions of this Order.
2. The information blocking procedures established by VRGP described substantially in the Declaration of Richard Deitz annexed to the Motion as Exhibit A (the

"Screening Wall Declaration"), which are designed to prevent the misuse of Committee information and which are acceptable to the Office of the United States Trustee or otherwise consistent with those policies and procedures, are hereby approved.

3. VRGP will not violate its duties as a Committee member and, accordingly, will not subject its claims to possible disallowance, subordination, or other adverse treatment, by trading in the Covered Claims during the pendency of the Debtors' Chapter 11 Cases, provided that VRGP establishes and effectively implements and strictly adheres to the information blocking procedures detailed in the Screening Wall Declarations or otherwise approved in writing by the United States Trustee and ordered by the Court.

4. Should any entity related to or affiliated with the Debtor file a bankruptcy petition at any time after the entry of this Order, and should VRGP contemplate trading in that new debtor's Covered Claims, VRGP shall file additional disclosures articulating the informational blocking procedures that will be implemented by VRGP that are designed to prevent the misuse of Committee information. Such disclosures shall be accompanied by a proposed order, and if no objections to VRGP's disclosures are filed within ten (10) business days of the filing of such disclosures, the order may be entered by the Court. If objections are filed, then the Court may schedule a hearing on the matter.

5. For purposes of this Order, the term "Covered Claims" is used to mean any claims against the Debtors, including, without limitation, (i) "Securities" as defined in Section 2(a)(1) of the Securities Act of 1933 (including the following: stocks, notes, bonds, debentures, participation in, or derivatives based upon or relating to, any of the Debtors' debt obligations or equity interests) and (ii) bank debt. VRGP's trading in the Covered Claims will not constitute a breach of this Order provided that it establishes and effectively implements and strictly adheres

to the information blocking procedures detailed in the Screening Wall Declaration or otherwise approved in writing by the Office of the United States Trustee.

6. In the event that any other individual VRGP representative is chosen to replace VRGP's representative(s) on the Committee, such individual will deliver to the U.S. Trustee a declaration affirming his or her compliance with the screening procedures described herein prior to accepting any responsibilities in connection with these Chapter 11 Cases.

7. Nothing in this Order shall prejudice the right of the United States Trustee to take such action as she deems appropriate in the case, including the removal of any Committee member pursuant to section 1102 of the Bankruptcy Code.

8. This Order shall not preclude the Court from taking any action it may deem appropriate in the event that it is determined that a breach of fiduciary duty has occurred as a result of a defect in, or the ineffectiveness of, the implementation of the information blocking procedures herein approved.
