1. The relief requested in the Motion is granted in all respects, as more fully described below.
2. Proper, adequate, and sufficient notice of the Motion, the Disclosure Statement Hearing, and the deadline for filing objections to the Disclosure Statement was provided to all creditors and parties in interest.

3. The *First Amended Disclosure Statement on First Amended Joint Plan of Liquidation under Chapter 11 of the Bankruptcy Code of Long Beach Medical Center, et al.* Pursuant to Section 1125 of the Bankruptcy Code (the “Disclosure Statement”) is approved as containing “adequate information” within the meaning of § 1125(a) of the Bankruptcy Code that would enable a hypothetical investor of the relevant class to make an informed judgment about the *First Amended Joint Plan of Liquidation Under Chapter 11 of the Bankruptcy Code of Long Beach Medical Center, et al.* (the “Plan”). The Disclosure Statement (including all applicable exhibits thereto) provides sufficient notice of and information concerning the injunction, exculpation and release provisions contained in the Plan (including, without limitation, the third party releases), in satisfaction of Bankruptcy Rule 3016(c). Any and all objections to the adequacy of the information contained in the Disclosure Statement not otherwise consensually resolved are hereby overruled.

4. The procedures proposed in the Motion are reasonable and appropriate.

Confirmation Hearing Date

5. The Confirmation Hearing Notice, substantially in the form attached to the Motion as Exhibit B, is hereby approved.

6. Pursuant to Bankruptcy Rule 3017(c), the hearing to consider confirmation of the Plan, as such Plan may be further modified or amended, shall commence on **August 16, 2017 at 2:00 p.m.** (prevailing Eastern Time), or as soon thereafter as counsel can be heard, before the Honorable Alan S. Trust, United States Bankruptcy Judge, at the United States Bankruptcy Court for the Eastern District of New York, Alfonse M. D’Amato Federal Courthouse, 290 Federal Plaza, Courtroom 960, Central Islip, New York 11722 (the “Confirmation Hearing”). The Confirmation Hearing may be adjourned from time to time, without further notice to creditors and other parties in interest, by announcing such continuance in open court, all without further notice to parties in interest, and the Plan may be modified pursuant to § 1127 of the Bankruptcy Code

prior to, during, or as a result of the Confirmation Hearing, without further notice to parties in interest; provided, however, that such modifications or amendments do not materially and adversely affect any class of claims in the Plan.

Deadline and Procedures for Filing Objections to Confirmation

7. Objections to confirmation of the Plan, including, without limitation, the injunction, release, and exculpation provisions contained therein, shall be served on the Notice Parties so as to be received on or before **August 7, 2017 at 4:00 p.m.** (prevailing Eastern Time) (the “Objection Deadline”).

8. In order to be considered, Objections and other similar pleadings, if any, to Confirmation of the Plan must: (i) be in writing; (ii) state the name, address, and nature of the claim of the objecting or responding party; (iii) state with particularity the basis and nature of any objection or response and, if practicable, a proposed modification to the Plan that would resolve such objection; (iv) conform to the Bankruptcy Rules and the Local Rules; and (v) be filed electronically no later than the Objection Deadline with the Clerk of the United States Bankruptcy Court for the Eastern District of New York, with a courtesy copy delivered to Judge Trust’s Chambers and served so that objections and responses **are actually received** on or before the Objection Deadline by: (a) counsel to the Debtors, Garfunkel Wild, P.C., 111 Great Neck Road, Great Neck, New York 11021 (Attn: Burton S. Weston, Adam T. Berkowitz, and Phillip Khezri); (b) counsel to the Committee, Klestadt Winters Jureller Southard & Stevens, LLP, 200 West 41st Street, 17th Floor, New York, New York 10036 (Attn: Sean C. Dimino) (collectively, the “Notice Parties”). Objections that do not contain the information described above and that are not filed,

served, and actually received by the Objection Deadline in the manner as set forth above will not be considered and shall be overruled.

**Notices of Confirmation Hearing and Related Issues;
Content and Transmittal of Solicitation Packages, Including Ballots**

9. Pursuant to Bankruptcy Rules 2002 and 3017(d), the Plan Proponents shall transmit or cause to be transmitted to certain creditors, as set forth below, no later than **June 30, 2017**, a solicitation package (the “Solicitation Package”), which is hereby approved, containing a copy or conformed version of:

- (a) a written notice (the “Confirmation Hearing Notice”), substantially in the form attached as Exhibit B to the Motion, of (i) the approval of the Disclosure Statement, (ii) the website address to access the Disclosure Statement Order (without exhibits), as approved by the Court, the Disclosure Statement, and the Plan, all as may be amended or supplemented, (iii) contact information for parties wishing to request a hard copy of such documents from GCG; (iv) the date of the Confirmation Hearing, (v) the deadline and procedures for filing objections to confirmation of the Plan, (vi) the treatment of certain contingent, unliquidated and disputed claims for notice and voting purposes, and (vii) the voting deadline for receipt of ballots;
- (b) an appropriate ballot with instructions attached thereto (the proposed form of which is attached as Exhibit C to the Motion) and postage prepaid, pre-addressed ballot return envelope.

The Plan Proponents shall provide copies of Confirmation Hearing Notice to those persons who have requested notice pursuant to Bankruptcy Rule 2002 and hard copies of the Disclosure Statement Order, the Disclosure Statement, the Plan, and the Confirmation Hearing Notice to the Office of the United States Trustee and counsel to the Committee.

10. The Plan Proponents shall mail or cause to be mailed a Solicitation Package to each Voting Party. Only the Voting Parties (*i.e.*, creditors in LBMC Classes 1, 4, 5, and 6, and Komanoff Classes 1, 4, 5, and 6) are entitled to vote on the Plan. The Plan Proponents shall not be required to provide the Solicitation Package or Confirmation Hearing Notice, or any other

notice, on account of claims that have been satisfied, waived, withdrawn, disallowed or expunged as of the date of solicitation.

11. Pursuant to Bankruptcy Rule 3017(d), the Plan Proponents are not required to transmit a Solicitation Package to the Non-Voting Parties. Instead, the Plan Proponents shall send to each Non-Voting Party the Non-Voting Notice substantially in the form annexed to the Motion as Exhibit D.

12. The Plan Proponents shall not be required to transmit Solicitation Packages or Non-Voting Notices, or re-send the Solicitation Packages or Non-Voting Notices to entities whose mail is returned as ‘undeliverable’ at such addresses or moved – ‘no forwarding address’ or similar marking, unless the Plan Proponents are provided with, or obtain, accurate addresses for such entities by the date that is no less than two weeks before the date of the Confirmation Hearing.

13. In addition to serving the Confirmation Hearing Notice, the Plan Proponents shall publish notice of the Confirmation Hearing (the “Confirmation Hearing Publication Notice”) substantially in the form annexed to the Motion as Exhibit E, once in such format as is reasonably practicable for publication, in a publication agreed to by the Debtors and the Committee, within ten (10) business days after entry of this Order. Additionally, the Plan Proponents shall make the Confirmation Hearing Notice available electronically at the Debtors’ case website: <http://cases.gcginc.com/lob>.

14. The Court finds that this procedure constitutes adequate notice of the Confirmation Hearing and the Voting Deadline and conforms with Bankruptcy Rule 3017(d).

Treatment of Disputed, Contingent or Unliquidated Claims

15. Pursuant to § 105 of the Bankruptcy Code and Bankruptcy Rule 3003(c)(2), any holder of a claim (a) that is listed in the Debtors’ schedules as disputed, contingent or unliquidated or scheduled in a zero or unknown amount, and (b) that is not the subject of a timely

filed proof of claim, shall not be treated as a creditor with respect to such claim for purposes of receiving distributions under the Plan, voting on the Plan or receiving additional notices in the Debtors' Chapter 11 Cases.

Deadline and Procedures for Temporary Allowance of Claims for Voting Purposes

16. Unless otherwise allowed by written agreement by and between the Debtors, the Committee, and a party seeking temporary allowance of a claim, any holder of an objected to, contingent, unliquidated, or disputed claim seeking to have such claim temporarily allowed for voting purposes shall file by **July 14, 2017 at 5:00 p.m.** (prevailing Eastern Time) (the "Temporary Allowance Deadline") a motion for temporary allowance of those claims for purposes of accepting or rejecting the Plan (each, a "Temporary Allowance Motion"), with a hearing to be held within ten days thereafter to consider the Temporary Allowance Motions if the parties cannot otherwise resolve such Temporary Allowance Motion through written agreement.

Establishment of Voting Record Date

17. The date of entry of this Order shall be the voting record date (the "Voting Record Date") as provided in Bankruptcy Rule 3017(d) for the purposes of determining the Creditors entitled to receive the Solicitation Package. The Voting Record Date shall be the date by which the claims register maintained by GCG, the Debtors' Notice, Claims, and Solicitation Agent shall be deemed closed for the purposes of determining whether a holder of a claim is a record holder entitled to vote on the Plan. The Plan Proponents and GCG shall have no obligation to recognize for purposes of voting on the Plan the vote of any purported transferee of a claim transferred after the Voting Record Date. With respect to transfers of claims filed pursuant to Bankruptcy Rule 3001, the holder of a claim as of the Voting Record Date shall be the transferor of such claim unless the documentation evidencing such transfer was docketed by the Court on or

before 21 days prior to the Voting Record Date and no timely objection with respect to such transfer was filed by the transferor.

Voting Deadline for Receipt of Ballots

18. Pursuant to Bankruptcy Rule 3017(c), to be counted, ballots for accepting or rejecting the Plan **must be received** by GCG no later than 4:00 p.m. (prevailing Eastern Time) on **August 7, 2017** (the “Voting Deadline”).

19. Ballots must be addressed to:

If by Mail:

P.O. Box 10040
Dublin, Ohio 43017-6640

If by hand delivery or overnight courier:

5151 Blazer Parkway, Suite A
Dublin, Ohio 43017

If by Electronic Mail:

If by Facsimile:

(844) 528-4562

20. GCG shall tabulate the ballots and certify to the Court the results of the balloting by **August 11, 2017** (the “Ballot Certification Deadline”).

Procedures for Vote Tabulation

21. The ballot, substantially in the form of Exhibit C to the Motion, is hereby approved.

22. To be counted, all ballots must be properly executed, completed and delivered to GCG at the addresses specified thereon so that the ballots are actually received on or before the Voting Deadline, unless extended. The Plan Proponents may (but are not required to),

in their sole and absolute discretion, extend the Voting Deadline. Filing a notice of extension with the Court shall be sufficient notice of any general extension. Additionally, the Plan Proponents may, in their discretion, extend the Voting Deadline for a particular Voting Party without extending the Voting Deadline for all Voting Parties.

23. With regard to the tabulation of ballots, holders of claims in LBMC Classes 1, 4, 5, and 6, and Komanoff Classes 1, 4, 5, and 6 shall be entitled to vote in the dollar amount determined in accordance with the following hierarchy:

- (a) if an Order has been entered by the Court determining the amount of such holder's claim, whether pursuant to Bankruptcy Rule 3018 or otherwise, or if a claim is deemed allowed in accordance with the Plan, then in the amount prescribed by said Order or the Plan;
- (b) if no such Order has been entered, then in the non-contingent, liquidated amount contained in a timely filed proof of claim that is not the subject of an objection on the Voting Record Date, disregarding the portion of the claim, if any, that is contingent or unliquidated, provided, however, that if an objection to the claim is pending as of the Voting Record Date, then in the amount and/or the classification sought in said objection, and claims subject to an objection seeking expungement shall not be entitled to vote unless otherwise ordered by the Court;
- (c) if no such proof of claim has been timely filed, then in the non-contingent, non-disputed, liquidated amount contained in the Debtors' schedules, disregarding the portion of the claim, if any, that is contingent or unliquidated; and
- (d) if a filed claim is wholly unliquidated, wholly contingent or in an unknown or zero amount, then the claim shall be valued in the amount of \$1.00 for voting purposes only. For the avoidance of doubt, any Medical Malpractice/Personal Injury Claim that has not been allowed, irrespective of whether an objection has been filed to such claim, shall be valued at \$1.00 for voting purposes only.

24. Additionally, if the Debtors have paid or otherwise satisfied a scheduled or filed claim prior to the Voting Record Date, such claim shall be disallowed for voting purposes.

25. The following voting procedures, conventions and assumptions shall apply to the tabulation of the ballots:

- (a) For purposes of the numerosity requirement of § 1126(c) of the Bankruptcy Code, separate claims held by a single creditor in a particular class will be aggregated as if such creditor held one claim against the Debtors in such class, and the votes related to such claims will be treated as a single vote to accept or reject the Plan.
- (b) Creditors must vote all of their claims within a particular class either to accept or reject the Plan and may not split their vote. Accordingly, an individual ballot or multiple ballots with respect to multiple claims within a single class that partially rejects and partially accepts the Plan will not be counted.³
- (c) Ballots that fail to indicate an acceptance or rejection of the Plan or that indicate both acceptance and rejection of the Plan, but which are otherwise properly executed and received prior to the Voting Deadline, will not be counted.
- (d) Only ballots that are timely received with signatures will be counted. Unsigned ballots will not be counted.
- (e) Ballots postmarked prior to the Voting Deadline, but received by GCG after the Voting Deadline, will not be counted, unless the Plan Proponents shall have granted in writing an extension of the voting deadline with respect to such ballot.
- (f) Ballots which are illegible, or contain insufficient information to permit the identification of the creditor, will not be counted.
- (g) Ballots cast by a person or entity that does not hold a claim in a class that is entitled to vote to accept or reject the Plan will not be counted.
- (h) Ballots sent directly to any of the Debtors, their agents (other than GCG) or the Debtors' financial or legal advisors or to any party other than GCG, will not be counted,
- (i) Whenever a creditor casts more than one ballot voting the same claim prior to the Voting Deadline, the last valid ballot received

³ To the extent that any creditor entitled to vote in a particular class has filed a proof of claim that (i) is duplicative of a previously filed proof of claim (a claim in the same amount, with the same classification and asserting the same basis of claim), or (ii) amends or supersedes a prior proof of claim filed by or on behalf of the same creditor prior to the Voting Record Date, such proof of claim shall supersede the prior proof of claim for voting and tabulation purposes, and such creditor shall be provided, to the extent possible, with only one Solicitation Package and one ballot which shall reflect the vote of only one such claim.

prior to the Voting Deadline shall be deemed to reflect the voter's intent and supersede any prior ballots.

- (j) If a creditor simultaneously casts inconsistent duplicate ballots with respect to the same claim, such ballots shall not be counted.
- (k) Each creditor shall be deemed to have voted the full amount of its claim. Unless otherwise ordered by the Court, questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of ballots shall be determined by GCG and the Debtors in their sole discretion, which determination shall be final and binding.

26. Prior to mailing the Solicitation Packages or Non-Voting Notices, the Plan Proponents may fill in any missing dates and other information, correct any typographical errors, and make such other non-material, non-substantive changes as they deem appropriate or as otherwise ordered by the Court at the hearing to approve the Disclosure Statement.

27. Unless otherwise agreed to in writing by the Debtors and the Committee, if any creditor seeks to challenge the allowance of its claim for voting purposes in accordance with the above procedures, the creditor must serve upon the Debtors and file with the Court a Temporary Allowance Motion in accordance with the procedures set forth above. In accordance with Bankruptcy Rule 3018, the ballot with respect to a claim for which a Temporary Allowance Motion was filed should not be counted unless temporarily allowed by the Court or by written agreement by and between the Debtors, the Committee, and the party seeking temporary allowance of a claim.

28. Ballots may be preprinted with dollar amounts of claims as reflected in the Debtors' records at the Voting Record Date. If ballots are preprinted, then the preprinted amounts shall be used in tabulating the votes unless the holder of the claim obtains an order from the Court under Bankruptcy Rule 3018(a). The amount and classification of a claim listed on a ballot shall be without prejudice to the Plan Proponents' or Plan Administrator's right to object to the claim.

29. GCG is authorized, but not directed to contact any party submitting a ballot to clarify any issues with respect to such submitted ballot if it is ambiguous or not properly completed.

30. Summary of Ballots and Notice of Cramdown: The Plan Proponents shall file a summary of ballots and notice of cramdown on or before **August 11, 2017** which shall set forth setting forth the following information:

- (a) a summary of the ballots received;
- (b) whether the Plan proponents proposes to confirm the plan over the objection of one or more impaired classes; and
- (c) whether any witnesses other than the Plan Proponents' witness(es) in favor of the plan are expected to testify as to any facts relevant to confirmation.

31. Changing Votes. If two or more ballots are cast voting the same claim prior to the Voting Deadline, the last properly executed ballot received prior to the Voting Deadline shall be deemed to reflect the voter's intent and thus supersede any prior ballots.

32. No Vote Splitting; Effect. Creditors that vote must vote all of their claims within a particular Class under the Plan to either accept or reject the Plan and may not split their votes. Accordingly, a ballot (or multiple ballots with respect to multiple claims within a single Plan Class), that partially rejects and partially accepts the Plan will not be counted. For purposes of the numerosity requirement of § 1126(c) of the Bankruptcy Code, separate claims held by a single creditor in a particular class will be aggregated as if the creditor held one claim against the Debtors in that class, and that the votes related to those claims shall be cast on a single ballot and treated as a single vote to accept or reject the Plan, provided however, that the extent that any creditor entitled to vote in a particular class has filed a proof of claim that (i) is duplicative of a previously filed proof of claim (a claim in the same amount, with the same classification and

asserting the same basis of claim), or (ii) amends or supersedes a previously filed proof of claim filed by or on behalf of the same creditor, such proof of claim shall supersede the prior proof of claim for voting and tabulation purposes, and such creditor shall be provided, to the extent possible, with only one Solicitation Package and one ballot which shall reflect the vote of only one such claim.

33. In cases where a party has properly executed a ballot and has indicated correction or updates to the mailing address used in the service of its Solicitation Package, either physically on the face of the ballot, or otherwise separately enclosed with the ballot, such corrected or updated mailing address will not be treated as an update to the creditor's address unless a separate written request is also submitted to the Debtors' claims and balloting agent, GCG, at the address indicated on the ballot.

Service and Notice Is Adequate and Sufficient

34. Service of the Confirmation Hearing Notice, Solicitation Package, Non-Voting Notice, and the other notices and documents described herein in the time and manner set forth in this Order shall be adequate and sufficient and no further notice is necessary.

35. With respect to addresses from which Solicitation Packages and Non-Voting Notices are returned as undeliverable by the United States Postal Service and for which there is no known forwarding address, such persons or entities shall be deemed unknown creditors for notice purposes, and failure to mail copies the Confirmation Hearing Notice, the Solicitation Package, the Non-Voting Notice, and the other notices and documents described herein, shall not constitute a failure to give adequate and sufficient notice to such creditors.

Authorization to Make Non-Substantive Changes

36. The Plan Proponents are authorized to make non-substantive changes to the Disclosure Statement, the Plan, and any related documents without further order of the Court,

including, without limitation, changes to correct typographical and grammatical errors and to make conforming changes among the Disclosure Statement, the Plan, and any other materials in the Solicitation Package or Non-Voting Notice prior to their mailing.

37. This Court shall retain jurisdiction to, among other things, interpret and enforce the terms and provisions of this Order.

I. INTRODUCTION AND SUMMARY

A. Overview

Long Beach Medical Center (“LBMC”) and Long Beach Memorial Nursing Home, Inc. d/b/a The Komanoff Center for Geriatric and Rehabilitative Medicine (“Komanoff”) and collectively with LBMC, the “Debtors”, and each a “Debtor”) filed their Chapter 11 Cases (the “Cases”) with the United States Bankruptcy Court for the Eastern District of New York (the “Court” or the “Bankruptcy Court”) on February 19, 2014 (the “Petition Date”). The Cases were assigned to the Honorable Alan S. Trust, United States Bankruptcy Judge for the Eastern District of New York. The Debtors continue to manage the orderly liquidation of their assets as debtors-in-possession pursuant to §§ 1107 and 1108 of the Bankruptcy Code. The Debtors, as the proponents of the Plan, (the “Plan Proponents”) submit this Disclosure Statement (the “Disclosure Statement”) pursuant to § 1125(b) of Title 11, United States Code, 11 U.S.C. §§ 101 et seq. (the “Bankruptcy Code”) and Rule 3017 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), in connection with their *First Amended Joint Plan of Liquidation Under Chapter 11 of the Bankruptcy Code of Long Beach Medical Center, et al.*, dated June 26, 2017 (the “Plan”). Although the Plan is presented as a joint plan of liquidation, the Plan does not provide for the substantive consolidation of the Debtors’ Estates, and the Debtors’ Estates shall not be substantively consolidated for any reason. This Disclosure Statement is intended to provide the Debtors’ creditors with adequate information to enable holders of Claims that are impaired under (and entitled to vote on) the Plan to make an informed judgment in exercising their right to vote for acceptance or rejection of the Plan. A copy of the Plan is annexed hereto as Exhibit A. All capitalized terms used but not defined in this Disclosure Statement shall have the respective meanings ascribed to them in the Plan, unless otherwise noted.

The Plan provides a means by which the proceeds of the liquidation of the Debtors’ assets will be distributed under Chapter 11 of the Bankruptcy Code, and sets forth the treatment of all Claims against the Debtors. As described in more detail below, the Debtors have consummated the sale of substantially all of their assets in two (2) separate transactions, one to South Nassau Communities Hospital (“SNCH”), and the other to MLAP Acquisition I, LCC and MLAP Acquisition II, LLC (collectively, “MLAP”), pursuant to orders of the Court authorizing the Debtors to sell (i) the LBMC assets [Docket No. 184], and (ii) the Komanoff assets [Docket No. 185]. The Plan implements the distribution of the respective sales proceeds to holders of Allowed Claims against each Debtor’s Estate, and provides for liquidation of any remaining assets.

THE PLAN PROPONENTS STRONGLY URGE ACCEPTANCE OF THE PLAN, AND URGE ALL CREDITORS ENTITLED TO VOTE THEREON TO VOTE TO ACCEPT THE PLAN.

Each holder of a Claim against the Debtors entitled to vote on the Plan should read this Disclosure Statement, the Plan, any Plan supplements, and the instructions accompanying the ballot (the “Ballot”) in their entirety before voting on the Plan. These documents contain, among other things, important information concerning the classification of Claims against each of the respective Debtors for voting purposes and the tabulation of votes. No solicitation of votes to accept the Plan may be made except pursuant to § 1125 of the Bankruptcy Code.

B. Overview of Chapter 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. A debtor can also utilize the provisions of Chapter 11 to orderly market and sell its assets in order to derive maximum value and provide equal treatment of similarly situated creditors with respect to the distribution of a debtor's assets.

The commencement of a Chapter 11 case creates an estate that is comprised of all of the legal and equitable interests of the debtor as of the filing date. Confirmation and consummation of a plan of reorganization or liquidation are the principal objectives of a Chapter 11 case. In these Cases, the Plan contemplates a liquidation of each of the Debtors and is therefore referred to as a "plan of liquidation." The primary objective of the Plan is to maximize the value of the recoveries to all holders of Allowed Claims and to distribute any asset of the Debtors' Estates, or proceeds thereof, that are or becomes available for distribution generally in accordance with the priorities established by the Bankruptcy Code.

In general, confirmation of a plan by the bankruptcy court makes the plan binding upon a debtor, any person acquiring property under the plan, and any creditor or equity interest holder of a debtor whether or not they vote to accept the plan. Before soliciting acceptances of a proposed plan, however, § 1125 of the Bankruptcy Code requires a debtor to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a creditor to make an informed judgment in voting to accept or reject the plan. The Plan Proponents are submitting this Disclosure Statement to holders of Claims against the Debtors to satisfy the requirements of § 1125 of the Bankruptcy Code.

C. Summary of Classification and Treatment Under the Plan

In general, and as more fully described herein, the Plan (i) does not consolidate the Debtors' Estates and uses each Debtor's assets to pay the Claims of each respective Debtor, (ii) divides Claims into two (2) unclassified categories and six (6) classes for each of the Debtors' respective Estates, (iii) sets forth the treatment afforded to each category and class, and (iv) provides the means by which the proceeds of the Debtors' assets and amounts payable by third parties will be distributed. The LBMC Estate currently has approximately \$4,888,100 of Cash on hand and the Komanoff Estate currently has approximately \$7,161,000 of Cash on hand. The following table sets forth a summary of the treatment of each class of Claims under the Plan (a more detailed description of the Plan is set forth in Section IV of this Disclosure Statement entitled "*Overview of The Plan*").²

² This summary contains only a brief simplified description of the classification and treatment of Claims under the Plan. It does not describe every provision of the Plan. Accordingly, reference should be made to the entire Disclosure Statement (including exhibits) and the Plan for a complete description of the classification and treatment of Claims.

- (iii) the forms of Ballots, and the related materials delivered together herewith, are being furnished, for purposes of soliciting votes on the Plan, to LBMC Classes 1, 4, 5, and 6, and Komanoff Classes 1, 4, 5, and 6, which are the only impaired classes of Claims that are entitled to vote on the Plan. The Disclosure Statement is also being provided to holders of Claims in LBMC Classes 2 and 3, and Komanoff Classes 2 and 3 (which classes are unimpaired and therefore deemed to accept the Plan), and other entities, solely for informational purposes.

(1) Who May Vote

Pursuant to the provisions of the Bankruptcy Code, impaired classes of claims are entitled to vote to accept or reject a plan of reorganization or liquidation. A class which is not “impaired” is deemed to have accepted a plan and is not entitled to vote. A class is “impaired” under the Bankruptcy Code unless the legal, equitable, and contractual rights of the holders of claims in such class are not modified or altered. As set forth above, LBMC Class 2 (Allowed Other Secured Claims), LBMC Class 3 (Allowed Priority Non-Tax Claims), Komanoff Class 2 (Allowed Other Secured Claims), and Komanoff Class 3 (Allowed Priority Non-Tax Claims) (the “Unimpaired Classes” and each an “Unimpaired Class”) are unimpaired and deemed to accept the Plan. LBMC Class 1 (Allowed PBGC Secured Claim), LBMC Class 4 (Allowed FEMA Claims), LBMC Class 5 (Allowed General Unsecured Claims), LBMC Class 6 (Allowed PBGC Unsecured Claim), Komanoff Class 1 (Allowed PBGC Secured Claim), Komanoff Class 4 (Allowed FEMA Claims), Komanoff Class 5 (Allowed General Unsecured Claims), and Komanoff Class 6 (Allowed PBGC Unsecured Claim) (the “Impaired Classes” and each an “Impaired Class”) are impaired, or potentially impaired, and thus entitled to vote on the Plan.

(2) Voting of Claims

Each holder of an Allowed Claim in an Impaired Class which receives or retains property under the Plan shall be entitled to vote separately to accept or reject the Plan and indicate such vote on a duly executed and delivered Ballot as provided in the Disclosure Statement Approval Order.

(3) Voting Procedures

All votes to accept or reject the Plan must be cast by using the form of Ballot approved by the Court. Except to the extent the Court orders otherwise, votes submitted by any other means shall not be counted. The Court has fixed June 26, 2017 at 4:00 p.m., Prevailing Eastern Time, (the “Voting Record Date”) as the time and date for the determination of holders of record of Claims who are entitled to (a) receive a copy of this Disclosure Statement and all of the related materials and (b) vote to accept or reject the Plan. After carefully reviewing the Plan and this Disclosure Statement, including the attached exhibits, please indicate your acceptance or rejection of the Plan on the appropriate Ballot and return such Ballot in the enclosed envelope to the Debtors’ balloting agent, Garden City Group, Inc. If you have any questions regarding the procedures for voting on the Plan, please contact the Debtors' Balloting Agent at the above address, or the following telephone number: (877) 900-4498.

(4) Nonconsensual Confirmation. If any Impaired Class entitled to vote shall not accept the Plan by the requisite statutory majorities provided in §§ 1126(c) or 1126(d) of the Bankruptcy Code, as applicable, or if any Impaired Class is deemed to have rejected the Plan, the Plan Proponents reserve the right (a) to undertake to have the Court confirm the Plan under § 1129(b) of the Bankruptcy Code and/or (b) subject to § 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, to modify the Plan to the extent necessary to obtain entry of the Confirmation Order, provided such modifications are consistent with Section 11.1 of the Plan. At the Confirmation Hearing, the Plan Proponents will seek a ruling that if no holder of a Claim eligible to vote in a particular Class timely votes to accept or reject the Plan, the Plan will be deemed accepted by the holders of such Claims in such Class for the purposes of § 1129(b).

II. THE DEBTORS' BUSINESS AND DEBT STRUCTURE, EVENTS LEADING TO COMMENCEMENT OF CASES, AND SALE OF ASSETS

A. Organizational Structure and History of the Debtors

Long Beach Medical Center

Since 1922, LBMC provided medical services to the residents of Long Beach and its surrounding communities. Prior to Superstorm Sandy, as the primary health care provider for the island of Long Beach and the surrounding communities, LBMC operated as a comprehensive health care organization which included a 162-bed acute care hospital; an affiliated 200-bed skilled nursing facility specializing in geriatrics and rehabilitation medicine; a certified home health care agency; and numerous outpatient clinical programs. Together, these services allowed LBMC to offer a continuum of care – with the ability to meet all of a patient's health care needs seamlessly, including acute hospitalization, outpatient services, sub-acute care, rehabilitative care, or services from home.

Long Beach Memorial Nursing Home, Inc. d/b/a/ The Komanoff Center for Geriatric and Rehabilitative Medicine

Established in 1974, Komanoff was a hospital-based skilled nursing facility affiliated with LBMC. It provided services for residents requiring long term nursing home care and short term post-acute (sub-acute) care.

B. Capital Structure and Significant Pre-Petition Secured Debt

(1) **New York State Housing Financing Agency**. During 1973, Komanoff entered into an agreement with the State of New York and the New York State Housing Finance Agency in order to finance the construction of a new facility. A total of \$6,155,000 was borrowed via the issuance of \$5,105,000 of 1974 Series A Bonds and \$1,050,000 of 1977 Series A Bonds. Principal and interest payments were due monthly. The average interest rate was 5.9% per annum on the 1974 Series and 7.0% on the 1977 Series. The bonds were scheduled to be redeemed forty (40) years from the date of issuance.

During 1998, Komanoff entered into an agreement with the New York State Housing Finance Agency to refinance its 1974 Series A and 1977 Series A Bonds. The mortgage agreement, with a remaining balance of approximately \$3,762,527, was refinanced with an average interest rate of 4.9% per annum. The 1998 Series A Project Revenue Bonds were scheduled to be redeemed 16 years from the date of refinancing. The mortgage loan was collateralized by substantially all assets and future revenues of Komanoff.

Under the terms of the mortgage and the subsequent refinancing, Komanoff was required to make monthly deposits equal to 1/12 of its annual principal amortization and interest expense into the mortgage repayment escrow fund, which was restricted for the payment of bond interest and principal. Monthly deposits were also required into an operating escrow fund to establish a reserve for equipment replacement and structural repairs and a reserve for contingencies. Komanoff was allowed to draw monies out of these reserves with the approval of the New York State Department of Health (“DOH”).

As of the Petition Date, the balance due on the 1998 Series A Project Revenue Bonds was \$172,527, and the balance of the mortgage repayment and operating escrow sum was \$41,118 and \$345,307, respectively. Postpetition, the Debtors finalized an arrangement with the New York State Housing Financing Agency to satisfy the remaining balance out of the mortgage repayment and operating escrow account, which resulted in a net refund to the Komanoff Estate.

(2) **Dormitory Authority of the State of New York (“DASNY”)**. Pursuant to a reimbursement agreement dated as of November 1, 2007, DASNY made a non-interest-bearing loan to LBMC in the initial principal amount of \$2,000,000 (the “DASNY Loan”) for the purpose of funding the restructuring of its operations to improve operating performance, consistent with the recommendations of the Commission of Health Care Facilities in the 21st Century. As security for the DASNY Loan, DASNY was given a mortgage in certain of LBMC’s real property constituting the parking lots adjacent to the facilities. Commencing January 2010, LBMC was to begin repaying the balance in sixty (60) monthly installments of \$33,333. In 2011, LBMC only made nine (9) payments. In April 2012, the repayment terms were revised and LBMC began to make monthly payments of \$10,000, with interest being charged at 1%, scheduled through December 31, 2013. Those payments were schedule to increase to \$31,500 in January 2014, and were to remain at that amount until the balance was repaid. The last payment made on account of the DASNY Loan was in September 2012, approximately one (1) month prior to Superstorm Sandy. As of the Petition Date, the outstanding balance of the DASNY Loan was approximately \$1.252 million. As discussed more fully in Section III.H below, the DASNY Loan was satisfied pursuant to a Court approved settlement during the administration of these Cases.

(3) **First Central Savings Bank (“First Central”)**. LBMC acquired several properties which it used as off-site storage, employee housing, and physician office space over a number of years as part of a strategic expansion plan. The properties include: 757 Lincoln Blvd., 758 Lincoln Blvd., 759 Lincoln Blvd., 760 Lincoln Blvd., 762 Lincoln Blvd., 711 Lincoln Blvd., 415 East State St., 425 East State St., 479 East State St., 765 Franklin Blvd., and 761 Franklin Blvd. (the “Offsite Premises”). The Offsite Premises were initially acquired pursuant to various financing arrangements.

In order to refinance and consolidate those various loan obligations, LBMC borrowed from First Central \$1.8 million, evidenced by a permanent loan note (the “Mortgage Loan”) and obtained a line of credit in the amount of \$1 million (the “First Central Line”), evidenced by a commercial line of credit note and security agreement, each dated as of March 7, 2008. In connection therewith, LBMC executed and delivered to First Central a blanket mortgage on the Offsite Premises (the “First Central Mortgage”). Subsequently, LBMC requested a complete draw of the First Central Line. As a condition to authorizing the full draw, First Central required LBMC to consolidate the Mortgage Loan and the First Central Line into a consolidated note (the “First Central Consolidated Note”). On or about August 1, 2008, LBMC drew down on the First Central Line. The principal balance upon consolidation, after taking into account payments previously made, was \$2,704,606.26. As of the Petition Date, obligations under the First Central Consolidated Note were approximately \$2,642,000.00 and First Central held approximately \$380,000 in insurance proceeds (the “First Central Insurance Proceeds”) for damages arising from Superstorm Sandy and fire losses to a number of the Offsite Premises. As discussed more fully in Section III.H below, the First Central Consolidated Note was satisfied pursuant to a Court Order and an approved settlement during the administration of these Cases.

(4) **Pension Plan/Pension Benefit Guaranty Corporation (“PBGC”)**. LBMC sponsored two (2) noncontributory defined benefit pension plans (the “Pension Plans”) covering substantially all employees. The Pension Plans provided benefits based primarily on years of service and career average pay.

LBMC applied to PBGC for distress terminations of the Pension Plans effective July 31, 2009. By letters dated September 14, 2010 and July 29, 2011, PBGC approved the distress application for LBMC and Komanoff, respectively. As a result of the termination of the Pension Plans, through the executed trusteeship agreement with PBGC, benefit accruals under the Pension Plans ceased as of July 31, 2009, PBGC became the Pension Plans’ trustee, and PBGC became responsible for paying the Pension Plans’ benefits, up to insured limits. The termination of the Pension Plans and previously unpaid pension contributions and premiums resulted in liabilities for the Debtors arising under the provisions of the Employee Retirement Income Security Act of 1974, and the Internal Revenue Code, for pension termination underfunding, past contributions due to the Pension Plans, unpaid special termination and pension insurance premiums due to PBGC with respect to the Pension Plans, and unpaid excise taxes, plus interest and penalties.

As of the Petition Date, PBGC asserted that LBMC and Komanoff collectively owed in excess of \$54 million for termination underfunding, unpaid premiums, and excise taxes. LBMC and Komanoff are jointly and severally liable for the Pension Plan liabilities. Of the aforementioned liabilities, PBGC had federal liens against all of LBMC’s real and personal

property in the aggregate amount of approximately \$9.5 million, of which approximately \$7.6 million related to LBMC and \$1.9 million related to Komanoff. As discussed more fully in Section III.H below, PBGC's remaining claims are subject to compromise in accordance with a Court approved settlement.

(5) **FEMA Claims**. In the wake of Superstorm Sandy, the President of the United States issued a major disaster declaration under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121 et seq. Thereafter, the Federal Emergency Management Agency ("**FEMA**") issued a notice of the Presidential declaration of a major disaster for the State of New York (FEMA-4085-DR), and began the task of administering the newly created disaster relief program.

In turn, the Debtors undertook substantial efforts to restore the hospital's physical plant and other facilities. The Debtors contracted with various entities (the "**FEMA Vendors**") to make emergency repairs to their facilities including, without limitation, to provide for emergency protective measures, demolition of at risk structures, as well as general cleanup and flood-related repairs. Without any significant operating revenue, and in anticipation of the receipt of funds from FEMA ("**FEMA Funds**"), the Debtors quickly amassed sizeable payables associated with eligible emergency debris removal and emergency repair work. In order to ensure that FEMA Vendors who performed emergency work at the facilities would be properly compensated, and to facilitate the receipt of future FEMA Funds, the Debtors retained DMS Disaster Consultants ("**DMS**") to assist with the submission of grant requests. In consultation with DMS, the Debtors submitted requests for public assistance to FEMA under FEMA's Public Assistance Program for Grant Assistance (the "**PA Program**") with respect to certain emergency work performed at the Debtors' premises, and to repair, restore, reconstruct, or replace their critical facilities damaged by Superstorm Sandy (the "**Grant Requests**").

While the PA Program is structured as a reimbursement program, after taking into account the Debtors' financial condition, FEMA agreed to release funds to the Debtors based on invoices and documentation that the approved eligible work was performed.

Once emergency work was completed and invoiced to the Debtors, DMS helped prepare each project worksheet ("**PW**") which outlined the work performed and the services for which reimbursement was sought. If and when approved by FEMA, funds are then obligated for reimbursement based on PWs. FEMA reimburses 90% of the approved costs associated with any given project, as federal disaster recovery programs require that eligible recipients cover the remaining 10%. Often times the remaining 10% is covered by state and local governments. By agreement between FEMA and the New York State Office of Emergency Management ("**OEM**"), FEMA authorized OEM to remit funds to the Debtors. Upon receipt, these funds become restricted assets only available to specific payees, and are subsequently paid to the FEMA Vendors for which the funds were obligated. FEMA has paid the Debtors the 90% payments on account of substantially all of the FEMA Vendors' PWs. The Debtors are working with FEMA to address the outstanding payments.

In January of 2013, New York State became the recipient of Community Development Block Grant Disaster Recovery ("**CDBG-DR**"). Of the \$4,416,882,000 in CDBG-DR funds allocated by HUD to New York State, approximately \$450 million of such amount was

specifically allocated to FEMA Public Assistance Match Program (the “NYS FEMA Match Program”), which funds the 10% shortfall that FEMA does not cover. The newly established Governor’s Office of Storm Recovery (“GOSR”) was tasked with managing the NYS FEMA Match Program and overseeing compliance with HUD regulations. The New York State Department of Homeland Security and Emergency Services (“DOH-ES”) was tasked with administering the NYS FEMA Match Program, including making distributions. In addition, the New York State Office of the Budget (“Office of Budget”) and the New York State Office of the Controller (the “Controller’s Office”) must approve requested payments before they can be made.

The Debtors have opted into the NYS FEMA Match Program and have submitted PWs to DOH-ES for review. While the process is near completion with DOH-ES, before payment can be obtained from the NYS FEMA Match Program, those PWs, along with any other required information, must be submitted to GOSR, the Office of Budget, as well as the Controller’s Office. The Debtors believe they have submitted all necessary documentation required for approval of the PWs, but are aware that further documentation may be required by one or more of the agencies involved in the approval process.

Despite regular contact with various State agencies, the Debtors have been unable to establish a timeframe for receipt of payment from the NYS FEMA Match Program.

(6) **South Nassau Communities Hospital Prepetition Credit Agreement.** As LBMC’s liquidity continued to deteriorate in the weeks before the Petition Date, there became an increased need for immediate additional funding. As the Debtors were unable to secure such financing from traditional sources, they turned to SNCH, the anticipated stalking horse bidder for the Debtors’ assets, to provide the necessary liquidity and working capital to maintain operations pending completion of a contemplated sale to SNCH, as well as to fund expenses in connection with the preparation and filing of these Cases. After extensive arm’s length negotiations, SNCH agreed to provide such funding and, pursuant to that certain Loan and Security Agreement, dated as of December 30, 2013 (as amended, modified, or otherwise supplemented from time to time, the “SNCH Pre-Petition Credit Agreement”), between SNCH and the Debtors, SNCH made available to the Debtors up to \$1.5 million in financing secured by liens in substantially all of the Debtors’ assets subject to previously existing liens.

Under the SNCH Pre-Petition Credit Agreement, SNCH was owed, as of the Petition Date, approximately \$1,500,000 in principal obligations, plus interest, fees, costs, and expenses, and all other “Obligations” under and as defined in the SNCH Pre-Petition Credit Agreement (the “SNCH Pre-Petition Obligations”). As discussed more fully in Section III.G below, the SNCH Pre-Petition Obligations were satisfied from a portion of the sale proceeds of the Komanoff Assets.

C. Events Leading to Chapter 11 Filings

As is true with many community hospitals, LBMC was beset by the financial pressures caused by cuts in Medicare and Medicaid funding, declining indigent pool payments, and changing demographics in the communities served by the Debtors. For a number of years the Debtors experienced a progressive decline in patient volume and discharges and reduction in

acuity of the case mix. Operating revenues steadily decreased, leading to significant losses in the years preceding these filings. Cash book balances were frequently negative, and past due vendor payables increased.

Given LBMC's historical losses, DOH urged the Debtors to partner or otherwise affiliate with a more financially viable healthcare system. In the years preceding the filings, the Debtors had, at various times, engaged in active discussions with several regional healthcare providers, including Mount Sinai Hospital, Winthrop University Hospital, SNCH, and North Shore University Hospital. None of those bore fruit as an affiliation was not consistent with the geographical footprint or strategic plan of any of those systems.

On a parallel track, the Debtors undertook a number of initiatives in an attempt to address the Debtors' operating and liquidity concerns. While some of these initiatives were beginning to show positive results, the Debtors efforts were brought to an abrupt halt in October of 2012 when Superstorm Sandy decimated LBMC and Komanoff. The storm further exacerbated an already precarious financial situation and left the Debtors in a situation from which they were not able to recover.

In the months following the storm, the Debtors undertook tremendous efforts to reopen both LBMC and Komanoff. On January 28, 2013, those efforts led to the reopening of Komanoff, allowing 120 nursing home residents to return home and reinstating more than 200 employees to their jobs. While rebuilding and repair efforts persisted, the acute care portion of the hospital remained closed with extensive damage to its boilers, mechanical and electrical distribution systems, fire alarm systems, communications, food services, and laundry services. LBMC continued various administrative functions, as well as operations as a family care clinic at one of its adjacent properties and a mental health clinic in a rented facility in Baldwin, NY. Other clinics including the Methadone Maintenance Clinic and the Family Alcohol Counseling and Treatment Services remained closed.

In March, 2013, while rebuilding efforts continued, the Debtors issued a request for proposal ("RFP") to five (5) hospital providers that might have interest in entering the South Shore Long Island market as part of their strategic plans.

The only serious interest came from SNCH, which already serviced the area neighboring that of the Long Beach facility. SNCH brought financial strength to the equation and was best positioned to assure the continuity of healthcare in the Long Beach area. In August, 2013, the parties entered into a memorandum of understanding (the "MOU") to explore proposed transactions which contemplated the sale of substantially all of the Debtors' real property and operating assets to SNCH, changes to the healthcare delivery model, the restructuring or satisfaction and discharge of LBMC and Komanoff indebtedness, and the provision of financing to fund continued operations and maintenance of the assets until any transaction could be completed. The MOU was submitted to DOH for its review and ultimately received strong support.

Thereafter, the parties entered into negotiations for SNCH to acquire substantially all of the real property and operating assets of both LBMC and Komanoff, resulting in the execution of an asset purchase agreement for a transaction pursuant to § 363 of the Bankruptcy Code (the

“Prepetition APA”). In light of the continuing losses and repercussions from Superstorm Sandy, the Debtors filed these Cases to effectuate the sale of their assets, while maximizing returns to all stakeholders.

III. SIGNIFICANT EVENTS DURING THE DEBTORS’ CHAPTER 11 CASES

A. First Day Orders

Shortly after the Petition Date, the Court entered various orders authorizing the Debtors to pay various prepetition claims and granting other relief necessary to help the Debtors stabilize their day-to-day operations and in the case of Komanoff, ensure patient safety. These orders were designed to minimize the disruption of the Debtors’ business affairs, ease the strain on the Debtors’ relationship with their employees, vendors, patients, and other parties, and facilitate the orderly administration of the Cases. These included:

- a. an order authorizing the Debtors to obtain postpetition secured superpriority financing and utilize cash collateral [Docket Nos. 12, 45, and 76];
- b. an order authorizing the Debtors’ payment of pre-petition employee wages, salaries, and other compensation, and maintenance of certain benefit programs [Docket Nos. 7, 34, and 78];
- c. an order authorizing the Debtors to continue their insurance policies, and all agreements related thereto, and pay all obligations in respect thereto [Docket Nos. 9 and 77];
- d. an order granting an extension of time for the Debtors to file (a) statements of financial affairs and (b) schedules of assets and liabilities, current income and expenditures and executory contracts and unexpired leases [Docket Nos. 3 and 33];
- e. an order enjoining utility providers from terminating service to the Debtors and establishing procedures for determining requests for additional adequate assurance [Docket Nos. 8 and 82];
- f. an order authorizing the Debtors to maintain their cash management system and existing bank accounts, and to use existing business forms [Docket Nos. 6, 39 and 84];
- g. an order granting procedural consolidation of the Debtors’ cases and authorizing joint administration thereof [Docket Nos. 2 and 30]; and
- h. an order authorizing the Debtors to prepare a list of creditors in lieu of a mailing matrix and authorizing the Debtors to file a consolidated list of the Debtors’ 30 largest unsecured creditors [Docket Nos. 4 and 32].

B. Retention of Debtors' Professionals

In connection with the Cases, the Debtors obtained orders of the Court authorizing them to retain a number of professionals to assist them with conducting the Cases and various goals related thereto. These professionals included:

- a. Garfunkel Wild, P.C. ("Garfunkel"), retained as bankruptcy and reorganization counsel [Docket No. 86];
- b. GCG, Inc., retained as claims, noticing, and balloting agent [Docket No. 43]; and
- c. Loeb & Troper ("L&T"), retained as auditor for Komanoff [Docket No. 225].

The Debtors also employed certain professionals in the ordinary course of their administration of the estates pursuant to the *Order Granting Application to Employ Professionals Utilized in the Ordinary Course of Business* entered by the Court on April 30, 2014 [Docket No. 153].

C. Appointment of Creditors' Committee and Professionals

The Bankruptcy Code provides for the formation of an official committee of unsecured creditors to represent the interests of the creditors in these Cases. On February 28, 2014, the Office of the United States Trustee (the "U.S. Trustee") appointed the Official Committee of Unsecured Creditors (the "Committee"). The persons or entities appointed to the Committee were as follows:

1199 SEIU United Healthcare Workers East ("1199")

ChemRx

Atlantic Dialysis Management Services, LLC

The Committee retained Klestadt Winters Jureller Southard Stevens, LLP f/k/a Klestadt & Winters, LLP as its bankruptcy counsel [Docket No. 92] and originally retained Deloitte Transactions and Business Analytics LLP as its financial advisors [Docket No. 129]. Thereafter, the Committee retained Polsky Advisors LLC as its financial advisors from July 28, 2014 to September 30, 2014 [Docket No. 290] and Getzler Henrich & Associates LLC in the same capacity from October 1, 2014 to the present [Docket No. 294]. The Debtors have and continue to consult with the Committee on every important aspect of these Cases.

D. The Patient Care Ombudsman

On March 13, 2014, the Court entered an order directing the United States Trustee to appoint a patient care ombudsman for Komanoff [Case No. 14-70597, Docket No. 11] but did not require one for LBMC [Docket No. 83]. On March 17, 2014, the U.S. Trustee appointed Laura W. Patt as patient care ombudsman for Komanoff (the "Ombudsman") [Case No. 14-

70597, Docket No. 13]. The Ombudsman was required pursuant to § 333(a)(1) of the Bankruptcy Code to monitor Komanoff's quality of patient care and to represent the interests of Komanoff's patients. The Ombudsman retained Tarter Krinsky & Drogin LLP as her counsel [Case No. 14-70597, Docket No. 22], and Vernon Consulting, Inc. as her medical operations advisor [Case No. 14-70597, Docket No. 28].

The Debtors cooperated with the Ombudsman in her efforts to monitor and evaluate patient care and safety at the Komanoff facility. Following the appointment of MLAP, as receiver of Komanoff pending the closing of the sale of Komanoff's assets to MLAP, the Debtors and the Ombudsman entered into a stipulation discharging the Ombudsman from her duties. The Court approved the stipulation and discharged the Ombudsman from her duties on March 2, 2015 [Docket No. 365].

As LBMC ceased patient related operations prior to the Petition Date, the Court determined that no patient care ombudsman was necessary for LBMC [Docket No. 83].

E. The FEMA Motion and Remaining FEMA Claims

On March 21, 2014, the Debtors filed the *Debtors' Motion For Entry Of An Order Authorizing Debtors To Continue To Segregate And Use Funds Received From The Federal Emergency Management Agency And To Use Such Funds To Pay Designated Creditors Irrespective Of Whether Their Claims Arose Pre Or Postpetition* (the "FEMA Motion") [Docket No. 105]. On April 25, 2014, the Court entered an order granting the FEMA Motion thereby allowing the Debtors to segregate all FEMA Funds, remit payment of FEMA Funds to eligible recipients for which the Debtors had not yet remitted payment for goods and services, and to retain all FEMA funds the Debtors received on account of payments the Debtors previously remitted to FEMA Vendors [Docket No. 150].

Thereafter, the Debtors continued to prepare and submit PWs, and, to the extent funds were received, the Debtors remitted payments to those FEMA Vendors who were entitled to such funds. Accordingly, FEMA Claims against the Debtors' Estates have been reduced to between approximately \$3 million and \$4 million in the aggregate, all or substantially all of which is expected to be reimbursed by either FEMA or the NYS FEMA Match Program.³ Additionally, the Debtors currently hold approximately \$2.25 million in FEMA Funds which, subject to complying with the necessary closeout requirements of FEMA and the NYS FEMA Match Program, will either be returned to FEMA as overpayments, used to pay open claims by FEMA Vendors, or remitted to the Estate of the appropriate Debtor as reimbursement for "forced labor" reimbursable by FEMA.

The Debtors continue to have discussions with the representatives of OEM, DOH-ES, and GOSR, among others regarding the status of payments under the terms NYS FEMA Match Program. The availability and timing of such payments are contingent on, approval by DOH-ES, GOSR, the New York State Office of the Budget, and the New York State Controller's Office as well as, among other things, the satisfactory completion of an A133 audit, the repayment of

³ The Debtors are only aware of one FEMA Vendor asserting an administrative claim. The Debtors assert that the terms of that FEMA Vendor's contract expressly provide that no amounts are due and payable unless and until FEMA Funds are first received by the Debtors.

overpayments, if any, and possibly satisfying the statutory requirement of paying FEMA Claims before receiving reimbursement from the NYS FEMA Match Program.

F. Use of Cash Collateral and Debtor in Possession Financing

SNCH DIP Loan and the Use of Cash Collateral

On the Petition Date, the Debtors filed a motion seeking entry of an interim and final Order granting approval for postpetition financing from SNCH and use of cash collateral. The financing was necessary to provide critical funding for the administration of the Cases as well as the wind down of the Debtors' ongoing operations. Under the proposed financing arrangement, it was contemplated that SNCH would advance up to \$4.5 million to the Debtors and the Debtors would be permitted to use the cash collateral of the Komanoff Estate. The financing terms consisted of \$4.5 million on a multiple draw term loan (the "DIP Facility"), provided by SNCH to the Debtors, pursuant to that certain Debtor in Possession Loan and Security Agreement, (the "DIP Loan Agreement") dated as of February 21, 2014.

The DIP Loan Agreement was the product of arm's length negotiations between the Debtors, SNCH, and each party's respective counsel. On February 26, 2014, the Court entered an emergency Order, which among other things, (i) authorized the Debtors to enter into the DIP Loan Agreement and incur obligations under the DIP Facility, which obligations were afforded administrative superpriority and secured by senior liens on substantially all assets pursuant to §§ 364(c) and (d) of the Bankruptcy Code, (ii) authorized the Debtors to utilize certain cash collateral pursuant to § 363 of the Bankruptcy Code and (iii) granted adequate protection (the "Emergency DIP Financing Order") [Docket No. 45]. The Emergency DIP Financing Order authorized the Debtors to (i) borrow \$900,000 from SNCH and utilize certain cash collateral and (iii) grant SNCH a superpriority administrative expense claim and first priority and senior lien with respect to all borrowings under the DIP Facility, all on an interim basis, pending a final hearing on the DIP Facility.

On March 12, 2014, the Court entered an order approving the DIP Loan Agreement and the DIP Facility, as well as the use of Komanoff's cash collateral, on a final basis (the "Final DIP Financing Order") [Docket No. 76]. Pursuant to the Final DIP Financing Order, the Debtors were authorized to borrow up to \$4.5 million from SNCH (less any portion of the \$900,000 previously accessed under the Emergency DIP Financing Order). The Final DIP Financing Order granted SNCH similar protections as granted in the Emergency DIP Financing Order. The DIP Facility provided the Debtors with the funding necessary to ensure that the Debtors were able to fund their postpetition operating requirements and preserve and maintain their properties and the infrastructure of their businesses pending the sale of their assets.

As previously mentioned, pursuant to a Court approved settlement between the Debtors, the Committee, and SNCH in connection with the sale of the LBMC Assets, the \$4.5 million DIP Facility, including all interest and expenses, was credited against the LBMC purchase price at closing, thereby satisfying all obligations owed to SNCH on account of the DIP Facility.

MLAP DIP Loan

In connection with the sale of the Komanoff Assets, discussed more fully below, the Debtors needed additional working capital to fund operations and the costs of administration of these Cases. On November 24, 2014, the Debtors filed a motion (the “MLAP DIP Motion”) seeking Court approval to borrow up to \$1.5 million on a term loan basis from MLAP (the “MLAP DIP Facility”) [Docket No. 312]. On December 5, 2014, SNCH filed an objection to the MLAP DIP Motion which argued that the proposed MLAP DIP Facility would (i) significantly jeopardize SNCH’s collateral position with respect to its prepetition debt obligation, (ii) violate adequate protections previously granted to SNCH, and (iii) be used to fund non-operating expenses [Docket No. 324].

On December 18, 2014, the Court entered an Order overruling SNCH’s objection, allowing the Debtors to utilize the full amount of MLAP’s deposit to satisfy administrative expenses of the Debtors’ Estates, and authorizing the Debtors to enter into the MLAP DIP Facility (the “MLAP DIP Order”), but only allowing the Debtors to borrow up to \$800,000 of the total \$1,500,000 facility, subject to further Court Order [Docket No. 336]. Additionally, the MLAP DIP Order granted MLAP a first-priority senior perfected lien on, and security interest in, Komanoff’s assets excluding Avoidance Actions and the proceeds thereof, and a super-priority claim pursuant to § 364(c)(1) of the Bankruptcy Code, over any and all administrative expenses. The Debtors never sought Court approval to access the remaining \$700,000 under the MLAP DIP Facility.

Upon the closing of the sale of Komanoff’s Assets to MLAP, the Debtors credited \$800,000 of the purchase price to fully satisfy all of their obligations under the MLAP DIP Facility.

G. Sale of Debtors’ Assets

Initial Proposal for Sale of All the Debtors’ Assets

On the Petition Date, the Debtors’ filed the *Debtors’ Motion for Entry of (I) an Order (A) Approving Bidding Procedures for the Sale of the Debtors’ Real Estate and Designated Personal Property Assets, (B) Scheduling an Auction and Sale Hearing Related Thereto, (C) Approving the Form of Notice of the Auction and Sale Hearing, (D) Approving a Termination Fee and Expense Reimbursement* (the “Bidding Procedures Motion”); and (II) an Order (A) Approving such Sale of the Assets Free and Clear of Liens, Claims, Encumbrances and Other Interests, (B) Authorizing the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection with such Sale, (C) Allowing the Payment of Certain Valid Lien Claims and (D) Related Relief (the “Sale Motion”) [Docket No. 13] which sought approval of the Prepetition APA, subject to higher or better bids. The proposed sale of substantially all of the Debtors’ assets (the “Proposed Sale”) to SNCH, as the stalking horse bidder, consisted of total consideration of \$21 million, before considerable purchase price adjustments.

On March 13, 2014, the Court entered an Order (the “Bidding Procedures Order”) which, among other things, authorized the Debtors to conduct an auction (the “Auction”) in connection with the Proposed Sale [Docket No. 81].

Prior to the Auction, the Debtors and the Committee determined that there were four (4) qualified bids for Komanoff's assets, in addition to SNCH's bid for both LBMC and Komanoff, but no qualified bids for LBMC's assets other than SNCH's. The Auction was held on May 6, 2014. At the Auction, it was determined that the most value could be obtained by selling the assets of LBMC and Komanoff separately. After negotiations among the Debtors, the Committee, and SNCH, SNCH agreed to revise its bid to purchase only LBMC's assets (the "LBMC Assets"). MLAP was selected as the highest bidder for Komanoff's assets (the "Komanoff Assets"). The Auction resulted in significantly more value to the Debtors' Estates and, ultimately, its creditors.

Sale of the LBMC Assets

After the Auction, the Debtors and SNCH negotiated the terms of a stipulation (the "Sale Stipulation") modifying the terms of the asset purchase agreement between LBMC and SNCH. Under the Sale Stipulation, the purchase price for the LBMC Assets was \$10.25 million, subject to certain assumptions and adjustments. Among other things, (i) a debtor-in-possession loan provided by SNCH, as approved by Court Order dated March 12, 2014, in the amount of \$4.5 million, plus accrued interest and expenses, was credited against the purchase price for the sale of the LBMC Assets; (ii) \$1.25 million of the cash portion of the purchase price was allocated as consideration paid for the sale and transfer of the Debtors' rights in causes of action under Chapter 5 of the Bankruptcy Code ("Avoidance Actions"); (iii) SNCH was afforded a revised termination fee and expense reimbursement (collectively, the "Termination Fee") in the reduced aggregate amount of \$450,000; and (iv) SNCH was to be paid all amounts owed under the SNCH Pre-Petition Credit Agreement from the proceeds of any sale of the Komanoff Assets. Additionally, SNCH agreed to assume up to \$1 million of LBMC's employee obligations, which obligation was satisfied by the establishment of fund for the sole and exclusive benefit of the former employees, (the "SNCH Employee Consideration") and paid \$500,000 for LBMC's furniture, fixtures, and equipment.⁴

On May 22, 2014, the Court entered Orders approving the terms of the Sale Stipulation [Docket No. 186] and the sale of the LBMC Assets to SNCH (the "LBMC Sale Order") [Docket No. 184] free and clear of all liens, claims, encumbrances and other interests all as provided in the Sale Stipulation.

The closing of the Sale to SNCH was effective as of 12:01 a.m. on October 17, 2014 (the "LBMC Sale Effective Date") [Docket No. 272]. The LBMC Assets sold to SNCH primarily consisted of the following groups of real estate (each a "Property Grouping"): (1) a hospital facility (the "Hospital Campus"), (2) an adjacent parking lot ("Parking Lot"), (3) the FACTS Center⁵, and (4) the Offsite Premises. After applying the closing proceeds to pay back certain obligations, including the DIP Facility (as defined herein), as expressly required by the Sale Stipulation, and setting aside certain amounts for carve outs, the net proceeds of the LBMC sale

⁴ In addition, a dispute remains as to up to roughly \$36,000 in fees allegedly incurred in connection with the sale of LBMC's furniture, fixtures, and equipment. The Debtors are holding the \$36,000 in escrow and anticipate that this issue will be resolved consensually.

⁵ FACTS, located in a separate building from the Hospital, was an outpatient treatment facility which specialized in substance abuse services.

were \$3,160,329.37 for LBMC's real property assets, \$1.25 million for the sale of Avoidance Actions, and \$500,000 for the sale of LBMC's furniture, fixtures, and equipment.

Shortly after the LBMC Sale Effective Date, LBMC's former chief wind-down officer distributed letters to LBMC's former employees notifying them of the amount of their claim, based on LBMC's books and records, giving each employee an opportunity to dispute such amount. The notice provided that in the absence of an objection/response the stated amount would become the amount of their claim and used for all purposes, including making their pro-rata distributions of the SNCH Employee Consideration. An initial 30% distribution was made to former LBMC employees from the SNCH Employee Consideration, with an expected supplemental distribution to be made in the future. Distributions from the SNCH Employee Consideration first satisfied any Allowed Administrative or Priority Claims held by the former employees, with any additional amounts being a payment on account of such former employees' Allowed Unsecured Claims.

Sale of the Komanoff Assets

The original terms of MLAP's winning bid for Komanoff's assets included \$15.6 million in cash consideration, assumption of \$1.1 million in healthcare program related liabilities, and assumption of paid time off and severance obligations for Komanoff employees. The bid also included a commitment to advance \$1.5 million of additional financing to the Estates (to ultimately be credited against the purchase price), as more fully discussed in Section III.F above.

On May 22, 2014, the Court entered an order (the "MLAP Sale Order") [Docket No. 185] approving, among other things, the sale of Komanoff's assets to MLAP pursuant to certain purchase agreements by and between Komanoff and MLAP, each dated as of May 8, 2014 (collectively, the "MLAP APA") and which authorized Komanoff to enter into a receivership agreement with MLAP (the "Receivership Agreement").

Given Komanoff's weak cash position at that time, and the anticipated receiver's commitment to operate on its own account (i.e., funding and assuming all losses during the Receivership Period) it was presumed by the parties that DOH would quickly appoint MLAP, or one or more of its members, as the receiver for Komanoff. Accordingly, shortly after entry of the MLAP Sale Order, the Debtors formally requested that DOH appoint a receiver for Komanoff pending the closing of the sale to MLAP. On or about July 2, 2014, citing New York Public Health Law § 2810(1), DOH denied Komanoff's request because, in its determination, the appointment of a receiver was not necessary. DOH determined that Komanoff's bankruptcy and continuing losses did not appear to be adversely impacting the care of the residents.

Thereafter, representatives for the Debtors, the Committee, and MLAP were in regular contact with DOH and each other to address the need for a receiver, the Debtors' deteriorating financial condition, and the changing regulatory landscape in the State of New York. During the course of those discussions, the Debtors demonstrated that, while they continued to hold patient safety of paramount importance, internal projections showed a developing liquidity crisis with Komanoff unable to continue funding day-to-day operations for any extended period. Accordingly, DOH ultimately agreed to approve the receivership. On November 3, 2014 DOH approved an amended form of the Receivership Agreement (the "Amended Receivership

Agreement”) and effective as of November 3, 2014 at 12:01 p.m., MLAP assumed control of Komanoff, as receiver (the “Receivership Effective Date”). The essential terms of the Amended Receivership Agreement included:⁶

MLAP, as receiver (the “Receiver”), was to operate the Komanoff business, including, without limitation, the provision of patient care, on and after Receivership Effective Date for its own account and Receiver was solely responsible for all capital requirements of the business from and after the Receivership Effective Date.

The Receiver was authorized to borrow from Komanoff up to \$785,000 of the proceeds of accounts receivable generated prior to the Receivership Effective Date (which otherwise constituted the property of Komanoff and an Excluded Asset), and utilize such money to fund the expenses and liabilities arising out of, and relating to, the operation of Komanoff from and after the Receivership Effective Date.

The Receiver was obligated to pay all expenses and liabilities arising out of, and relating to, the operation of Komanoff’s business from and after the Receivership Effective Date.

The Receiver would (a) honor and pay any wage payment obligations for vacation, holiday time, sick pay, and personal days which accrued prior to the Receivership Effective Date; (b) make any regularly scheduled contributions to any funds that arise under any collective bargaining agreement as a consequence of satisfying any such obligation or liability of Seller; and (c) pay any severance obligations for employees terminated during the Term of Receivership.

While addressing DOH’s concerns regarding the appointment of a receiver and subsequently negotiating the terms of Amended Receivership Agreement, it became apparent to the Debtors and MLAP that the DOH was using the certificate of need (“CON”) approval process as a means of reducing the aggregate number of nursing homes beds it would license in connection with the transfer of nursing homes. DOH had also begun to impose various construction and capital requirements in the CON approval process, which the Debtors and MLAP had not taken into account as part of MLAP’s bid for Komanoff’s assets. These new requirements potentially impacted the financial viability of MLAP’s purchase and the attendant regulatory approvals needed to close.

Accordingly, the Debtors, the Committee, and MLAP agreed to restructure the sale terms, and on October 28, 2014, the Debtors filed the *Joint Motion to Authorize/Direct to Approve Amendments to the Purchase and Sale Agreement, Asset Purchase Agreement, and Receivership Agreement Relating to the Sale of the Assets and Properties of Long Beach Memorial Nursing Home, Inc.* [Docket No. 277] which, among other things, sought Court approval of amendments

⁶ The terms of the Amended Receivership Agreement, to the extent provided herein, are provided for informational purposes and are intended to be a summary of the essential terms. Parties are encouraged to review the Amended Receivership Agreement [Docket No. 277, Ex. D].

to the MLAP APA including: (i) an increased purchase price of \$15.825 million, if a CON was approved by DOH for all 200 beds in connection with the Komanoff Sale; (ii) a per-bed credit of \$81,500 against the increased purchase price if a CON was approved by DOH for less than 200 beds, but more than 150 beds; (iii) an additional per bed credit of \$77,000 for each bed under 150 beds not approved by DOH; (iv) the limited use by MLAP, as receiver, of up to \$785,000 of pre-receivership accounts receivable, which receivables were to be repaid to Komanoff on the earlier of termination of the Amended Receivership Agreement, conditional CON approval, or 150 days from the effective date of the Amended Receivership Agreement; and (v) the repayment by Komanoff of up to \$1.5 million in advances made by MLAP if CON approval was not obtained and a sale with a third party is consummated on the same or better terms than those between the Debtors and MLAP.

On December 18, 2014, the Court approved the motion, and entered an Order approving certain amendments to the MLAP APA and further amendments to the Amended Receivership Agreement [Docket No. 335].

Among the obligations MLAP ultimately assumed were accrued benefits for Komanoff's employees who were employed on the Receivership Effective Date including, without limitation, vacation, holiday time, sick pay, personal days, and any CBA required contributions to any fund related to any such obligations (collectively, the "Accrued Benefits"). After discussions between the Debtors and MLAP, the parties determined that certain employees (the "Shared Employees") earned a majority of their Accrued Benefits while employed by LBMC. The Debtors and MLAP discussed and agreed that it would be inequitable for MLAP to fully assume the Shared Employees' Accrued Benefits under the terms of the Amended Receivership Agreement and the MLAP APA. Accordingly, on August 25, 2016, the Debtors filed a motion [Docket No. 525] seeking approval of a non-material modification to the Komanoff sale documents whereby MLAP was to assume liability for 30% of the Shared Employees' Accrued Benefits, with the remaining 70% portion becoming an obligation of LBMC's Estate. On September 29, 2016, the Court entered an Order approving the motion [Docket No. 531].

The sale of the Komanoff Assets closed on August 29, 2016. In addition to the \$1.23 million MLAP previously paid as a deposit, after applying the closing proceeds to pay back certain obligations, including obligations under the MLAP DIP Facility (as defined herein), the Debtors received \$9,719,085 at closing. Pursuant to the Sale Stipulation between the Debtors and SNCH, a portion of the aforementioned proceeds of the Komanoff Sale were used to satisfy \$2,216,259.10 in outstanding SNCH Pre-Petition Obligations and the \$450,000 Termination Fee, thereby satisfying such obligations in full.

H. DISPUTES AND RESOLUTION RELATING TO LIEN PRIORITIES

PBGC Settlement

As set forth in Section II.B.4, prior to the Petition Date, the Debtors sponsored two (2) Pension Plans covering substantially all employees. The Pension Plans terminated on July 31, 2009. As a result of the termination and previously unpaid pension contributions, substantial liability arose against the Debtors for pension termination underfunding, unpaid contributions, unpaid special termination and pension insurance premiums. A significant portion of that

liability became subject to federal tax liens. As a result, PBGC became the Debtors' largest secured and unsecured creditor, holding federal liens against the Debtors' assets in excess of \$9.5 million and asserted unsecured claims of more than \$54 million, approximately 90% of the unsecured claims pool. The Debtors and the Committee, through their counsel and financial advisors, investigated the PBGC Claims and after reviewing a substantial number of documents related to the PBGC Claims, the Debtors' and Committee's professionals concluded that the PBGC Claims and associated liens were subject to certain disputes and potential objections

In an effort to resolve the dispute with respect to all of PBGC's Claims, the Debtors, the Committee, and PBGC entered into settlement discussions which ultimately resulted in a settlement agreement (the "PBGC Settlement"). On July 30, 2015 the Debtors and the Committee filed a joint motion to approve the PBGC Settlement (the "PBGC Settlement Motion") [Docket No. 421] which was approved by Court Order on November 12, 2015 (the "PBGC Settlement Order") [Docket No. 455]. The PBGC Settlement provided PBGC with, among other things, (i) a secured claim of \$9,546,934, in satisfaction of which it agreed to accept payment of \$8.5 million, which Claim remains entitled to joint and several liability across the LBMC and Komanoff Estates (the "PBGC Secured Claim") and (ii) an allowed unsecured claim of \$54,092,046.12 entitled to joint and several liability across the LBMC and Komanoff Estates, less any amount paid on account of PBGC's secured claim, subject to "subordination treatment" as set forth in the PBGC Settlement (the "PBGC Unsecured Claim").

"Subordination treatment" under the PBGC Settlement outlines a "waterfall" of payments between PBGC and other general unsecured creditors:

PBGC subordinated its right to payment on account of the PBGC Unsecured Claim to that of other unsecured creditors, such that (i) the first \$1,500,000.00 of distributable value, if any, after satisfaction of senior claims (secured, administrative and priority) will be paid only to Non-PBGC General Unsecured Creditors; (ii) once the full value of the \$1,500,000.00 subordination amount is utilized, PBGC will then be entitled to share pari-passu along with Non-PBGC General Unsecured Creditors until the point at which a total of \$2,750,000.00 in aggregate distributions have been paid to Non-PBGC General Unsecured Creditors between the Debtors' Estates; (iii) the next \$2,500,000.00 in distributable value will be paid only to and for the benefit of the PBGC on account of the PBGC Unsecured Claim; and (iv) any additional distributable value thereafter will be shared pari-passu between and among the PBGC and Non-PBGC General Unsecured Creditors.

First Central Motion, Adversary Proceeding, and the Resulting Lien Stipulation

As noted in Section II.B.3 above, as of the Petition Date, First Central held a first priority lien in the Offsite Premises. In connection therewith, prior to the Petition Date, First Central was holding cash, totaling approximately \$380,000 (the "First Central Insurance Proceeds"), for damages arising from Superstorm Sandy and fire losses to a number of the Offsite Premises. At the request of First Central, on March 20, 2015, the Court entered an Order modifying the automatic stay and permitting First Central to apply \$288,302.44 of the First Central Insurance Proceeds that were not subject to mechanics' liens towards the reduction of the principal amount

of First Central's Secured Claim [Docket No. 385]. On April 16, 2015, the Court entered an Order modifying the automatic stay to permit First Central to release the remaining \$94,779.90 of the First Central Insurance Proceeds to holders of mechanics' liens [Docket No. 393].

On June 18, 2015, First Central commenced an adversary proceeding (the "Adversary Proceeding") by filing a complaint (the "First Central Complaint") against LBMC, DASNY, and PBGC. As set forth in the First Central Complaint, First Central sought a determination of the extent, validity, and priority of all liens, claims, interests, or other encumbrances asserted in, on, to, or against the proceeds of the sale of the LBMC Assets, which included the Offsite Premises. In addition, First Central sought an Order directing the Debtors' to pay \$2,335,781.44 (the amount First Central asserted it was due on account of its consolidated note) to First Central from the sale proceeds of the LBMC Assets.

In an effort to avoid potentially costly and protracted litigation, the Debtors, Committee, First Central, DASNY, and PBGC entered into extensive negotiations which ultimately resolved the Adversary Proceeding and established the priority of the Secured Claims of First Central, DASNY, and PBGC (the "Lien Stipulation").

On November 12, 2015, after notice on all parties entitled thereto, and a hearing, the Court entered an Order approving the Lien Stipulation [Adv. Case 15-08197, Docket No. 14], thereby establishing the extent and priority of the First Central, DASNY, and PBGC liens among the LBMC Assets, as of the Petition Date.

Pursuant to the LBMC Sale Order, the lien priorities provided in the Lien Stipulation attached to the sale proceeds in the same order of priority that they would have otherwise had with respect to the assets. The proceeds of the sale of the LBMC Assets were insufficient to satisfy fully the Secured Claims of First Central, DASNY, and PBGC. Thus, no other party has secured rights in such proceeds including, without limitation, holders of mechanics liens.

The following chart summarizes the priority and validity of the various claims as agreed to in the Lien Stipulation:

<u>Claim</u>	<u>Validity</u>	<u>Priority</u>
DASNY Claim	Allowed in the amount of \$1,252,000.00	First priority secured lien on the Parking Lot.
First Central Claim	Allowed in the amount of \$2,335,781.41	First priority secured lien on the Offsite Premises.

PBGC Claims	(i) PBGC Secured Claim: secured claim of \$9,546,934 and cash payment in full satisfaction of its secured claim in an amount of up to \$8,500,000.00 subject to joint and several liability across the LBMC and Komanoff Estates in the aggregate; (ii) PBGC Unsecured Claim: \$54,092,046.12, less any amount paid on PBGC's Secured Claim and subject to the subordination treatment as set forth in the PBGC Settlement Order.	PBGC Secured Claim recognized as a first priority secured lien on the Hospital Campus and all other assets, except for the Parking Lot, and Offsite Premises, upon which it held a second priority secured lien.
-------------	---	--

In addition, the parties to the Lien Stipulation agreed that the allowed amounts of the DASNY and First Central Claims would be deemed secured and the portion of the net proceeds from the sale of the LBMC Assets payable on account of each respective allowed Claim would be determined at a later date, subject to Court approval.

The Initial Allocation Motion and the Amended Allocation Motion

On July 30, 2015, in an attempt to determine how the net sale proceeds of the LBMC Assets should be allocated, the Debtors and the Committee filed their initial motion seeking an order approving the allocation of proceeds from the sale of the LBMC Assets (the "Initial Allocation Motion") [Docket No. 422], suggesting that the relative values of each Property Grouping should be keyed to the relative assessed tax values.

After significant discussions and negotiations among the parties, the Debtors and the Committee filed an amended allocation motion (the "Amended Allocation Motion") which proposed an allocation methodology based upon an appraisal (the "C&W Appraisal") of the LBMC Assets prepared by Cushman & Wakefield of Connecticut, Inc. ("C&W") [Docket No. 467]. The Debtors and the Committee asserted that using the C&W Appraisal was a fair and reasonable alternative to the assessed tax value methodology, and one which both PBGC and DASNY agreed to support.

First Central filed an objection to the Amended Allocation Motion (the "First Central Objection") [Docket No. 475] raising purported concerns with the valuation methods used by C&W in its appraisal.

After extensive arm's length negotiations where each party was represented by counsel, in order to reduce the risk and expense associated with litigating the Amended Allocation Motion, and to provide for the prompt and efficient resolution of the allocation of the proceeds

from the sale of the LBMC Assets, the parties determined that they would be better served by amicable resolution of the contested matter.

The Allocation Stipulation

As more fully set forth in the stipulation between the Debtors, the Committee, First Central, DASNY, and PBGC (the “Allocation Stipulation”), the parties agreed to the following terms:

- (i) **First Central Claim.** In full and final settlement of the First Central Claim, including any Secured Claim, the Debtors agreed to pay First Central \$885,000 from the sale proceeds of the LBMC Assets. Upon payment of the settlement amount, First Central was to have no further rights or Claims against the Debtors’ Estates.
- (ii) **DASNY Claim.** In full and final settlement of the DASNY Claim, including any Secured Claim, the Debtors agreed to pay DASNY \$850,000 from the sale proceeds of the LBMC Assets. Upon payment of the settlement amount, DASNY was to have no further rights or Claims against the Debtors’ Estates.
- (iii) **PBGC Claims.** The balance of the sale proceeds from the LBMC Assets, or the sum of \$1,425,329.37, was to be paid to PBGC on account of its Secured Claim. PBGC was entitled to retain: (i) its Secured Claim less any amount paid on account of the sale proceeds from LBMC Assets; and (ii) its Unsecured Claim. The PBGC Claims remained subject to the subordination treatment and other compromises as set forth in the PBGC Settlement Order.

On May 11, 2016, the Court entered an order approving the Allocation Stipulation [Docket No. 506], and, thereafter, LBMC made the necessary payments to First Central, DASNY, and PBGC, pursuant to the terms of the Allocation Stipulation. Accordingly, neither First Central nor DASNY have remaining Claims against the Debtors’ Estates.

I. The Records Retention Agreement

In the course of the Debtors’ provision of health care services, the Debtors generated a large volume of records, including business and patient medical records (the “Records”). Under various federal and state laws, the Debtors have obligations with respect to the long-term storage, provision of patient access and ultimate destruction of such Records. In order to provide for the discharge of these obligations in accordance with the requirements of law, the Debtors entered into an agreement with CitiStorage LLC, a Recall Company (“CitiStorage”), pursuant to which CitiStorage agreed to retain the Records, fulfill appropriate requests therefor, and ultimately dispose of such Records. In a motion dated October 11, 2016 [Docket No. 533], the Debtors sought Court approval of the agreement with CitiStorage which was approved by a Court Order entered on December 1, 2016 [Docket No. 544]. Thereafter, the Debtors completed the transfer of the Records to CitiStorage.

The Debtors also had certain records damaged during Superstorm Sandy which were removed and frozen by a certain FEMA Vendor. Those records were stored by the FEMA Vendor at a third party location and, to date, such records remain with the FEMA Vendor. Issues remain as to whether or not such records can ultimately be restored or will instead need to be destroyed. The Debtors, or the Plan Administrator, as applicable, will continue to work with the FEMA Vendor to resolve the outstanding issues surrounding these records.

J. Claims Process and Bar Dates

On March 19, 2014, the Debtors filed their schedules of assets and liabilities and statements of financial affairs with the Court [Docket Nos. 96-99], which were amended on January 23, 2015 [Docket No. 345] (the “Schedules”), which set forth, among other things, amounts the Debtors believe they owe to various parties. In order to allow creditors to assert Claims and allow the Debtors to gauge the full extent of Claims by a date certain, the Court established a deadline for the filing of any pre-petition claims against the Debtors. On February 26, 2014, the Court entered an order (the “General Bar Date Order”) setting April 25, 2014 as the general bar date for creditors of the Debtors’ Estates to file proofs of claim relating to the pre-petition period (the “General Bar Date”) and August 18, 2014 for governmental units to file proofs of claim against the Debtors’ Estates [Docket No. 41]. The General Bar Date Order provides, except as set forth therein, that any holder of a pre-petition Claim that fails to file a timely proof of claim on or before the Bar Date shall not be permitted to vote to accept or reject any plan of liquidation or to participate in any distribution in the Cases on account of such Claim. Pursuant to the General Bar Date Order, for those creditors listed on the amended schedules filed by the Debtors on January 23, 2015, February 23, 2015 was set for such creditors of the Debtors’ Estates to file proofs of claim relating to the pre-petition period.

Prior to seeking Court approval of this Disclosure Statement, the Debtors requested that the Court establish a deadline for the filing of all administrative claims against the Debtors, incurred from and after the Petition Date, February 19, 2014, through June 30, 2016 [Docket No. 522]. By Order dated August 18, 2016 (the “Administrative Bar Date Order”), the Court established October 19, 2016 (the “Administrative Bar Date”) as the deadline for the filing of all Administrative Claims against the Debtors from the Petition Date through June 30, 2016 [Docket No. 523]. The Administrative Bar Date Order also provides, that except as set forth therein, any holder of an Administrative Claim against the Debtors who fails to file a timely administrative claim form on or before the Administrative Bar Date shall not be permitted to participate in any distribution in the Cases on account of such Claim.

Pursuant to the MLAP Sale Order, upon the Receivership Effective Date, MLAP was authorized to operate Komanoff for its own account as receiver under the terms, conditions, and limitations set forth in the Receivership Agreement and that “all obligations, debts and liabilities incurred by [MLAP] shall be the sole responsibility of [MLAP], not [Komanoff]’s estate, and shall not entitle any third party to file a claim, lien or other encumbrance against the Komanoff Debtor’s estate.” Accordingly, the Debtors intend to object to any Administrative Claims asserted against Komanoff, or any portion thereof, which arose after November 3, 2015 at 12:01 p.m. as being improperly asserted against Komanoff’s Estate. For the avoidance of doubt, Creditors holding Claims against Komanoff which arose after the Receivership Effective Date

are not barred by the Administrative Bar Date Order or their failure to file a timely proof of claim from asserting such claim against MLAP.

As of the date hereof, more than 1,900 filed and scheduled claims have been asserted against the Debtors' Estates with an aggregate asserted liability of approximately \$580 million. The claims assert varying levels of priority including administrative, secured, unsecured priority and general unsecured. A preliminary review of the Claims indicates approximately 37 Claims are seeking administrative priority for a purported aggregate liability of \$1,999,030.41. A total of 105 Claims have been filed or scheduled as Secured Claims with a purported liability of \$89,240,723.77. An additional 302 Claims have been filed or scheduled as unsecured priority claims with a total asserted liability of \$93,878,152.28. Approximately 1,268 Claims have been filed or scheduled as general unsecured claims asserting total liabilities of \$399,685,043.08.

After a preliminary review of such Claims and a comparison thereto to their books and records, the Debtors believe that the foregoing Claims include, among other things, invalid, overstated, duplicative, misclassified and/or otherwise objectionable Claims. Thus, the Debtors believe that the foregoing Claim amounts are significantly overstated and the allowed amounts will be sufficiently reduced such that the Plan is confirmable.

K. Executory Contracts and Unexpired Leases

As of the Petition Date, the Debtors were party to numerous executory contracts (*e.g.* employment contracts, service agreements and equipment leases) and leases of non-residential real property. Paragraphs 19-24 of the Bidding Procedures Order provided the manner and timeline for the Debtors to assume, assume and assign, or reject executory contracts in connection with the sales of the Debtors' assets [Docket No. 81]. In connection with the sale of the LBMC Assets, LBMC was authorized to assume and assign or reject LBMC's executory contracts, and, accordingly, during the pendency of the Cases, LBMC filed notices either rejecting or assuming and assigning certain LBMC executory contracts [Docket Nos. 194, 220, and 262]. In connection with the sale of the Komanoff Assets, Komanoff was authorized by Court Order to assume, assume and assign, or reject executory contracts through and including confirmation of any plan in these Cases [Docket No. 406]. The Plan provides for rejection of all remaining executory contracts.

L. The State of New York Department of Labor Claims

The Debtors are each not-for-profit corporations under § 501(c)(3) of the Federal Internal Revenue Code, and, as such, were able to elect one of two payment methods for discharging its obligations to the New York State Department of Labor (the "DOL"), referred to as either the "reimbursement" or "tax contribution" options. Those employers that elect the tax contribution basis remit funds to the DOL periodically as a tax. This tax is based on the employer's applicable tax rate and the annual compensation paid to its employees.

Employers that elect the reimbursement option do not make periodic payments and instead are only obligated to repay the DOL for unemployment benefits actually paid out to former employees. Like many not-for-profits, the Debtors elected to satisfy their unemployment obligations on a reimbursement basis. Accordingly, after Superstorm Sandy the Debtors'

obligations to the DOL rose precipitously at the same time their revenue stream collapsed, giving rise to a potential Claim for non-payment.

The DOL filed Claims in these Cases which assert that LBMC and Komanoff owe \$3,469,855.72 and \$546,458.71, respectively, on account of unemployment benefits the DOL paid to the Debtors' terminated employees. The DOL asserts that these Claims are either secured by state tax liens or tax warrants, or are otherwise entitled to priority status as taxes. The Plan Proponents disagree with such assertions.

On December 28, 2016, the Debtors and the Committee filed a joint motion seeking entry of a Court Order approving a stipulation between LBMC and the DOL amending and reclassifying DOL's claims against LBMC's Estate as an allowed priority claim of \$300,000 and an allowed general unsecured claim for \$3,169,855.72 [Docket No. 548]. On January 30, 2017, the Court entered an Order approving the stipulation [Docket No. 552]. The DOL's claims against Komanoff's Estate were unaffected by the stipulation.

M. The Universal Settlement

During the pendency of the Cases, the State of New York (the "State") and nursing home industry attorneys agreed to the terms of a settlement (the "Universal Settlement") whereby, in exchange for surrendering certain backlogged Medicaid rate appeals and lawsuits against the State, which relate to the prepetition period, facilities would receive \$850 million, in the aggregate, in five annual equal installments. Pursuant to the terms of the Universal Settlement, Komanoff's share of the Universal Settlement is approximately \$1.8 million, in the aggregate (the "Komanoff Share"), to be paid as five (5) annual equal distributions from the State or State agencies.

MLAP, the purchaser of Komanoff's assets, has asserted rights to all or a portion of the Komanoff Share. The Plan Proponents disagree with such assertion and the State is currently holding the first two (2) of the five (5) Komanoff Share distributions pending a determination as to the rightful owner of such funds. The Debtors continue to work with MLAP in an attempt to reach a consensual resolution, however, there can be no assurance that such a resolution will be achieved. Moreover, in the absence of a consensual resolution, the outcome of any litigation is uncertain.

N. Avoidance Actions

As part of the sale of the LBMC Assets, the Debtors sold LBMC's rights to Avoidance Actions to SNCH in exchange for \$1.25 million. With respect to Komanoff's Avoidance Actions, during the pendency of the Cases the Debtors, in consultation with the Committee, reviewed the potential causes of action, along with the anticipated defenses, and collectively determined that due to the minimal value of the potentially avoidable transactions, no Avoidance Actions would be initiated or pursued.

IV. OVERVIEW OF THE PLAN

A. General

The following is a summary intended as an overview of the Plan and is qualified in its entirety by reference to the full text of the Plan, a copy of which is annexed hereto as Exhibit A. Holders of Claims are encouraged to review the Plan and this Disclosure Statement with their counsel.

In general, a Chapter 11 plan of liquidation must (i) divide claims into separate categories and classes, (ii) specify the treatment that each category and class is to receive under such plan, and (iii) contain other provisions necessary to implement the liquidation of a debtor. A Chapter 11 plan may specify that the legal, equitable, and contractual rights of the holders of claims in certain classes are to remain unchanged by the plan. Such classes are referred to as “unimpaired” and, because of such favorable treatment, are deemed to vote to accept the plan. Accordingly, it is not necessary to solicit votes from holders of claims in such “unimpaired” classes. Pursuant to § 1124(1) of the Bankruptcy Code, a class of claims is “impaired,” and entitled to vote on a plan, unless the plan “leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder of such claim or interest.” 11 U.S.C. § 1124(1).

B. Classification of Claims

Section 1122 of the Bankruptcy Code provides that a plan of reorganization shall classify the claims of a debtor’s creditors into classes containing claims that are substantially similar. Thus, the Plan divides the holders of Claims into two (2) unclassified categories and twelve (12) Classes, and sets forth the treatment offered to each Class.⁷

For the holder of a Claim to participate in a plan of reorganization and receive the treatment offered to the class in which it is classified, its Claim must be “Allowed.” Under the Plan, “Allowed,” with reference to any Claim, means: (a) such Claim is scheduled by the Debtors pursuant to the Bankruptcy Code and Bankruptcy Rules in a liquidated amount and not listed as contingent, unliquidated, zero, undetermined or disputed, or (b) a proof of such Claim was timely filed, or deemed timely filed, pursuant to the Bankruptcy Code, the Bankruptcy Rules, and/or any applicable Final Order, and, in either case, has not been previously satisfied and (x) is not objected to within the period fixed by the Bankruptcy Code, the Bankruptcy Rules, this Plan, and/or applicable Final Orders of the Court, (y) has been settled pursuant to either Section 9.2 of the Plan, or (z) has otherwise been allowed, or in respect of Medical Malpractice/Personal Injury Claims estimated for distribution purposes, by a Final Order. An “Allowed Claim” shall be net of any amounts previously paid, as well as any valid setoff or

⁷ While the Plan Proponents believe that their classification of all Claims is in compliance with the provisions of § 1122 of the Bankruptcy Code, it is possible that a holder of a Claim may challenge the Plan Proponents’ classification scheme and the Court may find that a different classification is required for the Plan to be confirmed. In such event, it is the present intent of the Plan Proponents, to the extent permitted by the Court, to modify the Plan to provide for whatever reasonable classification might be required by the Court for Confirmation, and to use the acceptances received by the Balloting Agent from any holder of a Claim pursuant to this solicitation for the purpose of obtaining the approval of the class or classes of which such holder of a Claim is ultimately deemed to be a member.

recoupment amount based on a valid setoff or recoupment right. Except as otherwise expressly provided herein, the term “Allowed Claim” shall not, for the purposes of computation of distributions under the Plan, include any amounts not allowable under the Bankruptcy Code or applicable law.

The Plan segregates the various Claims against the Debtors into the following categories:

<u>Class</u>	<u>Claim</u>
LBMC 1	Allowed PBGC Secured Claim
LBMC 2	Allowed Other Secured Claims
LBMC 3	Allowed Priority Non-Tax Claims
LBMC 4	Allowed FEMA Claims
LBMC 5	Allowed General Unsecured Claims
LBMC 6	Allowed PBGC Unsecured Claim
Komanoff 1	Allowed PBGC Secured Claim
Komanoff 2	Allowed Other Secured Claims
Komanoff 3	Allowed Priority Non-Tax Claims
Komanoff 4	Allowed FEMA Claims
Komanoff 5	Allowed General Unsecured Claims
Komanoff 6	Allowed PBGC Unsecured Claim

Under the Plan, Claims in LBMC Classes 2 and 3 and Komanoff Classes 2 and 3 are unimpaired and Claims in LBMC Classes 1, 4, 5, and 6 and Komanoff Classes 1, 4, 5, and 6 are Impaired. Set forth below is a summary of the Plan’s treatment of the various categories and Classes of Claims. This summary is qualified in its entirety by the full text of the Plan. In the event of an inconsistency between the Plan and the description contained herein, the terms of the Plan shall govern.

UNCLASSIFIED CATEGORIES OF CLAIMS

Under the provisions of the Bankruptcy Code, Administrative Claims, Priority Tax Claims, Professional Fee Claims and U.S. Trustee Fees are not properly classified. They must be paid in full as a condition of confirmation.

a. Administrative Claims

Supplemental Administrative Claims Bar Date. Except as provided below for (1) Professional Persons requesting compensation or reimbursement for Professional Fee Claims, and (2) U.S. Trustee Fees, requests for payment of Administrative Claims, for which a Bar Date to file such Administrative Claim was not previously established, must be filed no later than forty-five (45) days after the occurrence of the Effective Date, or such later date as may be established by Order of the Court. **Holders of Administrative Claims who are required to file a request for payment of such Claims and who do not file such requests by the applicable Bar Date shall be forever barred from asserting such Claims against the Debtors or their property, and the Holder thereof shall be enjoined from commencing or continuing any action, employment of process or act to collect, offset or recover such Administrative Claim.**

Estimation of Administrative Claims. The Debtors and the Plan Administrator reserve the right, for purposes of allowance and distribution, to seek to estimate any unliquidated Administrative Claim if the fixing or liquidation of such Administrative Claim would unduly delay the administration of and distributions under the Plan (including seeking to estimate post-petition indemnification, or Medical Malpractice/Personal Injury Claims in the District Court).

Treatment. Unless the Holder of an Allowed Administrative Claim agrees to less favorable treatment, each Holder of an Allowed Administrative Claim (other than of a Professional Fee Claim), will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim: (1) on the Effective Date or as soon as practicable thereafter, or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; (2) if the Administrative Claim is not Allowed as of the Effective Date, no later than 30 days after the date on which an order of the Court Allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; (3) if the Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date, pursuant to the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim, without any further action by the Holders of such Allowed Administrative Claims; (4) at such other time that is agreed to by the Debtors and the Holders of such Allowed Administrative Claim; or (5) at such other time and on such other terms set forth by an order of the Court.

b. Priority Tax Claims

Treatment. Unless the Holder thereof shall agree to a different and less favorable treatment, each Holder of an Allowed Priority Tax Claim, in full and complete satisfaction of such Allowed Claim, shall receive payment in Cash from either Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, in an amount equal to such Allowed Priority Tax Claim on or as soon as reasonably practicable after the later of (a) the Effective Date and (b) the date on which such

Claim becomes Allowed. The Debtors estimate that Allowed Priority Tax Claims that remain to be satisfied will be minimal.

c. Professional Fee Claims

Professional Fee Claims Bar Date. All final applications for payment of Professional Fee Claims for the period through and including the Effective Date shall be filed with the Court and served on the Plan Administrator and the other parties entitled to notice pursuant to the Interim Compensation and Reimbursement Procedures Order [Docket No. 93] on or before the Professional Fee Claims Bar Date, or such later date as may be agreed to by the Plan Administrator. Any Professional Fee Claim that is not asserted in accordance with this Section 2.4(a) shall be deemed Disallowed under the Plan and the Holder thereof shall be enjoined from asserting any claim to collect, offset, recoup or recover such Claim against the Estates or any of their respective Assets or property.

Treatment. Each Holder of an Allowed Professional Fee Claim shall be paid in Cash from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, in an amount equal to such Allowed Professional Fee Claim on or as soon as reasonably practicable after the first Business Day following the date upon which such Claim becomes Allowed by Final Order, unless such Holder agrees to a different and less favorable treatment of such Claim. As of the date hereof, Debtors Counsel has been paid approximately \$1,935,466, Committee Counsel has been paid approximately \$604,527, the Committee's Financial Advisors have been paid approximately \$486,067, the Healthcare Ombudsman was paid approximately \$46,357.53, the Healthcare Ombudsman's Counsel was paid approximately \$52,446.53, and the Debtor's Claims and Noticing Agent has been paid approximately \$523,005. The aforementioned amounts have been paid on an interim basis and remain subject to final fee applications. The Debtors have budgeted an additional \$1.5 million for accrued and unpaid fees and expenses through the effective date of the Plan, which amounts include holdbacks from interim distributions.

Post Effective Date Services. The fees and expenses of professionals retained by the Plan Administrator and the Post Effective Date Committee on and after the Effective Date, shall be paid by the Plan Administrator from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, upon receipt of invoice(s) therefor, or on such other terms as the Plan Administrator and the applicable professional may agree to, without the need for further Court authorization or entry of a Final Order, but subject to the approval of the Post Effective Date Committee, which approval shall not unreasonably be withheld. If the Plan Administrator and the professional cannot agree on the amount of post Effective Date fees and expenses to be paid to such professional, such amount shall be determined by the Court.

d. U.S. Trustee Fees

The Debtors shall pay from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, all United States Trustee quarterly fees under 28 U.S.C. § 1930(a)(6), plus interest due and payable under 31 U.S.C. § 3717, if any, on all disbursements, including Plan payments and disbursements in and outside the ordinary course of the Debtors' businesses, until the entry of a final decree, dismissal of the Cases or conversion of the Cases to Chapter 7.

UNIMPAIRED CLASSES OF CLAIMS

A Chapter 11 plan may specify that the legal, equitable, and contractual rights of the holders of claims in certain classes are to remain unchanged by the plan. Such classes are referred to as "unimpaired" and, because of such favorable treatment, are deemed to vote to accept the plan. Accordingly, it is not necessary to solicit votes from holders of claims in such "unimpaired" classes. Under the Plan, LBMC Classes 2 and 3, and Komanoff Classes 2 and 3 are unimpaired and, therefore, are deemed to have accepted the Plan.

a. LBMC Class 2 – Allowed Other Secured Claims.

Composition. LBMC Class 2 consists of all Allowed Secured Claims against LBMC other than the Allowed PBGC Secured Claim and any Allowed FEMA Claims. LBMC Class 2 shall be considered a separate sub-class for each Secured Claim. The Debtors do not believe there will be any remaining Allowed Other Secured Claim as of the Effective Date.

Treatment. Except to the extent that a Holder of an Allowed LBMC Class 2 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of each and every LBMC Class 2 Claim, each Holder of an Allowed LBMC Class 2 Claim shall (a) be paid in full, in Cash, on (i) the Effective Date or as soon as practicable thereafter, (ii) if after the Effective Date, the date on which such LBMC Class 2 Claim becomes an Allowed Claim, or (iii) such other date as may be ordered by the Court; (b) shall receive the Collateral securing such LBMC Class 2 Claim; (c) receive such treatment that leaves unaltered the legal, equitable, and contractual rights to which the Holder of such Allowed LBMC Class 2 Claim is entitled; or (d) shall receive such other distribution as necessary to satisfy the requirements of § 1129 of the Bankruptcy Code. For the avoidance of doubt, to the extent that the value of the Collateral securing such Allowed LBMC Class 2 Claim is less than the amount of such Allowed LBMC Class 2 Claim, the undersecured portion of such Claim shall be treated for all purposes under the Plan as an Allowed LBMC Class 5 Claim. LBMC Class 2 is Unimpaired by the Plan and, therefore, each Holder of an Allowed LBMC Class 2 Claim is deemed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

b. LBMC Class 3 – Allowed Priority Non-Tax Claims.

Composition. LBMC Class 3 consists of Allowed Priority Non-Tax Claims against LBMC. The Debtors estimate that Allowed Priority Non-Tax Claims that remain to be satisfied will total between approximately \$500,000 and \$600,000.

Treatment. Except to the extent that a Holder of an Allowed LBMC Class 3 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of each and every LBMC Class 3 Claim, each Holder of an Allowed LBMC Class 3 Claim shall be paid in full, in Cash, on (i) the Effective Date or as soon as practicable thereafter, (ii) if after the Effective Date, the date on which such Priority Non-Tax Claim becomes an Allowed Priority Non-Tax Claim, or (iii) such other date as may be ordered by the Court. LBMC Class 3 is Unimpaired by the Plan and, therefore, each Holder of an Allowed LBMC Class 3 Claim is deemed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

c. Komanoff Class 2 – Allowed Other Secured Claims.

Composition. Komanoff Class 2 consists of all Allowed Secured Claims against Komanoff other than the Allowed PBGC Secured Claim and any FEMA Claims. Komanoff Class 2 shall be considered a separate sub-class for each Secured Claim. The Debtors anticipate remaining Komanoff Class 2 Allowed Other Secured Claims to be less than \$1,000,000.

Treatment. Except to the extent that a Holder of an Allowed Komanoff Class 2 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of each and every Komanoff Class 2 Claim, each Holder of an Allowed Komanoff Class 2 Claim shall (a) be paid in full, in Cash, on (i) the Effective Date or as soon as practicable thereafter, (ii) if after the Effective Date, the date on which such Komanoff Class 2 Claim becomes an Allowed Claim, or (iii) such other date as may be ordered by the Court; (b) shall receive the Collateral securing such Komanoff Class 2 Claim; (c) shall receive such treatment that leaves unaltered the legal, equitable, and contractual rights to which the Holder of such Allowed Komanoff Class 2 Claim is entitled; or (d) shall receive such other distribution as necessary to satisfy the requirements of § 1129 of the Bankruptcy Code. For the avoidance of doubt, to the extent that the value of the Collateral securing such Allowed Komanoff Class 2 Claim is less than the amount of such Allowed Komanoff Class 2 Claim, the undersecured portion of such Claim shall be treated for all purposes under the Plan as an Allowed Komanoff Class 5 Claim. Komanoff Class 2 is Unimpaired by the Plan and, therefore, each Holder of an Allowed Komanoff Class 2 Claim is deemed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

d. Komanoff Class 3 – Allowed Priority Non-Tax Claims.

Composition. Komanoff Class 3 consists of Allowed Non-Tax Priority Claims against Komanoff. The Debtors estimate that Allowed Priority Non-Tax Claims that remain to be satisfied will total less than approximately \$600,000.

Treatment. Except to the extent that a Holder of an Allowed Komanoff Class 3 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of each and every Komanoff Class 3 Claim, each Holder of an Allowed Komanoff Class 3 Claim shall be paid in full in Cash on (i) the Effective Date or as soon as practicable thereafter, (ii) if after the Effective Date, the date on which such Priority Non-Tax Claim becomes an Allowed Priority Non-Tax Claim, or (iii) such other date as may be ordered by the Court. Komanoff Class 3 is Unimpaired by the Plan and, therefore, each Holder of an Allowed Komanoff Class 3 Claim is deemed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

IMPAIRED CLASSES

Pursuant to § 1124 of the Bankruptcy Code, a class of claims is impaired if the legal, equitable, and contractual rights of the holders of claims in such class are modified or altered by a plan. Holders of allowed claims in impaired classes that receive or retain property under a plan of reorganization or liquidation are entitled to vote on such plan. Under the Plan, LBMC Classes 1, 4, 5, and 6 and Komanoff Classes 1, 4, 5, and 6 are impaired and are entitled to vote on the Plan.

a. LBMC Class 1 – Allowed PBGC Secured Claim.

Composition. LBMC Class 1 consists of PBGC's Allowed Secured Claim against LBMC.

Except to the extent the Holder of an Allowed LBMC Class 1 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of the LBMC Class 1 Claim, the Holder of such Claim shall receive, in Cash, from the proceeds of PBGC's Collateral up to \$7,074,670.63 on the Effective Date, or as soon as thereafter practicable, or such other date as may be ordered by the Court or agreed to by the parties. LBMC Class 1 is Impaired by the Plan and, therefore, the Holder of an Allowed LBMC Class 1 Claim is entitled to vote to accept or reject the Plan.

b. LBMC Class 4 – Allowed FEMA Claims.

Composition. LBMC Class 4 consists of Allowed FEMA Claims against LBMC.

Treatment. Except to the extent that a Holder of an Allowed FEMA Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of the LBMC Class 4 Claims, on the Effective Date, or as soon as practicable thereafter, and in lieu of any distribution from LBMC

Remaining Cash, the Holders of LBMC Class 4 Claims shall receive, in Cash, all amounts recoverable from FEMA and/or New York State, through the NYS FEMA Match Program, on account of their respective Claims. LBMC Class 4 is Impaired by the Plan and, therefore, each Holder of an Allowed LBMC Class 4 Claim is entitled to vote to accept or reject the Plan.

c. LBMC Class 5 – Allowed General Unsecured Claims.

Composition. LBMC Class 5 consists of Allowed General Unsecured Claims which arose prior to the Petition Date. The Debtors estimate that Allowed General Unsecured Claims will total in excess of approximately \$13,000,000.

Treatment. Except to the extent that a Holder of an Allowed LBMC Class 5 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of each and every LBMC Class 5 Claim, each Holder of an Allowed LBMC Class 5 Claim shall be entitled to receive, in Cash:

(a) a pro-rata distribution of Net LBMC Proceeds up to 50% of the Tranche 1 Limit, plus, an amount of additional Net LBMC Proceeds equal to the difference, if any, between \$750,000 (an amount equal to 50% of the Tranche 1 Limit) and any Distributable Value actually distributed to Holders of Allowed Komanoff Class 5 Claims; plus,

(b) to the extent any Net LBMC Proceeds remain after the Debtors actually distribute Distributable Value, in the aggregate, up to the Tranche 1 Limit, a pro-rata distribution of Net LBMC Proceeds, to be shared pari-passu with the Holder of the LBMC Class 6 Claim, up to 50% of the Tranche 2 Limit, plus, an amount of additional Net LBMC Proceeds equal to the difference, if any, between \$625,000 (an amount equal to 50% of the Tranche 2 Limit) and any Distributable Value actually distributed to Holders of Komanoff Class 5 Claims; plus,

(c) to the extent any Net LBMC Proceeds remain after the Debtors actually distribute Distributable Value, in the aggregate, up to the Tranche 2 Limit, and after PBGC receives full payment of the Subordination Amount, a pro-rata distribution of all remaining Net LBMC Proceeds, pari-passu with the Holder of the LBMC Class 6 Claim.

LBMC Class 5 is Impaired by the Plan and, therefore, each Holder of an Allowed LBMC Class 5 Claim is entitled to vote to accept or reject the Plan.

d. LBMC Class 6 – Allowed PBGC Unsecured Claim.

Composition. LBMC Class 6 consists of the Allowed PBGC Unsecured Claim. The Debtors estimate that the Allowed PBGC Unsecured Claim will total approximately \$46,015,000.

(b) after the Debtors, in the aggregate, actually distribute Distributable Value up to the Tranche 2 Limit, Net LBMC Proceeds up to the Subordination Amount; plus

Treatment. Except to the extent the Holder of an Allowed Komanoff Class 1 Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of the Komanoff Class 1 Claim, the Holder of such Claim shall receive, in Cash, the proceeds of PBGC's Collateral up to \$7,074,670.63, less any payments by LBMC made pursuant to Section 4.1 of the Plan on account of the LBMC Class 1 Claim, on the Effective Date, or as soon as thereafter practicable, or such other date as may be ordered by the Court or agreed to by the parties. Komanoff Class 1 is Impaired by the Plan and, therefore, the Holder of an Allowed Komanoff Class 1 Claim is entitled to vote to accept or reject the Plan.

f. Komanoff Class 4 – Allowed FEMA Claims.

Composition. Komanoff Class 4 consists of Allowed FEMA Claims against Komanoff.

Treatment. Except to the extent that a Holder of an Allowed FEMA Claim agrees to less favorable treatment, in exchange for full and final satisfaction, settlement, release, and discharge of the Komanoff Class 4 Claims, on the Effective Date, or as soon as practicable thereafter, and in lieu of any distribution from Komanoff Remaining Cash, the Holders of Komanoff Class 4 Claims shall receive, in Cash, all amounts recoverable from FEMA and/or New York State, through the NYS FEMA Match Program, on account of their respective Claims. g. Komanoff Class 5 – Allowed General Unsecured Claims.

C. Implementation of the Plan and Plan Administrator

(1) Implementation of the Plan. The Plan will be implemented by the Plan Administrator in a manner consistent with the terms and conditions set forth in the Plan, and the Confirmation Order.

(2) Appointment of the Plan Administrator. On the Effective Date, the monetization of the Debtors' remaining assets and causes of actions and distributions to creditors shall become the general responsibility of the Plan Administrator. The Confirmation Order shall provide for the appointment of the Plan Administrator. The selection of, and compensation for, the Plan Administrator shall be set forth in the Plan Supplement. The Plan Administrator shall be deemed the Estates' representative in accordance with § 1123 of the Bankruptcy Code and shall have all powers, authority and responsibilities specified under §§ 704 and 1106 of the Bankruptcy Code. The Plan Administrator shall obtain and maintain a bond in an amount equal to one hundred and ten percent (110%) of the aggregate of Komanoff Remaining Cash and LBMC Remaining Cash. As Komanoff Remaining Cash and LBMC Remaining Cash are reduced through distributions and payments by the Plan Administrator and/or additional Cash comes into the Estates, the Plan Administrator shall, at the appropriate time, adjust the amount of the bond to an amount equal to at least 110% of the amount of Cash in the Estates. The Plan Administrator may use Estate Assets to obtain such bond and the cost of such bond shall be apportioned equally between the Debtors' Estates.

(3) Duties of the Plan Administrator. The Plan Administrator will act for the each of the Debtors in the same capacity as applicable to a board of directors, subject to the provisions of the Plan. On the Effective Date, the Plan Administrator shall succeed to all of the rights of the Debtors with respect to the Assets necessary to protect, conserve, and liquidate all Assets as quickly as reasonably practicable, including, without limitation, control over (including the right to waive) all attorney-client privileges, work-product privileges, accountant-client privileges and any other evidentiary privileges relating to the Assets that, prior to the Effective Date, belonged

to the Debtors pursuant to applicable law. The powers and duties of the Plan Administrator shall include, without further order of the Court, except where expressly stated otherwise, the rights:

- (i) to invest Cash in accordance with § 345 of the Bankruptcy Code, and withdraw and make distributions of Cash to Holders of Allowed Claims and pay taxes and other obligations owed by the Debtors or incurred by the Plan Administrator in connection with the wind-down of the Estates in accordance with the Plan;
- (ii) to receive, manage, invest, supervise, and protect the Assets, including paying taxes or other obligations incurred in connection with administering the Assets;
- (iii) subject to the approval of the Post Effective Date Committee (which approval shall not be unreasonably withheld), to engage attorneys, consultants, agents, employees and all professional persons, to assist the Plan Administrator with respect to the Plan Administrator's responsibilities;
- (iv) subject to the approval of the Post Effective Date Committee (which approval shall not be unreasonably withheld), or further Order of the Court, to pay the fees and expenses for the attorneys, consultants, agents, employees and professional persons engaged by the Plan Administrator and the Post Effective Date Committee and to pay all other expenses in connection with administering the Plan and for winding down the affairs of the Debtors in each case in accordance with the Plan;
- (v) to execute and deliver all documents, and take all actions, necessary to consummate the Plan and wind-down the Debtors' business;
- (vi) subject to the approval of the Post Effective Date Committee (which approval shall not be unreasonably withheld), to dispose of, and deliver title to others of, or otherwise realize the value of, all the remaining Assets;
- (vii) to coordinate the collection of outstanding accounts receivable;
- (viii) to coordinate the storage and maintenance of the Debtors' books and records;
- (ix) to oversee compliance with the Debtors' accounting, finance and reporting obligations;
- (x) to prepare monthly operating reports and financial statements and United States Trustee quarterly reports;
- (xi) to oversee the filing of final tax returns, audits and other corporate dissolution documents if required;

- (xii) to perform any additional corporate actions as necessary to carry out the wind-down, liquidation and ultimate dissolution of the Debtors;
- (xiii) to communicate regularly with and respond to inquiries from the Post Effective Date Committee and its professionals, including providing to the Post Effective Date Committee regular cash budgets, information on all disbursements on a monthly basis, and copies of bank statements on a monthly basis;
- (xiv) subject to Section 9.1 of the Plan, to object to Claims against the Debtors;
- (xv) subject to Section 9.2(b) of the Plan, to compromise and settle Claims against the Debtors;
- (xvi) to act on behalf of the Debtors in all adversary proceedings and contested matters (including, without limitation, any Causes of Action), then pending or that can be commenced in the Court and in all actions and proceedings pending or commenced elsewhere, and to settle, retain, enforce, or dispute any adversary proceedings or contested matters (including, without limitation, any Causes of Action) and otherwise pursue actions involving Assets of the Debtors that could arise or be asserted at any time under the Bankruptcy Code or otherwise, unless otherwise specifically waived or relinquished in the Plan, provided, however, that settlements by the Plan Administrator of Causes of Action shall be subject to the approval of the Post Effective Date Committee. The Plan Administrator shall give notice to the Post Effective Date Committee of a settlement of a Cause of Action. The Post Effective Date Committee shall have ten (10) days after service of such notice to object to such settlement. Any such objection shall be in writing and sent to the Plan Administrator and the settling party. If no written objection is received by the Plan Administrator and the settling party prior to the expiration of such ten (10) day period, the Plan Administrator and the settling party shall be authorized to enter into the proposed settlement without a hearing or Court approval. If a written objection is timely received, the Plan Administrator, the settling party and the Post Effective Date Committee shall use good-faith efforts to resolve the objection. If the objection is resolved, the Plan Administrator and the settling party may enter into the proposed settlement (as and to the extent modified by the resolution of the objection) without further notice of hearing or Court approval;
- (xvii) to implement and/or enforce all provisions of the Plan;
- (xviii) to implement and/or enforce all agreements entered into prior to the Effective Date, and

- (xix) to use such other powers as may be vested in or assumed by the Plan Administrator pursuant to the Plan or Court Order or as may be necessary and proper to carry out the provisions of the Plan.

D. Post Effective Date Committee

a. On the Effective Date, the Committee shall continue as the Post Effective Date Committee. The Post Effective Date Committee shall be comprised of the members of the Committee, unless any particular member thereof opts not to be a member thereof. If a member of the Post Effective Date Committee resigns or is removed, a replacement who holds an Unsecured Claim against the Debtors may be appointed by the remaining members of the Post Effective Date Committee. The duties and powers of the Post Effective Date Committee shall terminate upon the closing of the Cases. The Post Effective Date Committee's role shall be to consult with the Plan Administrator, and to perform the functions set forth in the Plan.

b. The Post Effective Date Committee shall have the power and authority to utilize the services of its pre-Effective Date counsel and financial advisor as necessary to perform the duties of the Post Effective Date Committee and to authorize and direct such Persons to act on behalf of the Post Effective Date Committee in connection with any matter requiring its attention or action. The Plan Administrator shall pay the reasonable and necessary fees and expenses of the Post Effective Date Committee's counsel and financial advisor without the need for Court approval.

c. Except for the reimbursement of reasonable, actual costs and expenses incurred in connection with their duties as members of the Post Effective Date Committee, the members of the Post Effective Date Committee shall serve without compensation. Reasonable expenses incurred by members of the Post Effective Date Committee may be paid by the Plan Administrator without need for Court approval.

d. The Plan Administrator shall report all material matters to the Post Effective Date Committee.

e. If the Plan Administrator does not consent to the Post Effective Date Committee's prosecution of a Cause of Action of the Debtors, the Post Effective Date Committee may seek authority and standing from the Court to prosecute such Cause of Action, and all rights of the Plan Administrator to object or otherwise oppose such relief are reserved.

E. Distributions

(1) Plan Distributions. The Plan Administrator shall make distributions to Holders of Allowed Claims in accordance with Article IV of the Plan on the Effective Date. From time to time, in consultation with the Post Effective Date Committee, the Plan Administrator shall make Pro Rata distributions to Holders of Allowed LBMC Class 5, LBMC Class 6, Komanoff Class 5, and Komanoff Class 6 Claims in accordance with Article IV of the Plan. Notwithstanding the foregoing, the Plan Administrator may retain such amounts (i) as are reasonably necessary to meet contingent liabilities (including Disputed Claims and unliquidated Medical

Malpractice/Personal Injury Claims) and to maintain the value of the assets of the Estates during liquidation, (ii) to pay reasonable administrative expenses (including the costs and expenses of the Plan Administrator and the Post Effective Date Committee and the fees, costs and expenses of all professionals retained by the Plan Administrator and the Post Effective Date Committee, and any taxes imposed in respect of the Assets), (iii) to satisfy other liabilities to which the Assets are otherwise subject, in accordance with the Plan, and (iv) to establish any necessary reserve. All distributions to the Holders of Allowed Claims shall be made in accordance with the Plan. The Plan Administrator may withhold from amounts distributable to any Person any and all amounts determined in the Plan Administrator's reasonable sole discretion to be required by any law, regulation, rule, ruling, directive or other governmental requirement. Holders of Allowed Claims shall, as a condition to receiving distributions, provide such information and take such steps as the Plan Administrator may reasonably require to ensure compliance with withholding and reporting requirements and to enable the Plan Administrator to obtain certifications and information as may be necessary or appropriate to satisfy the provisions of any tax law. In the event that a Holder of an Allowed Claim does not comply with the Plan Administrator's requests in the preceding sentence within ninety (90) days, no distribution shall be made on account of such Allowed Claim and the Plan Administrator shall reallocate such distribution for the benefit of all other Holders of Allowed Claims in accordance with the Plan.

(2) Cash Distributions. The Plan Administrator shall not be required to make interim or final Cash distributions in an amount less than \$100. Any funds so withheld and not distributed on an interim basis shall be distributed in subsequent distributions to the extent the aggregate distribution exceeds \$10,000. Should a final distribution to any Holder of an Allowed Claim not equal or exceed \$100, that sum shall be distributed to other Holders of Allowed Claims in accordance with the Plan.

(3) Delivery of Plan Distributions. All distributions under the Plan on account of any Allowed Claims shall be made at the address of the Holder of such Allowed Claim as set forth in a filed Proof of Claim or on the register on which the Plan Administrator records the name and address of such Holders or at such other address as such Holder shall have specified for payment purposes in a written notice to the Plan Administrator at least fifteen (15) days prior to such distribution date. In the event that any distribution to any Holder is returned as undeliverable, the Plan Administrator shall use reasonable efforts to determine the current address of such Holder, but no distribution to such Holder shall be made unless and until the Plan Administrator has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; provided, however, that such undeliverable or unclaimed distributions shall become Unclaimed Property at the expiration of ninety (90) days from the date such distribution was originally made. The Plan Administrator shall reallocate the Unclaimed Property for the benefit of all other Holders of Allowed Claims in accordance with the Plan, provided, however, if the Plan Administrator determines, with the approval of the Post Effective Date Committee, that the administrative costs of distribution effectively interfere with distribution or that all creditors, including administrative claimants, have been paid in full and there is no one that has a right to the funds, such remaining Unclaimed Property shall be donated to the American Bankruptcy Institute Endowment Fund, a not-for-profit, non-religious organization dedicated to, among other things, promoting research and scholarship in the area of insolvency.

(4) Distributions to Holders as of the Confirmation Date. As of the close of business on the Confirmation Date, the claims register shall be closed, and there shall be no further changes in the record Holders of any Claims. Neither the Debtors nor the Plan Administrator, as applicable, shall have any obligation to recognize any transfer of any Claims occurring after the close of business on the Confirmation Date, and shall instead be entitled to recognize and deal for all purposes under the Plan (except as to voting to accept or reject the Plan pursuant to Section 6 of the Plan) with only those Holders of record as of the close of business on the Confirmation Date.

(5) Windup. With respect to each Estate, after (a) the Plan has been fully administered, (b) all Disputed Claims have been resolved, (c) all Causes of Action have been resolved, and (d) all Assets have been reduced to Cash or abandoned, the Plan Administrator shall effect a final distribution of all Cash remaining (after reserving sufficient Cash to pay all unpaid expenses of administration of the Plan and all expenses reasonably expected to be incurred in connection with the final distribution) to Holders of Allowed Claims in accordance with the Plan.

F. Separate Plans

Although the Plan is presented as a joint plan of liquidation, the Plan does not provide for the substantive consolidation of the Debtors' Estates, and on the Effective Date, the Debtors' Estates shall not be substantively consolidated for any reason. Except as specifically set forth in the Plan, nothing in the Plan shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor. A Claim against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for all purposes including, but not limited to, voting and distribution; provided, however, that no Claim will receive value in excess of 100% of the Allowed amount of such Claim.

G. Executory Contracts and Unexpired Leases

(1) Assumption or Rejection of Executory Contracts. Effective on and as of the Confirmation Date, all Executory Contracts shall be specifically deemed rejected, except for any Executory Contract (a) that has been specifically assumed or assumed and assigned by the Debtors on or before the Confirmation Date with the approval of the Court, (b) in respect of which a motion for assumption or assumption and assignment has been filed with the Court on or before the Confirmation Date, or (c) that is specifically designated as a contract to be assumed on a schedule to the Plan, which schedule, if any, shall be filed as part of the Plan Supplement.

(2) Approval of Assumption or Rejection of Executory Contracts. Entry of the Confirmation Order by the Clerk of the Court, but subject to the condition that the Effective Date occur, shall constitute (a) the approval, pursuant to §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, of the assumption or assumption and assignment of the Executory Contracts assumed or assumed and assigned pursuant to Section 8.1 of the Plan, and (b) the approval, pursuant to §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection of the Executory Contracts rejected pursuant to Section 8.1 of the Plan.

(3) Bar Date for Filing Proofs of Claim Relating to Executory Contracts Rejected Pursuant to the Plan. Claims against the Debtors arising out of the rejection of Executory Contracts pursuant to the Plan must be filed with the Court no later than forty-five (45) days after the later of service of (a) notice of entry of an order approving the rejection of such Executory Contract which Order may be the Confirmation Order, or (b) notice of occurrence of the Effective Date. Any such Claims not filed within such time shall be forever barred from assertion against the Debtors and any and all of their respective properties and Assets.

(4) Compensation and Benefit Programs. To the extent not previously terminated, all employment and severance agreements and policies, and all employee compensation and benefit plans, policies and programs of the Debtors applicable generally to their respective current employees or officers as in effect on the Confirmation Date, including, without limitation, all savings plans, retirement plans, health care plans, disability plans, severance benefit plans, incentive plans and life, accidental death and dismemberment insurance plans, shall be terminated as of the Confirmation Date.

H. Provisions for Resolving and Treating Claims

(1) Disputed Claims. Except as otherwise provided herein, the Plan Administrator shall have the right to object to all Claims on any basis, including those Claims that are not listed in the Schedules, that are listed therein as disputed, contingent, and/or unliquidated, that are listed therein at a lesser amount than asserted by the respective Creditor, or that are listed therein for a different category of claim than asserted by the respective Creditor. Subject to further extension by the Court for cause with or without notice, the Plan Administrator may object to the allowance of LBMC Class 5 Claims and Komanoff Class 5 Claims up to one hundred eighty (180) days after the Effective Date, the allowance of Administrative/Priority Claims and Secured Claims up to the later of (i) ninety (90) days after the Effective Date or (ii) the deadline for filing an objection established by order of the Court; provided, however, that an objection to a Claim based on § 502(d) of the Bankruptcy Code may be made at any time in any adversary proceeding against the Holder of any relevant Claim. The filing of a motion to extend the deadline to object to any Claims shall automatically extend such deadline until a Final Order is entered on such motion. In the event that such motion to extend the deadline to object to Claims is denied by the Court, such deadline shall be the later of the current deadline (as previously extended, if applicable) or 30 days after the Court's entry of an order denying the motion to extend such deadline. From and after the Effective Date, the Plan Administrator shall succeed to all of the rights, defenses, offsets, and counterclaims of the Debtors and the Committee in respect of all Claims, and in that capacity shall have the power to prosecute, defend, compromise, settle, and otherwise deal with all such objections, subject to the terms of the Plan. The Debtors and the Plan Administrator reserve the right, for purposes of allowance and distribution, to estimate pursuant to § 502(c) of the Bankruptcy Code any unliquidated Medical Malpractice/Personal Injury Claims in the District Court.

(2) Settlement of Disputed Claims. Pursuant to Bankruptcy Rule 9019(b), the Plan Administrator may settle any Disputed Claim (or aggregate of Claims if held by a single Creditor), respectively, without notice, a Court hearing, or Court approval.

The Plan Administrator shall give notice to the Post Effective Date Committee of (i) a settlement of any Disputed LBMC Class 5 Claim or Komanoff Class 5 Claim (or aggregate of Claims if held by a single Creditor) that results in the disputed portion of such Disputed LBMC Class 5 Claim(s) or Komanoff Class 5 Claim(s) being Allowed in an amount in excess of \$100,000, (ii) a settlement of any Disputed Administrative/Priority Claims, or (iii) settlement of any Disputed Secured Claims. The Post Effective Date Committee shall have ten (10) days after service of such notice to object to such settlement. Any such objection shall be in writing and sent to the Plan Administrator and the settling party. If no written objection is received by the Plan Administrator and the settling party prior to the expiration of such ten (10) day period, the Plan Administrator and the settling party shall be authorized to enter into the proposed settlement without a hearing or Court approval. If a written objection is timely received, the Plan Administrator, the settling party and the objecting party shall use good-faith efforts to resolve the objection. If the objection is resolved, the Plan Administrator and the settling party may enter into the proposed settlement (as and to the extent modified by the resolution of the objection) without further notice of hearing or Court approval, provided that the Claim of the settling party against the Estates shall not be greater under the proposed settlement than that disclosed in the notice.

(3) No Distributions Pending Allowance. Notwithstanding any provision in the Plan to the contrary, no partial payments and no partial distributions shall be made by the Plan Administrator with respect to any portion of any Claim against the Debtors if such Claim or any portion thereof is a Disputed Claim. In the event and to the extent that a Claim against the Debtors becomes an Allowed Claim after the Effective Date, the Holder of such Allowed Claim shall receive all payments and distributions to which such Holder is then entitled under the Plan.

I. Conditions to Confirmation and Effectiveness of the Plan

(1) Conditions to Confirmation. The following conditions are conditions precedent to Confirmation of the Plan unless waived by the Plan Proponents pursuant to Section 10.3 of the Plan: (i) the Confirmation Order must be in a form and substance reasonably acceptable to the Plan Proponents; and (ii) the Confirmation Order shall:

(a) authorize the appointment of all parties appointed under or in accordance with the Plan, including, without limitation, the Plan Administrator, and direct such parties to perform their obligations under such documents;

(b) approve in all respects the transactions, agreements, and documents to be effected pursuant to the Plan;

(c) authorize the Plan Administrator and the Post Effective Date Committee to assume the rights and responsibilities fixed in the Plan;

(d) approve the releases and injunctions granted and created by the Plan;

(e) order, find, and decree that the Plan complies with all applicable provisions of the Bankruptcy Code, including that the Plan was proposed in good faith; and

(f) except as otherwise specifically provided in the Plan, order that nothing herein operates as a discharge, release, exculpation, or waiver of, or establishes any defense or limitation of damages to, any Claim or Cause of Action belonging to the Estates.

(2) Conditions to Effective Date. The Plan shall not become effective unless and until the following conditions shall have been satisfied or waived pursuant to Section 10.3 of the Plan:

(a) the Confirmation Date shall have occurred and the Confirmation Order, in a form consistent with the requirements of Section 10.1 of the Plan, shall have become a Final Order;

(b) the Plan Administrator shall have been appointed;

(c) all actions, documents and agreements necessary to implement the provisions of the Plan, and such actions, documents, and agreements shall have been effected or executed and delivered; and

(d) all other actions required by the Plan to occur on or before the Effective Date shall have occurred.

J. Modification, Revocation or Withdrawal of the Plan

(1) Modification of Plan. The Plan Proponents may alter, amend or modify the Plan pursuant to § 1127 of the Bankruptcy Code at any time prior to the Confirmation Date. After such time and prior to substantial consummation of the Plan, the Plan Proponents may, so long as the treatment of Holders of Claims against the Debtors under the Plan is not adversely affected, institute proceedings in Court to remedy any defect or omission or to reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, and any other matters as may be necessary to carry out the purposes and effects of the Plan; provided, however, notice of such proceedings shall be served in accordance with Bankruptcy Rule 2002 or as the Court shall otherwise order.

(2) Revocation or Withdrawal of Plan. The Plan Proponents reserve the right to revoke or withdraw the Plan at any time prior to the Effective Date. If the Plan Proponents revoke or withdraw the Plan prior to the Effective Date, then the Plan shall be deemed null and void, and nothing contained in the Plan shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors.

K. Injunction, Releases and Exculpation

a. Injunction. **Except as otherwise expressly provided in the Plan including, without limitation, the treatment of Claims against the Debtors, the entry of the Confirmation Order shall, provided that the Effective Date shall have occurred, operate to enjoin permanently all Persons that have held, currently hold or may hold a Claim against the Debtors, from taking any of the following actions**

against the Debtors, the Plan Administrator, the Committee or members thereof, the Post Effective Date Committee or members thereof, present and former directors, officers, trustees, agents, attorneys, advisors, members or employees of the Debtors and the Committee, or any of their respective successors or assigns, or any of their respective assets or properties, on account of any Claim against the Debtors: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind with respect to a Claim against the Debtors; (b) enforcing, levying, attaching, collecting or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree or order with respect to a Claim against the Debtors; (c) creating, perfecting or enforcing in any manner, directly or indirectly, any lien or encumbrance of any kind with respect to a Claim against the Debtors; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any Debt, liability or obligation due to the Debtors or their property or Assets with respect to a Claim against the Debtors; and (e) proceeding in any manner in any place whatsoever that does not conform to or comply with or is inconsistent with the provisions of the Plan; provided, however, nothing in this injunction shall preclude the Holder of a Claim against the Debtors from pursuing any applicable insurance after the Cases are closed, from seeking discovery in actions against third parties or from pursuing third-party insurance that does not cover Claims against the Debtors; provided further, however, nothing in this injunction shall limit the rights of a Holder of an Allowed Claim against the Debtors to enforce the terms of the Plan.

b. Releases by Debtors. Upon the Effective Date, the Debtors conclusively, absolutely, unconditionally, irrevocably and forever release and discharge each of the Debtors' Release Parties of and from any and all past, present and future legal actions, causes of action, choses in action, rights, demands, suits, claims, liabilities, encumbrances, lawsuits, adverse consequences, amounts paid in settlement, costs, fees, damages, debts, deficiencies, diminution in value, disbursements, expenses, losses and other obligations of any kind, character or nature whatsoever, whether in law, equity or otherwise (including, without limitation, those arising under applicable non-bankruptcy law, and any and all alter-ego, lender liability, indemnification or contribution theories of recovery, and interest or other costs, penalties, legal, accounting and other professional fees and expenses, and incidental, consequential and punitive damages payable to third parties), whether known or unknown, fixed or contingent, direct, indirect, or derivative, asserted or unasserted, foreseen or unforeseen, suspected or unsuspected, now existing, heretofore existing or which may have heretofore accrued, occurring from the beginning of time to and including the Effective Date and/or related in any way to, directly or indirectly, and/or arising out of and/or connected with, any or all of the Debtors and their Estates, the Cases, the Debtors' pre-petition financing arrangements, the Debtors' financial statements, the Debtors' debtor in possession financing facility and/or the Debtors' cessation of operations (including any such claims based on theories of alleged negligence, misrepresentation, nondisclosure or breach of fiduciary duty); *provided, however*, that nothing in Section 13.2(a) of the Plan shall (i) affect the liability of any Person

due to fraud, willful misconduct, or gross negligence, as determined by a Final Order; (ii) shall operate or be a release by any Professional Persons of any Professional Fee Claims; or (iii) shall release, limit or affect the Debtors' and/or the Plan Administrators obligations under the Plan. For the avoidance of doubt, Section 13.2(a) of the Plan shall not release, limit or affect Causes of Action of the Debtors.

c. **Releases by Holders of Claims.** To the greatest extent permissible by law and except as otherwise provided in the Plan, as of the Effective Date, (i) each Holder of a Claim against the Debtors, (ii) each Person that receives and retains a distribution under the Plan, (iii) each Person who obtains a release under the Plan or obtains the benefit of an injunction provided pursuant to the Plan, and (iv) each Person who received any benefit from any third party payer, including, without limitation, governmental agencies and/or insurance providers on account of a Claim against the Debtors shall be deemed to have conclusively, absolutely, unconditionally, irrevocably and forever released and discharged each of the Debtors, the Committee, the Patient Care Ombudsman and their respective directors, officers, trustees, agents, attorneys, advisors, members and employees (solely in their capacity as such) of and from any and all past, present and future legal actions, causes of action, choses in action, rights, demands, suits, claims, liabilities, encumbrances, lawsuits, adverse consequences, amounts paid in settlement, costs, fees, damages, debts, deficiencies, diminution in value, disbursements, expenses, losses and other obligations of any kind, character or nature whatsoever, whether in law, equity or otherwise (including, without limitation, those arising under applicable non-bankruptcy law, and any and all alter-ego, lender liability, indemnification or contribution theories of recovery, and interest or other costs, penalties, legal, accounting and other professional fees and expenses, and incidental, consequential and punitive damages payable to third parties), whether known or unknown, fixed or contingent, direct, indirect, or derivative, asserted or unasserted, foreseen or unforeseen, suspected or unsuspected, now existing, heretofore existing or which may have heretofore accrued against the Debtors, the Committee, the Patient Care Ombudsman or their respective present directors, officers, trustees, agents, attorneys, advisors, members or employees (solely in their capacity as such) occurring from the beginning of time to and including the Effective Date, related in any way to, directly or indirectly, and/or arising out of and/or connected with, any or all of the Debtors and their Estates, or the Cases; provided, however, that Section 13.2(b) of the Plan shall not affect the liability of any Person due to fraud, willful misconduct or gross negligence as determined by a Final Order. Nothing in Section 13.2(b) of the Plan shall be deemed to release or impair Allowed Claims against the Debtors, which Allowed Claims against the Debtors shall be treated as set forth in the Plan. For the avoidance of doubt, nothing in Section 13.2(b) of the Plan shall release, limit or affect Causes of Action of the Debtors.

d. **Exculpation.** None of (i) Garfunkel Wild, P.C., in its capacities as counsel to the Debtors or counsel to the Plan Administrator; (ii) Loeb and Trooper, in its capacity as the Debtors' auditor; (iii) the Debtors' trustees, in-house counsel,

officers and directors (in their capacities as such); (iv) the Plan Administrator and her representatives (in their capacities as such); (v) the Committee and the Post Effective Date Committee; (vi) the members of the Committee and the members of the Post Effective Date Committee, in their capacities as members of the Committee and as members of the Post Effective Date Committee; (vii) Klestadt Winters Jureller Southard & Stevens, LLP, in its capacities as counsel to the Committee and as counsel to the Post Effective Date Committee; (viii) Deloitte Transactions and Business Analytics LLP, Polsky Advisors LLC, and Getzler Henrich & Associates LLC in their capacity as financial advisor to the Committee; (ix) Getzler Henrich & Associates LLC in its capacity as financial advisor to the Post Effective Date Committee; (x) Laura W. Patt in her capacity as the Patient Care Ombudsman for Komanoff; (xi) Tarter Krinsky & Drogin LLP in its capacity as counsel to the Patient Care Ombudsman; or (xii) Vernon Consulting, Inc. in its capacity as medical operations advisor to the Patient Care Ombudsman, shall have or incur any liability for any act or omission in connection with, related to, or arising out of, the Cases, the formulation, preparation, dissemination, implementation, confirmation, or approval of the Plan, the administration of the Plan or the property to be distributed under the Plan, or any contract, instrument, release, or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan; provided, however, that (i) nothing in Section 13.3 of the Plan shall affect the liability of any Person that would result from any such act or omission to the extent that act or omission is determined by a Final Order of the Court to have constituted willful misconduct, gross negligence or failure to fully comply with Rule 1.8(h)(1) of the New York Rules of Professional Conduct; and in all respects, such Persons shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan and shall be fully protected from liability in acting or refraining to act in accordance with such advice; (ii) nothing in Section 13.3 of the Plan shall release, limit or affect Avoidance Actions of the Debtors; and (iii) nothing in Section 13.3 of the Plan shall release, limit or affect the Debtors' and/or the Plan Administrator's obligations under the Plan.

e. Indemnification. The Plan Administrator and the members of the Post Effective Date Committee shall be indemnified and receive reimbursement against and from all loss, liability, expense (including counsel fees) or damage which the Plan Administrator or the members of the Post Effective Date Committee may incur or sustain in the exercise and performance of any of their respective powers and duties under the Plan, to the full extent permitted by law, except if such loss, liability, expense or damage is finally determined by a court of competent jurisdiction to result solely from the Plan Administrator's or the Post Effective Date Committee member's willful misconduct, fraud, intentional misconduct or gross negligence. The amounts necessary for such indemnification and reimbursement shall be paid by the Plan Administrator out of Cash held by the Plan Administrator under the Plan. The Plan Administrator shall not be personally liable for this indemnification obligation or the payment of any expense of administering the Plan or any other liability incurred in connection with the Plan, and no person shall look to the Plan Administrator personally for the payment of any such expense or liability. This indemnification shall survive the death, resignation or removal,

as may be applicable, of the Plan Administrator and/or the members of the Post Effective Date Committee, and shall inure to the benefit of the Plan Administrator's and the Post Effective Date Committee members' and their respective successors, heirs and assigns, as applicable.

f. **Preservation and Application of Insurance.** The provisions of the Plan, including without limitation the release and injunction provisions contained in the Plan, shall not diminish or impair in any manner the enforceability and/or coverage of any insurance policies (and any agreements, documents, or instruments relating thereto) that may cover Claims (including Medical Malpractice/Personal Injury Claims) against the Debtors, any directors, trustees or officers of the Debtors, or any other Person, other than as expressly as set forth herein. For the avoidance of doubt, and as set forth in the Plan, all of the Debtors' insurance policies, or third party policies whether or not the Debtors are named as additional insured parties, and the proceeds thereof shall be available to Holders of Medical Malpractice/Personal Injury Claims to the extent such insurance policies cover such Medical Malpractice/Personal Injury Claims. In addition, such insurance policies and proceeds thereof shall be available to Holders of Medical Malpractice/Personal Injury Claims for the purpose of satisfying Medical Malpractice/Personal Injury Claims estimated pursuant to § 502(c) of the Bankruptcy Code or in accordance with the Plan.

g. **Cause of Action Injunction.** **On and after the Effective Date, all Persons other than the Plan Administrator and, to the extent applicable pursuant to Section 5.11 of the Plan, the Post Effective Date Committee will be permanently enjoined from commencing or continuing in any manner any action or proceeding (whether directly, indirectly, derivatively or otherwise) on account of, or respecting any, Claim, debt, right or Cause of Action that the Plan Administrator retains authority to pursue in accordance with the Plan.**

V. **ACCEPTANCE AND CONFIRMATION OF THE PLAN**

The following is a brief summary of the provisions of the Bankruptcy Code respecting acceptance and confirmation of a plan. Holders of Claims are encouraged to review the relevant provisions of the Bankruptcy Code and/or to consult their own attorneys and tax advisors.

A. **Acceptance of the Plan**

The Bankruptcy Code defines acceptance of a plan by a class of Claims as acceptance by holders of at least two-thirds in dollar amount, and more than one-half in number, of the allowed Claims of that Class that have actually voted or are deemed to have voted to accept or reject a plan.

If one or more impaired classes of Claims rejects the Plan, the Plan Proponents may, in their discretion, nevertheless seek confirmation of the Plan if the Debtors believe that they will be able to meet the requirements of § 1129(b) of the Bankruptcy Code for Confirmation of the Plan (which are set forth below), despite lack of acceptance by all impaired Classes.

B. Confirmation**(1) Confirmation Hearing**

Section 1128(a) of the Bankruptcy Code requires the Court, after notice, to hold a hearing on confirmation of a plan. Notice of the Confirmation Hearing respecting the Plan has been provided to all known holders of Claims or their representatives, along with this Disclosure Statement. The Confirmation Hearing may be adjourned from time to time by the Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any subsequent adjourned Confirmation Hearing.

Section 1128(b) of the Bankruptcy Code provides that any party-in-interest may object to confirmation of a plan. Any objection to Confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the Local Rules of the Court, must set forth the name of the objectant, the nature and amount of Claims held or asserted by the objectant against the Debtors' Estates or property, the basis for the objection, the specific grounds in support thereof and, if practicable, a proposed modification to the Plan that would resolve such objection. Such objection must be filed with the Court, with a copy forwarded directly to the Chambers of the Honorable Alan S. Trust, United States Bankruptcy Court, together with proof of service thereof, and served upon (a) counsel to the Debtors, Garfunkel Wild, P.C., 111 Great Neck Road, Great Neck, New York 11021 (Attn: Burton S. Weston, Adam T. Berkowitz, and Phillip Khezri); (b) counsel to the Committee, Klestadt Winters Jureller Southard & Stevens, LLP, 200 West 41st Street, 17th Floor, New York, New York 10036 (Attn: Sean C. Southard, Fred Stevens, and Lauren C. Kiss); and (c) the Office of the United States Trustee, Alfonse D'Amato Federal Courthouse, 560 Federal Plaza, Central Islip, NY 11722 (Attn: Alfred M. Dimino), so as to be received no later than the date and time designated in the notice of the Confirmation Hearing.

(2) Statutory Requirements for Confirmation of the Plan

At the Confirmation Hearing, the Plan Proponents will request that the Court determine that the Plan satisfies the requirements of § 1129 of the Bankruptcy Code. If so, the Court shall enter an order confirming the Plan. The applicable requirements of § 1129 of the Bankruptcy Code are as follows:

1. The Plan must comply with the applicable provisions of the Bankruptcy Code.
2. The Plan Proponents must have complied with the applicable provisions of the Bankruptcy Code.
3. The Plan has been proposed in good faith and not by any means forbidden by law.
4. Any payment made or promised to be made by the Plan Proponents under the Plan for services or for costs and expenses in, or in connection with, the Cases, or in connection with the Plan and incident to the Cases, has been disclosed to the Court, and any such payment made before Confirmation of the Plan is reasonable, or if such payment is to be fixed after Confirmation of the Plan, such payment is subject to the approval of the Court as reasonable.

5. The Plan Proponents have disclosed the identity and affiliations of any individual proposed to serve, after Confirmation of the Plan, as a director, officer, or voting trustee of each of the Debtors under the Plan. Moreover, the appointment to, or continuance in, such office of such individual, is consistent with the interests of holders of Claims and with public policy, and the Plan Proponents have disclosed the identity of any insider that the reorganized Debtors will employ or retain, and the nature of any compensation for such insider.

6. Best Interests of Creditors Test. With respect to each Class of Impaired Claims, either each holder of a Claim of such Class has accepted the Plan, or will receive or retain under the Plan on account of such Claim, property of a value, as of the Effective Date of the Plan, that is not less than the amount that such holder would receive or retain if the Debtors were liquidated on such date under Chapter 7 of the Bankruptcy Code. In a Chapter 7 liquidation, creditors and interest holders of a debtor are paid from available assets generally in the following order, with no lower class receiving any payments until all amounts due to senior classes have either been paid in full or payment in full is provided for: (i) first to secured creditors (to the extent of the value of their collateral), (ii) next to administrative and priority creditors, (iii) next to unsecured creditors, (iv) last to debt expressly subordinated by its terms or by order of the Court. The starting point in determining whether the Plan meets the “best interests” test is a determination of the amount of proceeds that would be generated from the liquidation of the Debtors’ remaining assets in the context of a Chapter 7 liquidation. Such value must then be reduced by the costs of such liquidation, including a Chapter 7 trustee’s fees, and the fees and expenses of professionals retained by a Chapter 7 trustee. The potential Chapter 7 liquidation distribution in respect of each class must be further reduced by the costs imposed as a result of the delay that would be caused by conversion of the Cases to cases under Chapter 7. For the reasons set forth above, the Plan Proponents submit that under the Plan, all holders of Claims will receive the same or greater value to the recovery such holders would receive pursuant to a liquidation of the Debtors under Chapter 7 of the Bankruptcy Code.

7. Each class of Claims has either accepted the Plan or is not impaired under the Plan.

8. At least one impaired class of Claims has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim of such Class.

9. Feasibility. Section 1129(a)(11) of the Bankruptcy Code provides that a Chapter 11 plan may be confirmed only if the Court finds that such plan is feasible. A feasible plan is one which will not lead to a need for further reorganization or liquidation of the debtor. Since the Plan provides for the liquidation of the Debtors, the Court will find that the Plan is feasible if it determines that the Plan Proponents will be able to satisfy the conditions precedent to the Effective Date and that the Debtors’ Estates have sufficient funds to meet their post-Confirmation Date obligations to pay for the costs of administering and fully consummating the Plan and closing the Cases. The Plan Proponents believe that the Plan satisfies the financial feasibility requirement imposed by the Bankruptcy Code.

(3) Confirmation Without Acceptance by All Impaired Classes

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan, even if such plan has not been accepted by all impaired classes entitled to vote on such plan, provided that such plan has been accepted by at least one impaired class. If any impaired classes reject or are deemed to have rejected the Plan, the Plan Proponents reserve their right to seek the application of the statutory requirements set forth in § 1129(b) of the Bankruptcy Code for Confirmation of the Plan despite the lack of acceptance by all impaired classes.

Section 1129(b) of the Bankruptcy Code provides that notwithstanding the failure of an impaired class to accept a plan of reorganization, the plan shall be confirmed, on request of the proponent of the plan, in a procedure commonly known as “cram-down,” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims that is impaired under and has not accepted the plan.

The condition that a plan be “fair and equitable” with respect to a non-accepting class of secured claims includes the requirements that (a) the holders of such secured claims retain the liens securing such claims to the extent of the allowed amount of the claims, whether the property subject to the liens is retained by the debtor or transferred to another entity under the plan, and (b) each holder of a secured claim in the class receive deferred cash payments totaling at least the allowed amount of such claim with a present value, as of the effective date of the plan, at least equivalent to the value of the secured claimant’s interest in the debtor’s property subject to the liens.

The condition that a plan be “fair and equitable” with respect to a non-accepting class of unsecured claims includes the requirement that either (a) such class receive or retain under the plan property of a value as of the effective date of the plan equal to the allowed amount of such claim, or (b) if the class does not receive such amount, no class junior to the non-accepting class will receive a distribution under the plan or retain any property.

VI. CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following discussion summarizes certain of the material U.S. federal income tax consequences expected to result from the implementation of the Plan. The following summary does not address the U.S. federal income tax consequences to holders whose claims are entitled to payment in full in Cash under the Plan (e.g., holders of Allowed Administrative Claims, Priority Tax Claims, Professional Fee Claims or other Claims paid in full). This discussion is based on current provisions of the Internal Revenue Code of 1986, as amended (the “IRC”), applicable Treasury Regulations, judicial authority and current administrative rulings and pronouncements of the Internal Revenue Service (“IRS”). There can be no assurance that the IRS will not take a contrary view, and no ruling from the IRS has been or will be sought. Legislative, judicial or administrative changes or interpretations may be forthcoming that could alter or modify the statements and conclusions set forth herein. Any such changes or interpretations may or may not be retroactive and could affect the tax consequences to, among others, the Debtors and the holders of Claims.

The following summary is for general information only. The U.S. federal income tax consequences of the Plan are complex and subject to significant uncertainties. This summary does not address foreign, state or local tax consequences of the Plan, nor does it purport to address all of the U.S. federal income tax consequences of the Plan. This summary also does not purport to address the U.S. federal income tax consequences of the Plan to taxpayers subject to special treatment under the U.S. federal income tax laws, such as broker-dealers, tax exempt entities, financial institutions, insurance companies, S corporations, small business investment companies, mutual funds, regulated investment companies, foreign corporations, and non-resident alien individuals.

EACH HOLDER OF A CLAIM IS STRONGLY URGED TO CONSULT ITS OWN TAX ADVISOR REGARDING THE POTENTIAL U.S. FEDERAL, STATE, LOCAL OR FOREIGN TAX CONSEQUENCES OF THE PLAN TO SUCH HOLDER BASED ON ITS PARTICULAR CIRCUMSTANCES.

IRS Circular 230 Notice: To ensure compliance with requirements imposed by the IRS in Circular 230, you are hereby informed that (i) any tax advice contained in this Disclosure Statement is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the IRC and (ii) the advice is written to support the promotion or marketing of the transactions or matters addressed in the Disclosure Statement.

A. U.S. Federal Income Tax Consequences to the Debtor.

The Debtors are exempt from U.S. federal income tax pursuant to § 501 of the IRC. Accordingly, the Debtors do not believe that the implementation of the Plan, including the extinguishment of the Debtors' outstanding indebtedness pursuant to the Plan, will result in any material tax liability to the Debtors.

B. U.S. Federal Income Tax Consequences to Holders of LBMC Class 5 and Komanoff Class 5 Claims.

(1) Gain or Loss Recognized. Except with respect to a Claim (or portion thereof) for accrued but unpaid interest (discussed below) or certain Medical Malpractice/Personal Injury Claims (discussed below), for U.S. federal income tax purposes, each holder of an Allowed Claim generally should recognize gain or loss as a result of receiving a Distribution pursuant to the Plan equal to the difference between (i) the amount of Cash received by such holder and (ii) the adjusted tax basis of such holder's Allowed Claim. The amount and timing of such gain or loss, as well as the character of any gain or loss as long-term or short-term capital gain or loss or ordinary income or loss will depend on a number of factors that should be addressed with your own tax advisor.

Distributions, if any, received by a holder of a Medical Malpractice/Personal Injury Claim that are attributable to, and compensation for, such holder's personal injuries or sickness, within the meaning of § 104 of the IRC, generally should be nontaxable. You should, nonetheless, address the potential tax implications with your own tax advisor.

(2) Receipt of Interest.

The Plan does not address the allocation of the aggregate consideration to be distributed to holders between principal and interest and the Debtors cannot make any representations as to how the IRS will address the allocation of consideration under the Plan. In general, to the extent that any amount of consideration received by a holder is treated as received in satisfaction of unpaid interest that accrued during such holder's holding period, such amount will be taxable to the holder as interest income (if not previously included in the holder's gross income and not otherwise exempt from U.S. federal income tax). Conversely, a holder may be allowed a bad debt deduction to the extent any accrued interest was previously included in its gross income but subsequently not paid in full. However, the IRS may take the position that any such loss must be characterized based on the character of the underlying obligation, such that the loss will be a capital loss if the underlying obligation is a capital asset. Again, you should address all potential tax implications with your own tax advisor.

C. Withholding and Reporting

The Debtors and, after the Effective Date, the Plan Administrator will withhold all amounts required by law to be withheld from payments to holders of Allowed Claims. For example, under U.S. federal income tax law, interest, dividends and other reportable payments may, under certain circumstances, be subject to backup withholding at the then applicable rate (currently 28%). Backup withholding generally applies only if the holder (i) fails to furnish its social security number or other taxpayer identification number ("TIN"); (ii) furnishes an incorrect TIN; (iii) fails properly to report interest or dividends; or (iv) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in overpayment of tax. Certain persons are exempt from backup withholding, including corporations and financial institutions.

Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. The types of transactions that require disclosure are very broad; however, there are numerous exceptions which may be applicable to a holder.

The foregoing summary has been provided for informational purposes only. All holders of Claims are urged to consult their tax advisors concerning the U.S. federal, state, local and foreign tax consequences applicable under the Plan.

VII. RISK FACTORS

HOLDERS OF ALL CLASSES OF CLAIMS SHOULD READ AND CONSIDER CAREFULLY THE FACTORS SET FORTH BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT (AND THE DOCUMENTS DELIVERED TOGETHER HERewith AND/OR INCORPORATED BY REFERENCE HEREIN), PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN.

A. Certain Bankruptcy Related Considerations

(1) Risk of Non-Confirmation of the Plan

Although the Plan Proponents believe that the Plan will satisfy all requirements necessary for Confirmation by the Court, there can be no assurance that the Court will reach the same conclusion. There can also be no assurance that modifications of the Plan will not be required for Confirmation, that any negotiations regarding such modifications would not adversely affect the holders of the Allowed Claims or that any such modifications would not necessitate the re-solicitation of votes.

(2) Nonconsensual Confirmation

In the event any impaired class of claims does not accept a plan of liquidation, a bankruptcy court may nevertheless confirm such plan of liquidation at the proponent's request if at least one impaired class has accepted the plan of liquidation (with such acceptance being determined without including the acceptance of any "insider" in such class) and, as to each impaired class which has not accepted the plan of liquidation, the bankruptcy court determines that the plan of liquidation "does not discriminate unfairly" and is "fair and equitable" with respect to non-accepting impaired classes. In the event that any impaired Class of Claims fails to accept the Plan in accordance with § 1129(a)(8) of the Bankruptcy Code, the Plan Proponents reserve the right to request nonconsensual Confirmation of the Plan in accordance with § 1129(b) of the Bankruptcy Code.

(3) Risk that Conditions to Effectiveness Will Not Be Satisfied

Article X of the Plan contains certain conditions precedent to the effectiveness of the Plan. There can be no assurances that the conditions contained in Article X of the Plan will be satisfied.

(4) Claims Objection/Reconciliation Process

The Plan Proponents' estimate of the potential recovery to holders of LBMC Class 5, LBMC Class 6, Komanoff Class 5, and Komanoff Class 6 Claims depends on the outcome of the claims reconciliation and objection process. Thus, there is no guarantee that the actual recovery to holders of LBMC Class 5, LBMC Class 6, Komanoff Class 5, and Komanoff Class 6 Claims will approximate the Plan Proponents' estimates and any such difference could be material.

(5) Risks Related to FEMA Claims

The Debtors continue to have discussions with the representatives of the NYS FEMA Match Program regarding payments under the terms NYS FEMA Match Program. The availability and timing of such payments are contingent on, among other things, the satisfactory completion of an A133 audit, the repayment of overpayments, if any, and possibly satisfying the statutory requirement of paying FEMA Claims before receiving reimbursement from the NYS FEMA Match Program.

(6) Risk Related to Former Employee Claims

In connection with the promulgation and negotiation of the Plan, 1199 raised certain concerns regarding the use of the Petition Date for the purpose of calculating priority entitlement under § 507(a)(4) of the Bankruptcy Code. The Debtors maintain that while the Debtors suffered tremendous losses as a result of Superstorm Sandy, LBMC never ceased operating as a health care provider and, accordingly, the Petition Date is the relevant date to use in calculating priority entitlement under § 507(a)(4) of the Bankruptcy Code. The Debtors and 1199 are currently engaged in discussions and anticipate consensual resolution of the matter. However, there can be no assurance that such result will be achieved. Moreover, in the absence of a consensual resolution, the outcome of any litigation is uncertain and can potentially impact the confirmability of the Plan as it relates to LBMC's estate.

(7) Risk of No Resolution
with Respect to the Komanoff Share of the Universal Distribution

As set forth in Section III.M above, MLAP asserts rights to all or a portion of the Komanoff Share. The State is currently holding the distributable portion of the Komanoff Share pending a determination as to the rightful owner of such funds. The Debtors continue to work with MLAP in an attempt to reach a consensual resolution, however, there can be no assurance that such a resolution will be achieved. Moreover, in the absence of a consensual resolution, the outcome of any litigation is uncertain.

VIII. RESERVATION OF CAUSES OF ACTION OF THE DEBTORS

In accordance with § 1123(b)(3)(B) of the Bankruptcy Code, the Plan Administrator may act on behalf of the Debtors in all adversary proceedings and contested matters (including, without limitation, any Causes of Action), pending or that can be commenced in the Court and in all actions and proceedings pending or commenced elsewhere, and to settle, retain, enforce, or dispute any adversary proceedings or contested matters (including, without limitation, any Causes of Action) and otherwise pursue actions involving assets of the Debtors that could arise or be asserted at any time under the Bankruptcy Code or otherwise, unless otherwise specifically waived or relinquished in the Plan, *provided, however*, that settlements by the Plan Administrator of Causes of Action shall be subject to the approval of the Post Effective Date Committee. The Plan Administrator shall give notice to the Post Effective Date Committee of a settlement of a Cause of Action. The Post Effective Date Committee shall have ten (10) days after service of such notice to object to such settlement. Any such objection shall be in writing and sent to the Plan Administrator and the settling party. If no written objection is received by the Plan Administrator and the settling party prior to the expiration of such ten (10) day period, the Plan Administrator and the settling party shall be authorized to enter into the proposed settlement without a hearing or Court approval. If a written objection is timely received, the Plan Administrator, the settling party and the Post Effective Date Committee shall use good-faith efforts to resolve the objection. If the objection is resolved, the Plan Administrator and the settling party may enter into the proposed settlement (as and to the extent modified by the resolution of the objection) without further notice of hearing or Court approval.

For the avoidance of doubt, the Plan Administrator may authorize the Post Effective Date Committee to commence and prosecute any Causes of Action of the Debtors and, if so authorized by the Plan Administrator, the Post Effective Date Committee shall have standing to commence and prosecute such Causes of Action.

IX. ALTERNATIVES TO THE PLAN AND CONSEQUENCES OF REJECTION

Among the possible consequences if the Plan is rejected or if the Court refuses to confirm the Plan are the following: (1) an alternative plan could be proposed or confirmed; or (2) the Cases could be converted to liquidation cases under Chapter 7 of the Bankruptcy Code.

A. Alternative Plans

As previously mentioned, with respect to an alternative plan, the Plan Proponents and their professional advisors have explored various alternative scenarios and believe that the Plan enables the holders of Claims to realize the maximum recovery under the circumstances. The Plan Proponents believe the Plan is the best plan that can be proposed and serves the best interests of the Debtors and other parties-in-interest.

B. Chapter 7 Liquidation

As discussed above, with respect to each Class of Impaired Claims, either each holder of a Claim of such Class has accepted the Plan, or will receive or retain under the Plan on account of such Claim, property of a value, as of the Effective Date of the Plan, that is not less than the amount that such holder would receive or retain if the Debtors were liquidated on such date under Chapter 7 of the Bankruptcy Code. The Plan Proponents believe that significant costs would be incurred by the Debtors as a result of the delay that would be caused by conversion of the Cases to cases under Chapter 7, resulting in a reduced distribution to holders of LBMC Class 5, LBMC Class 6, Komanoff Class 5, and Komanoff Class 6 Claims.

X. RECOMMENDATION AND CONCLUSION

The Plan Proponents and their professional advisors have analyzed different scenarios and believe that the Plan will provide for a more favorable distribution to holders of Allowed Claims than would otherwise result if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code. In addition, any alternative other than confirmation of the Plan could result in extensive delays and increased administrative expenses resulting in potentially smaller distributions to the holders of Allowed Claims. Accordingly, the Plan Proponents recommend confirmation of the Plan and urge all holders of Impaired Claims to vote to accept the Plan, and to evidence such acceptance by returning their Ballots so that they will be received by no later than the Voting Deadline.

Long Beach Medical Center (“LBMC”) and Long Beach Memorial Nursing Home, Inc. d/b/a The Komanoff Center for Geriatric and Rehabilitative Medicine (“Komanoff”) as debtors and debtors in possession (collectively, the “Debtors” or the “Plan Proponents”), propose this first amended joint plan of liquidation (the “Plan”) for the resolution of outstanding Claims against the Debtors pursuant to Chapter 11 of the Bankruptcy Code. Although proposed jointly for administrative purposes, the Plan constitutes a separate Plan for each Debtor for the resolution of outstanding claims against and interests in each Debtor pursuant to the Bankruptcy Code. Each Debtor is a proponent of the Plan within the meaning of § 1129 of the Bankruptcy Code. The Plan contemplates no substantive consolidation of any of the Debtors. Reference is made to the Disclosure Statement for a discussion of the Debtors’ history, business, properties and operations, projections, risk factors, a summary and analysis of this Plan and certain related matters.

ARTICLE I.

DEFINITIONS AND CONSTRUCTION OF TERMS

Section 1.1. Definitions; Interpretation; Application of Definitions and Rules of Construction. For purposes of the Plan, the following terms shall have the meanings specified in this Article I. A term used herein that is not defined herein, but that is used in the Bankruptcy Code, shall have the meaning ascribed to that term in the Bankruptcy Code. The rules of construction contained in § 102 of the Bankruptcy Code shall apply to the construction hereof. Headings in the Plan are for convenience of reference only and shall not limit or otherwise affect the provisions hereof. The words “herein”, “hereof”, “hereto”, “hereunder” and other words of similar import refer to the Plan as a whole and not to any particular Section, sub-Section or clause contained in the Plan. Any reference in the Plan to a contract, instrument, release, indenture, or other agreement or document being in a particular form or on particular terms and conditions means that such document shall be substantially in such form or substantially on such terms and conditions. Any reference in the Plan to an existing document or an exhibit filed or to be filed (in connection with the Disclosure Statement, or the Plan) means such document or exhibit, as it may have been or may be amended, modified, or supplemented. Any reference to a Person as a Holder of a Claim includes that Person’s successors, assigns, and affiliates. Wherever the Plan provides that a payment or distribution shall occur “on” any date, it shall mean “on or as soon as reasonably practicable after” such date. Further, where appropriate, from a contextual reading of a term, each term includes the singular and plural form of the term regardless of how the term is stated and each stated pronoun is gender neutral.

An “Allowed Claim” shall be net of any amounts previously paid, as well as any valid setoff or recoupment amount based on a valid setoff or recoupment right. ARTICLE II.

TREATMENT OF UNCLASSIFIED CLAIMS

Section 2.1. Non-Classification. As provided in § 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims against the Debtors are not classified for the purposes of voting on or receiving distributions under the Plan. All such Claims, as well as Professional Fee Claims and U.S. Trustee Fees, are instead treated separately upon the terms set forth in this Article II.

Section 2.2. Administrative Claims.

(a) *Supplemental Administrative Claims Bar Date.* Except as provided below for (1) Professional Persons requesting compensation or reimbursement for Professional Fee Claims, and (2) U.S. Trustee Fees, requests for payment of Administrative Claims, for which a Bar Date to file such Administrative Claim was not previously established, must be filed no later than forty-five (45) days after the occurrence of the Effective Date, or such later date as may be established by Order of the Court. **Holders of Administrative Claims who are required to file a request for payment of such Claims and who do not file such requests by the applicable Bar Date shall be forever barred from asserting such Claims against the Debtors or their property, and the Holder thereof shall be enjoined from commencing or continuing any action, employment of process or act to collect, offset or recover such Administrative Claim.**

(b) *Estimation of Administrative Claims.* The Debtors and the Plan Administrator reserve the right, for purposes of allowance and distribution, to seek to estimate any unliquidated Administrative Claim if the fixing or liquidation of such Administrative Claim would unduly delay the administration of and distributions under the Plan (including seeking to estimate post-petition indemnification, or Medical Malpractice/Personal Injury Claims in the District Court).

(c) *Treatment.* Unless the Holder of an Allowed Administrative Claim agrees to less favorable treatment, each Holder of an Allowed Administrative Claim (other than of a Professional Fee Claim or a FEMA Claim), will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim: (1) on the Effective Date or as soon as practicable thereafter, or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; (2) if the Administrative Claim is not Allowed as of the Effective Date, no later than 30 days after the

date on which an order of the Court Allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; (3) if the Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date, pursuant to the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim, without any further action by the Holders of such Allowed Administrative Claims; (4) at such other time that is agreed to by the Debtors and the Holders of such Allowed Administrative Claim; or (5) at such other time and on such other terms set forth by an order of the Court.

Section 2.3. Priority Tax Claims. Unless the Holder thereof shall agree to a different and less favorable treatment, each Holder of an Allowed Priority Tax Claim, in full and complete satisfaction of such Allowed Priority Tax Claim, shall receive payment in Cash from either Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, in an amount equal to such Allowed Priority Tax Claim on or as soon as reasonably practicable after the later of (a) the Effective Date, or (b) the date on which such Claim becomes Allowed.

Section 2.4. Professional Fee Claims.

(a) *Professional Fee Claims Bar Date.* All final applications for payment of Professional Fee Claims for the period through and including the Effective Date shall be filed with the Court and served on the Plan Administrator and the other parties entitled to notice pursuant to the Interim Compensation and Reimbursement Procedures Order [Docket No. 93] on or before the Professional Fee Claims Bar Date, or such later date as may be agreed to by the Plan Administrator. Any Professional Fee Claim that is not asserted in accordance with this Section 2.4(a) shall be deemed Disallowed under the Plan and the Holder thereof shall be enjoined from asserting any claim to collect, offset, recoup or recover such Claim against the Estates or any of their respective Assets or property.

(b) *Treatment.* Each Holder of an Allowed Professional Fee Claim shall be paid in Cash from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, in an amount equal to such Allowed Professional Fee Claim on or as soon as reasonably practicable after the first Business Day following the date upon which such Claim becomes Allowed by Final Order, unless such Holder agrees to a different and less favorable treatment of such Claim.

(c) *Post Effective Date Services.* The fees and expenses of professionals retained by the Plan Administrator and the Post Effective Date Committee on and after the Effective Date, shall be paid by the Plan Administrator from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, upon receipt of invoice(s) therefor, or on such other terms as the Plan Administrator and the applicable professional may agree to, without the need for further Court authorization or entry of a Final Order, but subject to the approval of the Post Effective Date Committee, which approval shall not unreasonably be withheld. If the Plan Administrator and the professional cannot agree on the amount of post Effective Date fees and expenses to be paid to such professional, such amount shall be determined by the Court.

Section 2.5. U.S. Trustee Fees. The Debtors shall pay from Komanoff Remaining Cash or LBMC Remaining Cash, as applicable, all United States Trustee quarterly fees under 28

U.S.C. § 1930(a)(6), plus interest due and payable under 31 U.S.C. § 3717, if any, on all disbursements, including Plan payments and disbursements in and outside the ordinary course of the Debtors' businesses, until the entry of a final decree, dismissal of the Cases or conversion of the Cases to Chapter 7.

ARTICLE III.

CLASSIFICATION OF CLAIMS

Section 3.1. Classification; Elimination of Classes. The classification of Claims against each Debtor (as applicable) pursuant to the Plan is as set forth below. The Plan shall apply as a separate Plan for each of the Debtors. All of the potential Classes for the Debtors are set forth herein. For purposes of the Plan, Claims (other than Administrative Claims, Priority Tax Claims and Professional Fee Claims) are classified as provided below. A Claim against the Debtors is classified in a particular Class only to the extent that such Claim (or a portion of such claim) qualifies within the description of that Class and is classified in a different Class to the extent that such Claim (or a portion of such claim) qualifies within the description of such different Class. Any Class of Claims that is not occupied as of the date of the Confirmation Hearing by an Allowed Claim, or a Claim temporarily Allowed under Rule 3018 of the Bankruptcy Rules, and for which, on the Effective Date, there are no Disputed Claims in such Class pending, shall be deemed deleted from the Plan for all purposes.

The Post Effective Date Committee shall have ten (10) days after service of such notice to object to such settlement. Any such objection shall be in writing and sent to the Plan Administrator and the settling party. If no written objection is received by the Plan Administrator and the settling party prior to the expiration of such ten (10) day period, the Plan Administrator and the settling party shall be authorized to enter into the proposed settlement without a hearing or Court approval. If a written objection is timely received, the Plan Administrator, the settling party and the Post Effective Date Committee shall use good-faith efforts to resolve the objection. As Komanoff Remaining Cash and LBMC Remaining Cash are reduced through distributions and payments by the Plan Administrator and/or additional Cash comes into the Estates, the Plan Administrator shall, at the appropriate time, adjust the amount of the bond to an amount equal to at least 110% of the amount of Cash in the Estates. The Plan Administrator may use Estate Assets to obtain such bond and the cost of such bond shall be apportioned equally between the Debtors' Estates.

Section 5.9. Resignation, Death or Removal of Plan Administrator. The Plan Administrator may resign at any time upon not less than 30 days' written notice to the Post Effective Date Committee. In the event of the resignation, removal, death, or incapacity of the Plan Administrator, the Post Effective Date Committee shall designate another Person to become the Plan Administrator, and thereupon, the successor Plan Administrator, without further act, shall become fully vested with all of the rights, powers, duties and obligations of his predecessor. No successor Plan Administrator hereunder shall in any event have any liability or responsibility for the acts or omissions of his or her predecessors.

Section 5.10. Post Effective Date Committee.

(a) On the Effective Date, the Committee shall continue as the Post Effective Date Committee. The Post Effective Date Committee shall be comprised of the members of the Committee, unless any particular member thereof opts not to be a member thereof. If a member of the Post Effective Date Committee resigns or is removed, a replacement who holds an Unsecured Claim against the Debtors may be appointed by the remaining members of the Post Effective Date Committee. The duties and powers of the Post Effective Date Committee shall terminate upon the closing of the Cases. The Post Effective Date Committee's role shall be to consult with the Plan Administrator, and to perform the functions set forth in the Plan.

(b) The Post Effective Date Committee shall have the power and authority to utilize the services of its pre-Effective Date counsel and financial advisor as necessary to perform the duties of the Post Effective Date Committee and to authorize and direct such Persons to act on behalf of the Post Effective Date Committee in connection with any matter requiring its attention or action. The Plan Administrator shall pay the reasonable and necessary fees and expenses of the Post Effective Date Committee's counsel and financial advisor without the need for Court approval.

(c) Except for the reimbursement of reasonable, actual costs and expenses incurred in connection with their duties as members of the Post Effective Date Committee, the members of the Post Effective Date Committee shall serve without compensation. Reasonable

expenses incurred by members of the Post Effective Date Committee may be paid by the Plan Administrator without need for Court approval.

(d) The Plan Administrator shall report all material matters to the Post Effective Date Committee.

(e) Pursuant to Section 5.11 below, if the Plan Administrator does not consent to the Post Effective Date Committee's prosecution of a Cause of Action of the Debtors, the Post Effective Date Committee may seek authority and standing from the Court to prosecute such Cause of Action, and all rights of the Plan Administrator to object or otherwise oppose such relief are reserved.

Section 5.11. Rights of Action. In accordance with § 1123(b)(3)(B) of the Bankruptcy Code, the Plan Administrator may pursue all reserved rights of action, including, without limitation, Causes of Action of the Debtors. Any distributions provided for in the Plan and the allowance of any Claim for the purpose of voting on the Plan is and shall be without prejudice to the rights of the Plan Administrator to pursue and prosecute any reserved rights of action. Except as otherwise set forth in the Plan, all Causes of Action of the Debtors shall survive confirmation of the Plan and the commencement and prosecution of Causes of Action of the Debtors shall not be barred or limited by res judicata or any estoppel, whether judicial, equitable or otherwise. If the Plan Administrator does not prosecute a Debtors' Cause of Action, the Post Effective Date Committee shall, upon the consent of the Plan Administrator, be authorized and have standing to prosecute such Cause of Action on behalf of the Debtors.

Section 5.12. Corporate Action. On the Effective Date, the appointment of the Plan Administrator, and any and all other matters provided for under the Plan involving corporate action by the Debtors, their directors or their trustees, including, without limitation, the transfer of management responsibilities of the Debtors to the Plan Administrator, shall be deemed to have occurred and shall be in effect from and after the Effective Date pursuant to applicable law, without any requirement of further action by the Debtors' directors, officers or trustees. Upon the distribution of all Assets pursuant to the Plan and the filing by the Plan Administrator of a certification to that effect with the Court (which may be included in the application for the entry of the final decree), the Debtors shall be deemed dissolved for all purposes without the necessity for any other or further actions to be taken by or on behalf of the Debtors or payments to be made in connection therewith; provided, however, that the Debtors and/or the Plan Administrator on behalf of the Debtors may take appropriate action to dissolve under applicable law. From and after the Effective Date, the Debtors shall not be required to file any document, or take any action, to withdraw their business operations from any states where the Debtors previously conducted business.

Section 5.13. Cancellation of Existing Securities, Instruments and Agreements. On the Effective Date, except as otherwise provided herein, all securities, instruments, and agreements governing any Claim against the Debtors shall be deemed cancelled and terminated, and the obligations of the Debtors relating to, arising under, in respect of, or in connection with such securities, instruments, or agreements shall be deemed released and/or satisfied as to the Debtors.

Section 5.14. Full and Final Satisfaction. All payments and all distributions under the Plan shall be in full and final satisfaction, settlement and release of all the Debtors' obligations with respect to Claims against the Debtors, except as otherwise provided in the Plan.

Section 5.15. Setoffs. The Plan Administrator may, pursuant to and to the extent permitted by applicable law, setoff against any Claim asserted against the Debtors and/or the Assets, and the payments or other distributions to be made pursuant to the Plan in respect of such Claim, any Claims of any nature whatsoever that that Debtors or the Estates may have against the Holder of such Claim, provided that neither the failure to effect a setoff, nor the allowance of any Claim against the Debtors hereunder, shall constitute a waiver or release of any such Claim the Debtors or the Estates may have against such Holder.

Section 5.16. Funding of the Disputed Claims Reserve.

(a) The portion of the Assets attributable to Disputed Administrative, Priority Tax, Other Priority, Unsecured and Medical Malpractice/Personal Injury Claims, shall be held by the Plan Administrator in the "Disputed Claims Reserve". As Disputed Claims are resolved, excess Cash in the Disputed Claims Reserve shall be made available for distribution to the Holders of Allowed Claims in accordance with the Plan, provided that there is sufficient Cash to administer the Plan and pay Plan expenses. The Plan Administrator may set aside from the Assets an amount of Cash that the Plan Administrator determines is necessary to pay ongoing expenses of administering the Plan.

(b) For the purposes of effectuating the distributions to the Holders of Allowed Claims, the Court (or the District Court, as applicable) may estimate the amount of Disputed Claims pursuant to § 502(c) of the Bankruptcy Code, in which event the amounts so estimated shall be deemed the amounts of the Disputed Claims for purposes of distribution under the Plan. In lieu of estimating the amount of any Disputed Claim for purposes of allowance and distribution, the Court (or the District Court, as applicable) may estimate the amount to be reserved for such Disputed Claim (singularly or in the aggregate), or such amount may be fixed by agreement in writing by and between the Plan Administrator and the Holder of a Disputed Claim. In the event that the Court (or the District Court, as applicable) estimates any contingent or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Court (or the District Court, as applicable). If the estimated amount constitutes a maximum limitation on such Claim, the Plan Administrator may elect to pursue any supplemental proceedings to object to any ultimate allowance of such Claim. Claims may be estimated by the Court (or the District Court, as applicable) and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Court or the District Court, as applicable.

(c) As soon as practicable following the Effective Date, the Disputed Claims Reserve shall be established by the Plan Administrator; provided, however, that the Plan Administrator shall have no obligation to fund the Disputed Claims Reserve until, at the latest, immediately prior to the making of a distribution to holders of Allowed Claims. The Plan Administrator shall fund the Disputed Claims Reserve from Komanoff Remaining Cash or LBMC Remaining Cash, based on which Estate is liable for the Disputed Claim, in an amount equal to the amount holders of Disputed Claims would have otherwise been entitled but for the

dispute. The assets in the Disputed Claims Reserve shall be held separately from other assets held by the Plan Administrator, subject to an allocable share of all expenses and obligations of each Estate. The Plan Administrator shall remove funds from the Disputed Claims Reserve as the Disputed Claims are resolved, which funds shall be distributed as provided in Section 5.17 of the Plan.

Section 5.17. Plan Distributions. The Plan Administrator shall make distributions to Holders of Allowed Claims in accordance with Article IV of the Plan on the Effective Date. From time to time, in consultation with the Post Effective Date Committee, the Plan Administrator shall make Pro Rata distributions to Holders of Allowed LBMC Class 5, LBMC Class 6, Komanoff Class 5, and Komanoff Class 6 Claims in accordance with Article IV of the Plan. Notwithstanding the foregoing, the Plan Administrator may retain such amounts (i) as are reasonably necessary to meet contingent liabilities (including Disputed Claims and unliquidated Medical Malpractice/Personal Injury Claims) and to maintain the value of the assets of the Estates during liquidation, (ii) to pay reasonable administrative expenses (including the costs and expenses of the Plan Administrator and the Post Effective Date Committee and the fees, costs and expenses of all professionals retained by the Plan Administrator and the Post Effective Date Committee, and any taxes imposed in respect of the Assets), (iii) to satisfy other liabilities to which the Assets are otherwise subject, in accordance with the Plan, and (iv) to establish any necessary reserve. All distributions to the Holders of Allowed Claims shall be made in accordance with the Plan. The Plan Administrator may withhold from amounts distributable to any Person any and all amounts determined in the Plan Administrator's reasonable sole discretion to be required by any law, regulation, rule, ruling, directive or other governmental requirement. Holders of Allowed Claims shall, as a condition to receiving distributions, provide such information and take such steps as the Plan Administrator may reasonably require to ensure compliance with withholding and reporting requirements and to enable the Plan Administrator to obtain certifications and information as may be necessary or appropriate to satisfy the provisions of any tax law. In the event that a Holder of an Allowed Claim does not comply with the Plan Administrator's requests in the preceding sentence within ninety (90) days, no distribution shall be made on account of such Allowed Claim and the Plan Administrator shall reallocate such distribution for the benefit of all other Holders of Allowed Claims in accordance with the Plan.

Section 5.18. Cash Distributions. The Plan Administrator shall not be required to make interim or final Cash distributions in an amount less than \$100. Any funds so withheld and not distributed on an interim basis shall be distributed in subsequent distributions to the extent the aggregate distribution exceeds \$10,000. Should a final distribution to any Holder of an Allowed Claim not equal or exceed \$100, that sum shall be distributed to other Holders of Allowed Claims in accordance with the Plan.

Section 5.19. No Payments of Fractional Dollars. Notwithstanding any other provision of the Plan to the contrary, no payment of fractional dollars shall be made pursuant to the Plan. Whenever any payment of a fraction of a dollar under the Plan would otherwise be required, the actual Distribution made shall reflect a rounding down of such fraction to the nearest whole dollar.

Section 5.20. Delivery of Plan Distributions. All distributions under the Plan on account of any Allowed Claims shall be made at the address of the Holder of such Allowed Claim as set

forth in a filed Proof of Claim or on the register on which the Plan Administrator records the name and address of such Holders or at such other address as such Holder shall have specified for payment purposes in a written notice to the Plan Administrator at least fifteen (15) days prior to such distribution date. In the event that any distribution to any Holder is returned as undeliverable, the Plan Administrator shall use reasonable efforts to determine the current address of such Holder, but no distribution to such Holder shall be made unless and until the Plan Administrator has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; provided, however, that such undeliverable or unclaimed distributions shall become Unclaimed Property at the expiration of ninety (90) days from the date such distribution was originally made. The Plan Administrator shall reallocate the Unclaimed Property for the benefit of all other Holders of Allowed Claims in accordance with the Plan, provided, however, if the Plan Administrator determines, with the approval of the Post Effective Date Committee, that the administrative costs of distribution effectively interfere with distribution or that all creditors, including administrative claimants, have been paid in full and there is no one that has a right to the funds, such remaining Unclaimed Property shall be donated to the American Bankruptcy Institute Endowment Fund, a not-for-profit, non-religious organization dedicated to, among other things, promoting research and scholarship in the area of insolvency.

Section 5.21. Distributions to Holders as of the Confirmation Date. As of the close of business on the Confirmation Date, the claims register shall be closed, and there shall be no further changes in the record Holders of any Claims. Neither the Debtors nor the Plan Administrator, as applicable, shall have any obligation to recognize any transfer of any Claims occurring after the close of business on the Confirmation Date, and shall instead be entitled to recognize and deal for all purposes under the Plan (except as to voting to accept or reject the Plan pursuant to Section 6 of the Plan) with only those Holders of record as of the close of business on the Confirmation Date.

Section 5.22. Abandoned Assets. Upon the election of the Plan Administrator, with the approval of the Post Effective Date Committee, the Plan Administrator may abandon any Assets without the need for additional approval of the Court, and upon such abandonment, such Assets shall cease to be Assets of the Estates.

Section 5.23. Windup. With respect to each Estate, after (a) the Plan has been fully administered, (b) all Disputed Claims have been resolved, (c) all Causes of Action have been resolved, and (d) all Assets have been reduced to Cash or abandoned, the Plan Administrator shall effect a final distribution of all Cash remaining (after reserving sufficient Cash to pay all unpaid expenses of administration of the Plan and all expenses reasonably expected to be incurred in connection with the final distribution) to Holders of Allowed Claims in accordance with the Plan.

Section 5.24. Indefeasibility of Distributions. All distributions provided for under the Plan shall be indefeasible.

Section 5.25. Time Bar; Redistribution of Unclaimed Property. Any distribution of property (Cash or otherwise) provided for under the Plan which is unclaimed after ninety (90)

days following such distribution (collectively, the “Unclaimed Property”) shall irrevocably revert to the Estate for re-distribution in accordance with the Plan.

Section 5.26. Saturday, Sunday, or Legal Holiday. If any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next Business Day.

Section 5.27. Final Order. Any requirement in the Plan for a Final Order may, in consultation with the Committee, be waived by the Plan Proponents.

ARTICLE VI.

VOTING

Section 6.1. Impaired Classes of Claims Entitled to Vote. Holders of Claims in each Impaired Class of Claims that receive or retain property pursuant to this Plan shall be entitled to vote to accept or reject this Plan.

Section 6.2. Acceptance by an Impaired Class of Claims.

(a) Pursuant to § 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted the Plan if, after excluding any Claims held by any Holder designated pursuant to § 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in dollar amount of the Allowed Claims actually voting in such Class have voted to accept such Plan, and (b) more than one-half in number of such Allowed Claims actually voting in such Class have voted to accept the Plan.

(b) Except for Holders of Claims in Classes that are deemed to reject or conclusively presumed to have accepted or rejected this Plan pursuant to the terms of this Plan other than this Section 6.2(b), if Holders of Claims in a particular Impaired Class of Claims were given the opportunity to vote to accept or reject this Plan and notified that a failure of any Holders of Claims in such Impaired Class of Claims to vote to accept or reject this Plan would result in such Impaired Class of Claims being deemed to have accepted this Plan, but no Holders of Claims in such Impaired Class of Claims voted to accept or reject this Plan, then such Class of Claims shall be deemed to have accepted this Plan.

Section 6.3. Deemed Acceptance by Holders of Inter-Debtor Claims. As proponents of this Plan, Holders of Inter-Debtor Claims are conclusively deemed to accept this Plan and votes shall not be solicited from the Holders of such Claims.

Section 6.4. Presumed Acceptances by Unimpaired Classes. Classes of Claims designated as Unimpaired are conclusively presumed to have voted to accept this Plan pursuant to § 1126(f) of the Bankruptcy Code.

Section 6.5. Deemed Rejection of the Plan. Impaired Classes of Claims that do not receive or retain property under the Plan are deemed to have voted to reject the Plan pursuant to § 1126(g) of the Bankruptcy Code, and the votes of Holders of such Claims will not be solicited.

Section 6.6. Confirmability and Severability of this Plan.

(a) Consensual Confirmation. The confirmation requirements of § 1129(a) of the Bankruptcy Code must be satisfied separately with respect to each Debtor and this Plan shall be deemed a separate chapter 11 plan for each such Debtor. Votes will be solicited as to each Debtor and the tabulation of votes will be as to each Debtor.

(b) Cramdown. With respect to any Impaired Class of Claims that fails to accept the Plan in accordance with § 1129(a) of the Bankruptcy Code, the Proponents request that the Court confirm the Plan in accordance with § 1129(b) of the Bankruptcy Code with respect to such non-accepting Classes, in which case or cases, the Plan shall constitute a motion for such relief.

ARTICLE VII.

SEPARATE PLANS

Section 7.1. Although the Plan is presented as a joint plan of liquidation, this Plan does not provide for the substantive consolidation of the Debtors' Estates, and on the Effective Date, the Debtors' Estates shall not be substantively consolidated for any reason. Except as specifically set forth herein, nothing in this Plan shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor. A Claim against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for all purposes including, but not limited to, voting and distribution; provided, however, that no Claim will receive value in excess of 100% of the Allowed amount of such Claim.

ARTICLE VIII.

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Section 8.1. Assumption or Rejection of Executory Contracts. Effective on and as of the Confirmation Date, all Executory Contracts are hereby specifically deemed rejected, except for any Executory Contract (a) that has been specifically assumed or assumed and assigned by the Debtors on or before the Confirmation Date with the approval of the Court, (b) in respect of which a motion for assumption or assumption and assignment has been filed with the Court on or before the Confirmation Date, or (c) that is specifically designated as a contract to be assumed on a schedule to the Plan, which schedule, if any, shall be filed as part of the Plan Supplement.

Section 8.2. Approval of Assumption or Rejection of Executory Contracts. Entry of the Confirmation Order by the Clerk of the Court, but subject to the condition that the Effective Date occur, shall constitute (a) the approval, pursuant to §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, of the assumption or assumption and assignment of the Executory Contracts assumed or assumed and assigned pursuant to Section 8.1 of the Plan, and (b) the approval, pursuant to §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection of the Executory Contracts rejected pursuant to Section 8.1 of the Plan.

Section 8.3. Bar Date for Filing Proofs of Claim Relating to Executory Contracts Rejected Pursuant to the Plan. Claims against the Debtors arising out of the rejection of

Executory Contracts pursuant to the Plan must be filed with the Court no later than forty-five (45) days after the later of service of (a) notice of entry of an order approving the rejection of such Executory Contract which Order may be the Confirmation Order, or (b) notice of occurrence of the Effective Date. Any such Claims not filed within such time shall be forever barred from assertion against the Debtors and any and all of their respective properties and Assets.

Section 8.4. Compensation and Benefit Programs. To the extent not previously terminated, all employment and severance agreements and policies, and all employee compensation and benefit plans, policies and programs of the Debtors applicable generally to their respective current employees or officers as in effect on the Confirmation Date, including, without limitation, all savings plans, retirement plans, health care plans, disability plans, severance benefit plans, incentive plans and life, accidental death and dismemberment insurance plans, shall be terminated as of the Confirmation Date.

ARTICLE IX.

PROVISIONS FOR RESOLVING AND TREATING CLAIMS

Section 9.1. Disputed Claims. Except as otherwise provided herein, the Plan Administrator shall have the right to object to all Claims on any basis, including those Claims that are not listed in the Schedules, that are listed therein as disputed, contingent, and/or unliquidated, that are listed therein at a lesser amount than asserted by the respective Creditor, or that are listed therein for a different category of claim than asserted by the respective Creditor. Subject to further extension by the Court for cause with or without notice, the Plan Administrator may object to the allowance of LBMC Class 5 Claims and Komanoff Class 5 Claims up to one hundred eighty (180) days after the Effective Date, the allowance of Administrative/Priority Claims and Secured Claims up to the later of (i) ninety (90) days after the Effective Date or (ii) the deadline for filing an objection established by order of the Court; provided, however, that an objection to a Claim based on § 502(d) of the Bankruptcy Code may be made at any time in any adversary proceeding against the Holder of any relevant Claim. The filing of a motion to extend the deadline to object to any Claims shall automatically extend such deadline until a Final Order is entered on such motion. In the event that such motion to extend the deadline to object to Claims is denied by the Court, such deadline shall be the later of the current deadline (as previously extended, if applicable) or 30 days after the Court's entry of an order denying the motion to extend such deadline. From and after the Effective Date, the Plan Administrator shall succeed to all of the rights, defenses, offsets, and counterclaims of the Debtors and the Committee in respect of all Claims, and in that capacity shall have the power to prosecute, defend, compromise, settle, and otherwise deal with all such objections, subject to the terms of the Plan. The Debtors and the Plan Administrator reserve the right, for purposes of allowance and distribution, to estimate pursuant to § 502(c) of the Bankruptcy Code any unliquidated Medical Malpractice/Personal Injury Claims in the District Court.

Section 9.2. Settlement of Disputed Claims.

(a) Pursuant to Bankruptcy Rule 9019(b), the Plan Administrator may settle any Disputed Claim (or aggregate of Claims if held by a single Creditor), respectively, without notice, a Court hearing, or Court approval.

(b) The Plan Administrator shall give notice to the Post Effective Date Committee of (i) a settlement of any Disputed LBMC Class 5 Claim or Komanoff Class 5 Claim (or aggregate of Claims if held by a single Creditor) that results in the disputed portion of such Disputed LBMC Class 5 Claim(s) or Komanoff Class 5 Claim(s) being Allowed in an amount in excess of \$100,000, (ii) a settlement of any Disputed Administrative/Priority Claims, or (iii) settlement of any Disputed Secured Claims. The Post Effective Date Committee shall have ten (10) days after service of such notice to object to such settlement. Any such objection shall be in writing and sent to the Plan Administrator and the settling party. If no written objection is received by the Plan Administrator and the settling party prior to the expiration of such ten (10) day period, the Plan Administrator and the settling party shall be authorized to enter into the proposed settlement without a hearing or Court approval. If a written objection is timely received, the Plan Administrator, the settling party and the objecting party shall use good-faith efforts to resolve the objection. If the objection is resolved, the Plan Administrator and the settling party may enter into the proposed settlement (as and to the extent modified by the resolution of the objection) without further notice of hearing or Court approval, provided that the Claim of the settling party against the Estates shall not be greater under the proposed settlement than that disclosed in the notice.

Section 9.3. No Distributions Pending Allowance. Notwithstanding any provision in the Plan to the contrary, no partial payments and no partial distributions shall be made by the Plan Administrator with respect to any portion of any Claim against the Debtors if such Claim or any portion thereof is a Disputed Claim. In the event and to the extent that a Claim against the Debtors becomes an Allowed Claim after the Effective Date, the Holder of such Allowed Claim shall receive all payments and distributions to which such Holder is then entitled under the Plan.

ARTICLE X.

CONDITIONS PRECEDENT

Section 10.1. Conditions to Confirmation. The following conditions are conditions precedent to Confirmation of the Plan unless waived by the Plan Proponents, in consultation with the Committee, pursuant to Section 10.3 of the Plan: (i) the Confirmation Order must be in a form and substance reasonably acceptable to the Plan Proponents; and (ii) the Confirmation Order shall:

(a) authorize the appointment of all parties appointed under or in accordance with the Plan, including, without limitation, the Plan Administrator, and direct such parties to perform their obligations under such documents;

(b) approve in all respects the transactions, agreements, and documents to be effected pursuant to the Plan;

- (c) authorize the Plan Administrator and the Post Effective Date Committee to assume the rights and responsibilities fixed in the Plan;
- (d) approve the releases and injunctions granted and created by the Plan;
- (e) order, find, and decree that the Plan complies with all applicable provisions of the Bankruptcy Code, including that the Plan was proposed in good faith; and
- (f) except as otherwise specifically provided in the Plan, order that nothing herein operates as a discharge, release, exculpation, or waiver of, or establishes any defense or limitation of damages to, any Claim or Cause of Action belonging to the Estates.

Section 10.2. Conditions to Effective Date. The Plan shall not become effective unless and until the following conditions shall have been satisfied or waived pursuant to Section 10.3 of the Plan:

- (a) the Confirmation Date shall have occurred and the Confirmation Order, in a form consistent with the requirements of Section 10.1 of the Plan, shall have become a Final Order;
- (b) the Plan Administrator shall have been appointed;
- (c) all actions, documents and agreements necessary to implement the provisions of the Plan, and such actions, documents, and agreements shall have been effected or executed and delivered;
- (d) all other actions required by the Plan to occur on or before the Effective Date shall have occurred.

Section 10.3. Waiver of Conditions. Any of the conditions set forth in this Article may be waived by the Plan Proponents and the Committee to the extent such waiver does not adversely affect the distributions hereunder.

Section 10.4. Notice to Court. The Plan Proponents shall notify the Court in writing promptly after the Effective Date that the Effective Date has occurred.

ARTICLE XI.

MODIFICATION, REVOCATION OR WITHDRAWAL OF THE PLAN

Section 11.1. Modification of Plan: Generally. The Plan Proponents may, in consultation with the Committee, alter, amend or modify the Plan pursuant to § 1127 of the Bankruptcy Code at any time prior to the Confirmation Date. After such time and prior to substantial consummation of the Plan, the Plan Proponents, in consultation with the Committee, may, so long as the treatment of Holders of Claims against the Debtors under the Plan is not adversely affected, institute proceedings in Court to remedy any defect or omission or to reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, and any other matters as may be necessary to carry out the purposes and effects of the Plan;

provided, however, notice of such proceedings shall be served in accordance with Bankruptcy Rule 2002 or as the Court shall otherwise order.

Section 11.2. Revocation or Withdrawal of Plan. The Plan Proponents reserve the right to revoke or withdraw the Plan at any time prior to the Effective Date. If the Plan Proponents revoke or withdraw the Plan prior to the Effective Date, then the Plan shall be deemed null and void, and nothing contained in the Plan shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors.

ARTICLE XII.

RETENTION OF JURISDICTION

Section 12.1. Exclusive Jurisdiction of the Court. Except as provided in Sections 12.2 and 12.3 of the Plan, following the Effective Date, the Court will retain exclusive jurisdiction of the Cases for the following purposes:

(a) to hear and determine any pending applications for the assumption or rejection of Executory Contracts, and the resulting allowance of Claims against the Debtors;

(b) to determine any Adversary Proceedings, applications, contested matters and other litigated matters pending on the Effective Date;

(c) to ensure that distributions to Holders of Allowed Claims are accomplished as provided in the Plan;

(d) to hear and determine objections to or requests for estimation of Claims against the Debtors (except to the extent objections to or estimation of Claims against the Debtors are required to be heard by the District Court, in which case, the District Court may hear such matters), including any objections to the classification of any Claims, and to allow, disallow and/or estimate Claims, in whole or in part;

(e) to enter and implement such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified or vacated;

(f) to issue any appropriate orders in aid of execution of the Plan or to enforce the Confirmation Order and/or the discharge, or the effect of such discharge, provided to the Debtors;

(g) to hear and determine any applications to modify the Plan, to cure any defect or omission or to reconcile any inconsistency in the Plan or in any order of the Court, including, without limitation, the Confirmation Order;

(h) to hear and determine all applications for compensation and reimbursement of expenses of professionals under §§ 328, 330, 331, 363 and/or 503(b) of the Bankruptcy Code;

- (i) to hear and determine disputes arising in connection with the interpretation, implementation or enforcement of the Plan;
- (j) to hear and determine other issues presented or arising under the Plan;
- (k) to hear and determine other issues related to the Plan to the extent not inconsistent with the Bankruptcy Code; and
- (l) to enter a final decree closing the Cases.

Section 12.2. Non-Exclusive Jurisdiction of the Court. Following the Effective Date, the Court will retain non-exclusive jurisdiction of the Cases for the following purposes:

- (a) to recover all Assets of the Debtors and property of the Estates, wherever located;
- (b) to hear and determine any actions commenced on or after the Effective Date by the Plan Administrator (or the Post Effective Date Committee, if applicable pursuant to Section 5.11 of the Plan), including, but not limited to, Avoidance Actions or other Causes of Action;
- (c) to hear and determine any motions or contested matters involving taxes, tax refunds, tax attributes and tax benefits and similar or related matters with respect to the Debtors or the Estates arising prior to the Effective Date or relating to the period of administration of the Cases, including, without limitation, matters concerning state, local and federal taxes in accordance with §§ 346, 505 and 1146 of the Bankruptcy Code; and
- (d) to hear and determine any other matters to the extent not inconsistent with the Bankruptcy Code.

Section 12.3. Failure of the Court to Exercise Jurisdiction. If the Court abstains from exercising or declines to exercise jurisdiction over any matter arising under, arising in or related to the Cases, including with respect to the matters set forth above in this Article, this Article shall not prohibit or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such subject matter.

ARTICLE XIII.

INJUNCTION AND RELEASES

Section 13.1. Injunction.

(a) **Except as otherwise expressly provided in the Plan including, without limitation, the treatment of Claims against the Debtors, the entry of the Confirmation Order shall, provided that the Effective Date shall have occurred, operate to enjoin permanently all Persons that have held, currently hold or may hold a Claim against the Debtors, from taking any of the following actions against the Debtors, the Plan Administrator, the Committee or members thereof, the Post Effective Date Committee or**

members thereof, present and former directors, officers, trustees, agents, attorneys, advisors, members or employees of the Debtors, or any of their respective successors or assigns, or any of their respective assets or properties, on account of any Claim against the Debtors: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind with respect to a Claim against the Debtors; (b) enforcing, levying, attaching, collecting or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree or order with respect to a Claim against the Debtors; (c) creating, perfecting or enforcing in any manner, directly or indirectly, any lien or encumbrance of any kind with respect to a Claim against the Debtors; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any Debt, liability or obligation due to the Debtors or their property or Assets with respect to a Claim against the Debtors; and (e) proceeding in any manner in any place whatsoever that does not conform to or comply with or is inconsistent with the provisions of the Plan; provided, however, nothing in this injunction shall preclude the Holder of a Claim against the Debtors from pursuing any applicable insurance after the Cases are closed, from seeking discovery in actions against third parties or from pursuing third-party insurance that does not cover Claims against the Debtors; provided further, however, nothing in this injunction shall limit the rights of a Holder of an Allowed Claim against the Debtors to enforce the terms of the Plan.

Section 13.2. Releases.

(a) Releases by Debtors. Upon the Effective Date, the Debtors conclusively, absolutely, unconditionally, irrevocably and forever release and discharge each of the Debtors' Release Parties of and from any and all past, present and future legal actions, causes of action, choses in action, rights, demands, suits, claims, liabilities, encumbrances, lawsuits, adverse consequences, amounts paid in settlement, costs, fees, damages, debts, deficiencies, diminution in value, disbursements, expenses, losses and other obligations of any kind, character or nature whatsoever, whether in law, equity or otherwise (including, without limitation, those arising under applicable non-bankruptcy law, and any and all alter-ego, lender liability, indemnification or contribution theories of recovery, and interest or other costs, penalties, legal, accounting and other professional fees and expenses, and incidental, consequential and punitive damages payable to third parties), whether known or unknown, fixed or contingent, direct, indirect, or derivative, asserted or unasserted, foreseen or unforeseen, suspected or unsuspected, now existing, heretofore existing or which may have heretofore accrued, occurring from the beginning of time to and including the Effective Date and/or related in any way to, directly or indirectly, and/or arising out of and/or connected with, any or all of the Debtors and their Estates, the Cases, the Debtors' pre-petition financing arrangements, the Debtors' financial statements, the Debtors' debtor in possession financing facility and/or the Debtors' cessation of operations (including any such claims based on theories of alleged negligence, misrepresentation, nondisclosure or breach of fiduciary duty); *provided, however*, that nothing in this Section 13.2(a) of the Plan shall (i) affect the liability of any Person due to fraud, willful misconduct, or gross negligence, as determined by a Final Order; (ii) shall operate or be a release by any Professional Persons of any Professional Fee Claims; or (iii) shall release, limit or affect the Debtors' and/or the Plan Administrators obligations under the Plan. For

the avoidance of doubt, Section 13.2(a) of the Plan shall not release, limit or affect Causes of Action of the Debtors.

Nothing in this Section 13.2(b) of the Plan shall be deemed to release or impair Allowed Claims against the Debtors, which Allowed Claims against the Debtors shall be treated as set forth in the Plan. For the avoidance of doubt, nothing in this Section 13.2(b) of the Plan shall release, limit or affect Causes of Action of the Debtors.

Section 13.3. **Exculpation.** None of (i) Garfunkel Wild, P.C., in its capacities as counsel to the Debtors or counsel to the Plan Administrator; (ii) Loeb and Trooper, in its capacity as the Debtors' auditor; (iii) the Debtors' trustees, in-house counsel, officers and directors (in their capacities as such); (iv) the Plan Administrator and her representatives (in their capacities as such); (v) the Committee and the Post Effective Date Committee; (vi) the members of the Committee and the members of the Post Effective Date Committee, in their capacities as members of the Committee and as members of the Post Effective Date Committee; (vii) Klestadt Winters Jureller Southard & Stevens, LLP, in its capacities as counsel to the Committee and as counsel to the Post Effective Date Committee; (viii) Deloitte Transactions and Business Analytics LLP, Polsky Advisors LLC, and Getzler

Henrich & Associates, LLC in their capacity as financial advisor to the Committee; (ix) Getzler Henrich & Associates, LLC in its capacity as financial advisor to the Post Effective Date Committee; (x) Laura W. Patt in her capacity as the Patient Care Ombudsman for Komanoff; (xi) Tarter Krinsky & Drogin LLP in its capacity as counsel to the Patient Care Ombudsman; or (xii) Vernon Consulting, Inc. in its capacity as medical operations advisor to the Patient Care Ombudsman, shall have or incur any liability for any act or omission in connection with, related to, or arising out of, the Cases, the formulation, preparation, dissemination, implementation, confirmation, or approval of the Plan, the administration of the Plan or the property to be distributed under the Plan, or any contract, instrument, release, or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan; provided, however, that (i) nothing in Section 13.3 of the Plan shall affect the liability of any Person that would result from any such act or omission to the extent that act or omission is determined by a Final Order of the Court to have constituted willful misconduct, gross negligence or failure to fully comply with Rule 1.8(h)(1) of the New York Rules of Professional Conduct; and in all respects, such Persons shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan and shall be fully protected from liability in acting or refraining to act in accordance with such advice; (ii) nothing in Section 13.3 of the Plan shall release, limit or affect Avoidance Actions of the Debtors; and (iii) nothing in Section 13.3 of the Plan shall release, limit or affect the Debtors' and/or the Plan Administrator's obligations under the Plan.

Section 13.4. Indemnification. The Plan Administrator and the members of the Post Effective Date Committee shall be indemnified and receive reimbursement against and from all loss, liability, expense (including counsel fees) or damage which the Plan Administrator or the members of the Post Effective Date Committee may incur or sustain in the exercise and performance of any of their respective powers and duties under the Plan, to the full extent permitted by law, except if such loss, liability, expense or damage is finally determined by a court of competent jurisdiction to result solely from the Plan Administrator's or the Post Effective Date Committee member's willful misconduct, fraud, intentional misconduct or gross negligence. The amounts necessary for such indemnification and reimbursement shall be paid by the Plan Administrator out of Cash held by the Plan Administrator under the Plan. The Plan Administrator shall not be personally liable for this indemnification obligation or the payment of any expense of administering the Plan or any other liability incurred in connection with the Plan, and no person shall look to the Plan Administrator personally for the payment of any such expense or liability. This indemnification shall survive the death, resignation or removal, as may be applicable, of the Plan Administrator and/or the members of the Post Effective Date Committee, and shall inure to the benefit of the Plan Administrator's and the Post Effective Date Committee members' and their respective successors, heirs and assigns, as applicable.

Section 13.5. Release of Collateral. Except as expressly provided otherwise in the Plan, unless a Holder of a Secured Claim receives a return of its Collateral in respect of such Claim under the Plan: (i) each Holder of; (A) an Allowed Secured Claim; and/or (B) an Allowed Claim that is purportedly secured, on the Effective Date shall (x) turn over and release to the Debtors any and all property that secures or purportedly secures such Claim; and (y) execute such documents and instruments as the Plan Administrator requires to evidence such claimant's release of such property; and (ii) on the Effective Date, all claims, rights, title and interest in

such property shall revert to the Debtors, free and clear of all Claims against the Debtors, including (without limitation) liens, charges, pledges, encumbrances and/or security interests of any kind. No Distribution hereunder shall be made to or on behalf of any Holder of such Claim unless and until such Holder executes and delivers to the Plan Administrator such release of liens. Any such Holder that fails to execute and deliver such release of liens within 60 days of any demand thereof shall be deemed to have no further Claim and shall not participate in any Distribution hereunder. Notwithstanding the immediately preceding sentence, a Holder of a Disputed Claim shall not be required to execute and deliver such release of liens until the time such Claim is Allowed or Disallowed.

Section 13.6. Cause of Action Injunction. On and after the Effective Date, all Persons other than the Plan Administrator and, to the extent applicable pursuant to Section 5.11 of the Plan, the Post Effective Date Committee will be permanently enjoined from commencing or continuing in any manner any action or proceeding (whether directly, indirectly, derivatively or otherwise) on account of, or respecting any, Claim, debt, right or Cause of Action that the Plan Administrator retains authority to pursue in accordance with the Plan.

Section 13.7. Preservation and Application of Insurance. The provisions of the Plan, including without limitation the release and injunction provisions contained in the Plan, shall not diminish or impair in any manner the enforceability and/or coverage of any insurance policies (and any agreements, documents, or instruments relating thereto) that may cover Claims (including Medical Malpractice/Personal Injury Claims) against the Debtors, any directors, trustees or officers of the Debtors, or any other Person, other than as expressly as set forth herein. For the avoidance of doubt, and as set forth in the Plan, all of the Debtors' insurance policies, or third party policies whether or not the Debtors are named as additional insured parties, and the proceeds thereof shall be available to Holders of Medical Malpractice/Personal Injury Claims to the extent such insurance policies cover such Medical Malpractice/Personal Injury Claims. Section 14.4. Withholding and Reporting Requirements. In connection with the Plan and all instruments issued in connection therewith and distributions thereon, the Plan Administrator shall comply with all withholding, reporting, certification and information requirements imposed by any federal, state, local or foreign taxing authority and all distributions hereunder shall, to the extent applicable, be subject to any such withholding, reporting, certification and information requirements. Persons entitled to receive distributions hereunder shall, as a condition to receiving such distributions, provide such information and take such steps as the Plan Administrator may reasonably require to ensure compliance with such withholding and reporting requirements, and to enable the Plan Administrator to obtain the certifications and information as may be necessary or appropriate to satisfy the provisions of any tax law. Consistent with the foregoing, each recorder of deeds or similar official for any county, city or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument, without requiring the payment of any documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax, or similar tax.

Section 14.6. Severability. In the event that any provision of the Plan is determined to be unenforceable, such determination shall not limit or affect the enforceability and operative effect of any other provisions of the Plan. To the extent that any provision of the Plan would, by its inclusion in the Plan, prevent or preclude the Court from entering the Confirmation Order, the Court, on the request of the Plan Proponents, in consultation with the Committee, may modify or amend such provision, in whole or in part, as necessary to cure any defect or remove any impediment to the Confirmation of the Plan existing by reason of such provision; provided, however, that such modification shall not be effected except in compliance with Section 11.1 of the Plan.

Section 14.7. Reservation of Rights. If the Plan is not confirmed for any reason, the rights of all parties in interest in the Cases are and shall be reserved in full. Section 14.8. Binding Effect; Counterparts. The provisions of the Plan shall bind all Holders of Claims against the Debtors, whether or not they have accepted the Plan.
