I. PURPOSE OF NOTICE

An asserted class action lawsuit has been filed in the United States District Court for the Southern District of Florida on behalf of a class of investors as defined in Section II, below (hereinafter referred to as "Lawsuit"). The plaintiffs in this lawsuit pending before the Honorable K. Michael Moore in the United States District Court for the Southern District of Florida ("Court"), have agreed to a settlement with Juan De La Riva, Amanda De La Riva, and Robert De La Riva (hereinafter referred to collectively as "the De La Riva Parties"), to resolve all claims related to or in connection with their handling and investment of, or involvement in any way with, any monies invested with Pension Fund of America ("PFA"). The proposed Settlement is with only the De La Riva Parties. The Plaintiffs shall continue to pursue all their claims against the other non-settling defendants for their involvement with PFA. The Settlement is described in more detail in Section IV below. The proposed Settlement is subject to approval by the Court at a final approval hearing (the "Fairness Hearing").

The purpose of this Notice is to inform you as a potential member of the Settlement Class (described below) of your rights. The provisions of this Notice are qualified and subject in their entirety to the terms of the Stipulation of Settlement, copies of which are available for review in the manner provided in Section IX below. Capitalized terms used but not defined herein have the meanings given to them in the Stipulation of Settlement.

II. THE SETTLEMENT CLASS

The "Settlement Class" or "Class," which this Court has conditionally certified for the purposes of the Settlement, consists of all persons who purchased, sold, held and/or retained investments in "retirement trust" plans offered by PFA, or its affiliated companies, during the period commencing January 1999 through the present ("Class Period"). **Excluded from the Class are the Defendants, PFA, PFA Assurance, PFA International, Claren TPA, Robert De la Riva, Luis Cornide, and all of the Defendants' alter-ego entities, all employees or agents of Defendants and agents of the Defendants' alter-ego entities, all subsidiaries and affiliates of the Defendants, the Defendants' officers, agents, and employees, any agents or brokers (and their immediate family members) who sold or solicited the sale of investments in PFA or PFA Assurance.**

IF YOU ARE COVERED BY ONE OF THESE EXCLUSIONS YOU ARE NOT A PARTY TO THE SETTLEMENT CLASS.

III. BACKGROUND OF THIS LITIGATION

On March 28, 2005, the Securities and Exchange Commission ("SEC") filed a Complaint against PFA and other related entities and individuals, alleging that PFA's sale of retirement trusts was in violation of federal securities laws. On that same day, the Court appointed Thomas Schultz, Esq. as Receiver for PFA and related entities.

On April 21 and 25, 2005, Plaintiffs filed two separate class actions complaint against numerous parties in connection with the PFA scheme. These two cases were ultimately combined into one consolidated lawsuit. Plaintiffs subsequently filed a second amended class action complaint against various banking institutions and other individuals and entities for violation of federal securities laws related to the PFA scheme. The Plaintiffs have engaged in negotiations with the De La Riva Parties in order to resolve all claims against those Parties related to their handling, investment or involvement with funds invested with PFA.

Class Counsel have met several times with counsel for the De La Riva Parties to discuss the potential settlement of this Action. Class Counsel reached a binding settlement with the De La Riva Parties, resolving all issues relating to the De La Riva Parties' handling and investment of, or involvement in any way with, any monies invested with PFA. A written Settlement Agreement was executed on May 25, 2007, and was preliminarily approved by the Court.

Plaintiffs and Class Counsel all have concluded that it would be in the best interests of the Class to enter into the Settlement Agreement with the De La Riva Parties because the Settlement would be a fair, reasonable and adequate resolution of this Action. The Settlement calls for the payment by the De La Riva Parties of \$112,500 (the "Class Settlement Fund"). The Settlement also requires that the Proceeds of the Receiver's Turnover Action, including the \$50,000 currently held in trust, and \$62,500 to be paid by the De La Riva Parties, for a total of \$112,500 be allocated to Authorized Claimants. Finally, the settlement provides for a Plan of Allocation that provides for the distribution of the Net Class Settlement Fund that is in accord with the Plan set forth in the settlement with the HSBC Parties, which distribution will inure to the benefit of the Settlement Class Members and other Authorized Claimants and avoid prolonged litigation between and among Settlement Class Members and other Authorized Claimants regarding distribution preferences and claim set-offs. By achieving a class settlement with the De La Riva Parties relatively early in the litigation, the Settlement Class Members will receive a significant amount of money without the uncertainty, delay, and expense of protracted litigation. Based on their evaluation, counsel for the Plaintiffs have determined that the settlement set forth in this Stipulation is fair, reasonable and adequate and in the best interests of the Settlement Class.

The De La Riva Parties, while continuing to deny vigorously Plaintiffs' claims and any liability with respect to such claims, nevertheless recognize the costs and uncertainties attendant upon further litigation of the claims in this Action, and have therefore concluded that it is desirable to enter into the proposed Settlement to avoid further expenses.

IV. PROPOSED SETTLEMENT OF THIS ACTION

After extensive negotiations among the attorneys for the parties in this Action, the parties have agreed to a Settlement of the Action ("Settlement"), subject to final approval by the Court. The parties agree that the Settlement shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing or of the truth of any of the claims or allegations in the Action. The terms and conditions of the Settlement are incorporated in a Stipulation of Settlement, which is on file with the Court. The following is a summary description of the Stipulation of Settlement.

Class Settlement Fund

The first financial term of the Settlement is as follows: Upon final approval of this settlement, the De La Riva Parties shall pay a total of **ONE HUNDRED TWELVE THOUSAND FIVE HUNDRED DOLLARS (\$112,500)** ("Settlement Fund") to the Class in exchange for a release of all Released Claims as defined in the Stipulation, and for other promises and consideration set forth in the Stipulation of Settlement.

The Settlement Fund, net of attorneys' fees and expenses as awarded by the Court, and the net of the expenses for administering the Settlement ("Net Settlement Fund") will be transferred to the Receiver for distribution to the Class pursuant to the Plan of Allocation.

Turnover Proceeds

The second financial term of the Settlement is as follows: upon final approval of this Settlement, the De La Riva Parties shall pay over to the Receiver **ONE HUNDRED TWELVE THOUSAND FIVE HUNDRED DOLLARS (\$112,500)**, Fifty Thousand Dollars (\$50,000) of which is currently held in trust by the Receiver (the "Turnover Proceeds"), and the remaining Sixty Two Thousand Five Hundred Dollars (\$62,500) to be paid by the De La Riva Parties.

All of the Turnover Proceeds, net of the expenses for administering the Settlement, will be transferred to the Receiver for distribution to the Class pursuant to the Plan of Allocation.

Plan of Allocation

The Plan of Allocation calls for distribution to qualified Settlement Class Members, WHO DO NOT ELECT TO EXCLUDE THEMSELVES FROM THE SETTLEMENT, of the following monies: (1) the Net Settlement Fund (\$112,500, less Court awarded fees and expenses, expenses attributable to administration of the Settlement and Taxes) and (2) \$112,500 of the Turnover Proceeds.

The total amount of the monies to be distributed will be divided equally between two funds. The first fund will be distributed on a pro-rata basis to all qualified Settlement Class Members, WHO DO NOT EXCLUDE THEMSELVES FROM THE SETTLEMENT, and who did not receive any distribution or return of their investment from PFA prior to the appointment of the Receiver. The second fund will be distributed on a pro-rata basis among all qualified Settlement Class Members, WHO DO NOT EXCLUDE THEMSELVES FROM THE SETTLEMENT, regardless of whether they received the prior distribution or return of their investment, and Receivership Creditors whose claims are allowed by the court after any objections deemed appropriate are made by the Receiver. Therefore, those investors who have not received any return of their investment from PFA prior to the appointment of the Receiver will share in distributions from the entire amount to be distributed by the Receiver. Those investors who have already received a partial return or liquidation of their investment from PFA prior to the appointment of the Receiver will share on a pro-rata basis in the distribution of only half of the recovered funds.

After final approval of the Settlement, and 30 days after the Effective Date of the Settlement, the Receiver shall mail a Proof of Claim form to all Settlement Class Members, WHO DID NOT ELECT TO EXCLUDE THEMSELVES FROM THE SETTLEMENT. The form of the proof of claim has been approved by the Court as part of this Settlement. ALL INVESTORS WHO WISH TO SHARE IN ANY OF THE RECOVERIES FROM THE SETTLEMENT WILL BE REQUIRED TO COMPLETE THE PROOF OF CLAIM AND RETURN IT TO THE RECEIVER, ALONG WITH SUPPORTING DOCUMENTATION. The Receiver will verify all claim forms that are submitted and will either confirm the amount of claim or may object.

The exact amount of money that you will receive from the Settlement cannot be determined until all claim forms are submitted and verified. Please note that the proof of claim form will not be mailed until 30 days after the Settlement is approved and the effective date of the Settlement.

Attorneys' Fees and Costs

The award of attorneys' fees to Class Counsel is a matter committed to the sole discretion of the Court. The Settlement provides that Class Counsel will apply for (1) an award not to exceed thirty percent (30%) of the Class Settlement Fund, and (2) reimbursement of their reasonable expenses and costs incurred in connection with prosecuting this Action ("the Fee Request"). **AS PART OF THIS SETTLEMENT, CLASS COUNSEL HAVE AGREED NOT TO SEEK THE AWARD OF ANY FEE FROM THE TURNOVER PROCEEDS TO BE PAID BY DE LA RIVA PARTIES AS PART OF THIS SETTLEMENT.** Any award made by the Court in response to the Fee Request shall be paid solely from the Settlement Fund. The fairness, reasonableness, and adequacy of the Settlement may be considered and ruled upon by the Court independently of any award of attorneys' fees and costs.

V. RELEASE AND DISCHARGE OF CLAIMS

The following is a summary of the Release agreed to by the Settling Parties as part of the Settlement: Juan and Amanda De la Riva shall be released and forever discharged from all manner of claims, demands, rights, liabilities and causes of action of every nature and description whatsoever, known or unknown, suspected or unsuspected, whether or not concealed or hidden, fixed or contingent, arising out of, based upon or related to the purchase, acquisition, maintenance or sale of any trust or other plan or security issued or sold by or on behalf of PFA by the Plaintiffs or any settlement class member during the settlement class period, and all claims, counter-claims, set-offs or defenses which were asserted, might have been asserted, or in the future could be asserted, in the Class Action Litigation and the Receiver's Turnover Motion including, without limitation, claims for negligence, gross negligence, breach of duty of care and/or breach of duty of loyalty, fraud, breach of fiduciary duty, or disgorgement of any gains, profits or unjust enrichment, or claims arising under or for violations of any state or federal statutes, rules, regulations or common law. Robert De la Riva shall be released and forever discharged from any and all claims, counter-claims, set-offs or defenses which were asserted, might have been asserted, or in the future could be asserted, in the Receiver's Turnover Motion including, without limitation, claims for negligence, gross negligence, breach of duty of care and/or breach of duty of loyalty, fraud, breach of fiduciary duty, or disgorgement of any gains, profits or unjust enrichment, or claims arising under or for violations of any state or federal statutes, rules, regulations or common law.

VI. YOUR RIGHT TO BE EXCLUDED FROM THE SETTLEMENT

If the Settlement is finally approved, you will be bound by the final judgment and release as entered by the Court unless you exclude yourself from the Settlement. Thus, if you are a Class Member, you have a choice whether or not to remain a member of the Class. This choice will have consequences that you should understand before making your decision. **IF YOU WANT TO REMAIN A MEMBER OF THE CLASS AND BE ABLE TO APPLY TO RECEIVE PART OF THE MONIES RECOVERED AS PART OF THIS SETTLEMENT, YOU ARE NOT REQUIRED TO DO ANYTHING AT THIS TIME.** By remaining a Class Member, you cannot assert in any other lawsuit, any claims against the De La Riva Parties arising out of your investment with PFA. Also, by remaining a Class Member, you will have the opportunity to, at a later date, receive a distribution in accordance with the Plan of Allocation.

IF YOU WANT TO BE EXCLUDED FROM THE CLASS FOR ANY REASON AND DO NOT WANT TO SHARE IN THE MONIES RECOVERED AS PART OF THIS SETTLEMENT, YOU MUST MAKE A WRITTEN REQUEST FOR EXCLUSION FROM THE CLASS AND SEND IT, VIA FIRST CLASS MAIL, TO
