Retained Causes of Action

EXHIBIT C

LISTS OF SETTLEMENT TRUST RETAINED CAUSES OF ACTION AND REORGANIZED DEBTOR RETAINED CAUSES OF ACTION¹

This **Exhibit C** sets forth the Settlement Trust Retained Causes of Action and the Reorganized Debtor Retained Causes of Action. **Exhibits C-1** and **C-2** set forth the Causes of Action to be transferred to the Settlement Trust, as contemplated by the Plan. **Exhibits C-3** through **C-7** set forth the Causes of Action to be retained by the Reorganized Debtors, as contemplated by the Plan. The Settlement Trust Retained Causes of Action include, but are not limited to, the Claims and Causes of Action set forth in **Exhibits C-1** and **C-2** herein. The Causes of Action set forth on **Exhibits C-3** through **C-7** shall be deemed to be the Reorganized Debtor Retained Causes of Action and shall satisfy the Debtors' obligation to identify the Reorganized Debtor Retained Cause of Action on or before the Initial Effective Date of the Plan.

Article IV.N of the Plan provides as follows:

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article IV.B, Article IV.O, and Article VIII hereof, the Reorganized Debtors (or the Settlement Trust, as applicable) shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement, and such rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Initial Effective Date or the Final Effective Date. The Reorganized Debtors (or the Settlement Trust, as applicable) may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Causes of Action against it as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against it. The Debtors or the Reorganized Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Court order, the Debtors or Reorganized Debtors, as applicable, expressly reserve all Causes of Action, for later adjudication, and,

¹ Capitalized terms used but undefined herein shall have the meanings ascribed to them in the *Global Settlement Joint Chapter 11 Plan of Reorganization of Samson Resources Corporation and Its Debtor Affiliates* [Docket No. 1882] (as amended from time to time, the "Plan").

therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

In accordance with section 1123(b)(3) of the Bankruptcy Code, except as otherwise provided herein, any Causes of Action that a Debtor may hold against any Entity (including, for the avoidance of doubt, any claim which remains if a Plan release is not approved by the Confirmation Order), shall vest in the Reorganized Debtors. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Court.

Notwithstanding and without limiting the generality of Article IV.N of the Plan, unless otherwise released by the Plan, the Debtors expressly reserve their rights with respect to all Causes of Action, including, for the avoidance of doubt, all claims, defenses, cross claims, and counterclaims against or related to all Entities that are party to or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, regardless of whether such Entity is included on the lists accompanying this **Exhibit C**. The Plan and/or the lists of Settlement Trust Retained Causes of Action and Reorganized Debtor Retained Causes of Action may be amended in accordance with the Plan.

As described in more detail below, the Settlement Trust Retained Causes of Action are all Claims and Causes of Action (including Avoidance Actions) held by or on behalf of any Debtor against any Entity (except for any Claims or Causes of Action, alleged or otherwise, against the Released Parties), excluding any Entity intended to do business with the Reorganized Debtors that the Debtors or the Reorganized Debtors (as applicable) identify as being costly or burdensome to replace in writing to the Committee on or before the Initial Effective Date. For the avoidance of doubt, the Settlement Trust Retained Causes of Action shall not include Claims or Causes of Action that are (a) are against any Entity that is a counterparty to an Executory Contract or Unexpired Lease assumed by the Debtors pursuant to sections 365 or 1123 of the Bankruptcy Code excluding such Executory Contracts or Unexpired Leases assumed and assigned to a purchaser pursuant to an Asset Sale, (b) are on account of or arising under any contract or lease entered into after the Petition Date, (c) are on account of any of the Debtors' postpetition ordinary-course-of-business accounts receivable, (d) are against any Governmental Unit (including, without limitation, on account of tax refunds), and (e) are based solely on postpetition conduct, give rise to postpetition damages, and have not yet been discovered by the Debtors. The Claims and Causes of Action transferred to the Settlement Trust include, but are not limited to, those set forth in **Exhibit C-1** and **Exhibit C-2** attached hereto.

As described in more detail below, the Reorganized Debtor Retained Causes of Action are all Claims and Causes of Action (except for any Claims or Causes of Action, alleged or otherwise, against the Released Parties) that are not Settlement Trust Retained Causes of Action. For the avoidance of doubt, the Reorganized Debtor Retained Causes of Action will include all Claims and Causes of Action (a) against any Entity that is a counterparty to an Executory Contract or Unexpired Lease assumed by the Debtors pursuant to sections 365 or 1123 of the Bankruptcy Code excluding such Executory Contracts or Unexpired Leases assumed and assigned to a purchaser pursuant to an Asset Sale, (b) on account of or arising under any contract or lease entered into after the Petition Date, (c) on account of any of the Debtors' postpetition ordinary-course-of-business accounts receivable, (d) against any Governmental Unit (including, without limitation, on account of tax refunds), and (e) that are based solely on postpetition conduct, give rise to postpetition damages, and have not yet been discovered by the Debtors. The Claims and Causes of Action retained by the Reorganized Debtors include, but are not limited to, those set forth in Exhibit C-3 through Exhibit C-7 attached hereto.

1. Settlement Trust Retained Avoidance Actions.

Unless otherwise released by the Plan, the Avoidance Actions to be transferred to the Settlement Trust include, but are not limited to, the Avoidance Actions set forth in Exhibit C-1 attached hereto.

2. Settlement Trust Retained Other Claims and Causes of Action.

Unless otherwise released by the Plan, the Claims and Causes of Action, other than Avoidance Actions, to be transferred to the Settlement Trust include, but are not limited to, the Claims and Causes of Action set forth in Exhibit C-2 attached hereto.

3. Reorganized Debtor Retained Causes of Action Regarding Contract Parties.

Unless otherwise released by the Plan, the Reorganized Debtors shall retain all Claims and Causes of Action against any Entity that is a counterparty to an Executory Contract or Unexpired Lease assumed by the Debtors pursuant to sections 365 or 1123 of the Bankruptcy Code or on account of or arising under any contract or lease entered into after the Petition Date, including, but are not limited to, the Claims and Causes of Action set forth in Exhibit C-3 attached hereto.

4. Reorganized Debtor Retained Causes of Action Regarding Other Business Parties.

Unless otherwise released by the Plan, the Reorganized Debtors shall retain all Claims and Causes of Action against any Entity with which the Reorganized Debtors intend to do business and that is costly or burdensome to replace, including, but are not limited to, the Claims and Causes of Action set forth in Exhibit C-4 attached hereto.

5. Reorganized Debtor Retained Claims Related to Tax Refunds.

Unless otherwise released by the Plan, the Debtors shall retain all Claims or Causes of Action against any Governmental Unit (including, without limitation, on account of tax refunds), including, but are not limited to, the Claims and Causes of Action set forth in

Exhibit C-5 attached hereto. Furthermore, the Debtors expressly reserve all Causes of Action against or related to all Entities who assert or may assert that the Debtors or Reorganized Debtors owe taxes to them.

6. Reorganized Debtor Retained Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings.

Unless otherwise released by the Plan, the Debtors shall retain all Claims or Causes of Action based in whole or in part upon any and all postings of a security deposits, adequate assurance payment, or any other type of deposit or collateral, including, but are not limited to, the Claims and Causes of Action set forth in **Exhibit C-6** attached hereto.

7. Reorganized Debtor Retained Claims, Defenses, Cross-Claims, and Counter-Claims Related to Litigation and Potential Litigation.

Unless otherwise released by the Plan, the Debtors shall retain all Claims or Causes of Action against any Entity with which the Reorganized Debtors intend to do business and that is costly or burdensome to replace and which is a party or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal or judicial or non-judicial including, but are not limited to, the Claims and Causes of Action set forth in **Exhibit C-7** attached hereto.

1. The Supplemental Relief is granted as set forth herein.

2. As evidenced by the affidavits and/or certificates of service filed with the Court, proper, timely, adequate, and sufficient notice of the Plan Supplement, the Supplement to the Plan Supplement, the Third Amendment, the sale of the Supplemental Assets, the assumption and assignment to Fairway Resources III, LLC (“Fairway”) of the executory contracts and unexpired leases specified on **Exhibit 3** hereto (such executory contracts and unexpired leases, the “Second Closing Assigned Contracts”), the Second Closing Cure Costs (as defined below), the Confirmation Hearing, and all deadlines related thereto, has been provided, as relevant, in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014, Local Rule 6004-(1) and in compliance with the Bidding Procedures Order and the Third Amendment, to all interested persons and entities, including, without limitation, the Notice Parties (as defined below).

The service of the Second Closing Supplemental Notices was sufficient under the circumstances, and no further notice need be provided in respect of the Debtors' assumption and assignment to Fairway of the Second Closing Assigned Contracts or the Second Closing Cure Costs. All non-Debtor counterparties to the Second Closing Assigned Contracts have had an adequate opportunity to object to the assumption and assignment of the Second Closing Assigned Contracts and the Second Closing Cure Costs.

9. The sale of the Supplemental Assets shall, for all purposes, be governed by the terms of the Asset Purchase Agreement, the Third Amendment, this Order and the Original Sale Order. The findings and conclusions and other provisions of the Original Sale Order shall apply to the sale of the Supplemental Assets; the Supplemental Assets shall constitute “Assets” under the Original Sale Order, and the Second Closing Assigned Contracts shall constitute “Assigned Contracts” and “Assigned Leases,” as applicable, under the Original Sale Order, in each case for all purposes. For the avoidance of doubt, the sale of the Supplemental Assets shall, for all purposes, be a part of the “Sale,” as approved and defined in the Original Sale Order.

claims based on any putative successor or transferee liability, as set forth in the Original Sale Order, and/or (b) be deemed to have consented to the sale of the Supplemental Assets and/or waived their ability to exercise any preferential purchase right or consent right with respect to the sale of the Supplemental Assets, if such parties shall have failed to timely object to the Plan Supplement or the Supplement to the Plan Supplement, as appropriate.

13. Notwithstanding the possible applicability of Bankruptcy Rules 6004(h), 7062, 9014 or otherwise, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

14. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Plan Supplement, the Supplement to the Plan Supplement and the Third Amendment.
