OBJECTION SHOULD LOCATE THEIR NAMES AND CLAIMS ON EXHIBITS A-G TO
EXHIBIT 1 ATTACHED TO THIS OBJECTION**

The Reorganized Debtors (“Reorganized Debtors”) and the Settlement Trust (collectively, with the Reorganized Debtors, “Settlement Trust”) file this fourteenth omnibus objection to claims (this “Objection”), pursuant to which the Settlement Trust requests the entry of an order, substantially in the form attached hereto as **Exhibit 1** (the “Order”), (a) disallowing and/or modifying each of the claims identified on **Exhibits A-G** to **Exhibit 1** (the “Claims”), attached hereto and as discussed in further detail below, and (b) authorizing Garden City Group, LLC (the “Claims Agent”) to expunge and/or modify the Claims² on the official register maintained by the Claims Agent (the “Claims Register”). In further support of this Objection, the Settlement Trust

¹ The Reorganized Debtors in these chapter 11 cases, along with the last four digits of each Reorganized Debtor’s federal tax identification number, include: Geodyne Resources, Inc. (2703); Samson Contour Energy Co. (7267); Samson Contour Energy E&P, LLC (2502); Samson Holdings, Inc. (8587); Samson-International, Ltd. (4039); Samson Investment Company (1091); Samson Lone Star, LLC (9455); Samson Resources Company (8007); and Samson Resources Corporation (1227). The location of parent Reorganized Debtor Samson Resources Corporation’s corporate headquarters and the Reorganized Debtors’ service address is: Two West Second Street, Tulsa, Oklahoma 74103.

² To the extent the Court allows a Claim, the Reorganized Debtors, the Settlement Trust, and the holder of such

respectfully states as follows:

Jurisdiction and Venue

1. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012*. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Settlement Trust consents pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Bankruptcy Rules”) to the entry of a final order by the Court in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief requested in this Objection are section 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), rules 3001, 3003, and 3007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Bankruptcy Rule 3007-1.

Relief Requested

4. By this Objection, the Settlement Trust seeks entry of the Order disallowing and/or modifying each of the Claims in their entirety. Each Claim primarily relates to royalty interest(s) that the Debtors treated appropriately, was filed with insufficient supporting documentation to substantiate the Claim, is a substantive or exact duplicate, was a late filed claim, is overstated and should be modified, was filed in the wrong case, and was amended

Claim reserve their rights regarding the proper classification of such Claim.

and/or superseded.

5. In addition, the Settlement Trust seeks to authorize the Claims Agent to expunge and/or modify each of the Claims on the Claims Register in accordance with the Order. The Settlement Trust intends to use the form of notice previously approved by the Court [D.I. 2168 at Exhibit 1] to provide notice of the Objection to each claimant holding a Claim.

6. This Objection complies in all respects with Local Bankruptcy Rule 3007-1, as modified by the Court's March 24, 2017 Order [D.I. 2168].

Background

7. On September 16, 2015 (the "Petition Date"), each of the Debtors filed a voluntary petition with the Court under the Bankruptcy Code. The Court has entered a final order for joint administration of these chapter 11 cases [D.I. 70]. The Office of the United States Trustee for the District of Delaware (the "U.S. Trustee") formed an official committee of unsecured creditors of Samson Resources Corporation on September 30, 2015 [D.I. 129]. Further information regarding the Debtors' business operations and capital structure is set forth in the declaration of Philip Cook in support of the Debtors' first day motions [D.I. 2].

8. On October 15, 2015, the Debtors filed their schedules of assets and liabilities (the "Schedules") and statements of financial affairs ("Statements" and together, with the Schedules, the "Schedules and Statements") [D.I. 201–218]. On June 29, 2016, the Debtors filed certain amended Schedules and Statements [D.I. 1108–1118].

9. On October 16, 2015, the Court entered an order (the "Bar Date Order") establishing November 20, 2015, at 5:00 p.m. (prevailing Eastern Time) (the "Bar Date") as the final date and time for non-government claimants holding or asserting a claim against the Debtors arising on or before the Petition Date to file proofs of claim in these chapter 11 cases

and approving the form and manner of notice of the Claims Bar Date [D.I. 224].³

10. Written notice of the Bar Date was mailed to, among others, all known creditors and other known holders of claims against the Debtors as of the date of entry of the Bar Date Order, including all entities listed in the Schedules as holding claims against the Debtors, and to all parties who had filed requests for notices under Bankruptcy Rule 2002 as of the date of the Bar Date Order. In addition to mailing such actual notice, the Debtors also published notice of the Bar Date in the national edition of *The New York Times* [D.I. 467].

11. To date, over 3,000 proofs of claim have been filed in these chapter 11 cases, as recorded on the Claims Register.

Basis for Objection

12. Section 502(a) of the Bankruptcy Code provides that “[a] claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). The burden of proof for determining the validity of Claims rests on different parties at different stages of the objection process. As explained by the United States Court of Appeals for the Third Circuit:

The burden of proof for claims brought in the bankruptcy court under 11 U.S.C.A. § 502(a) rests on different parties at different times. Initially, the claimant must allege facts sufficient to support the claim. If the averments in his filed claim meet this standard of sufficiency, it is ‘prima facie’ valid [citations omitted]. In other words, a claim that alleges facts sufficient to support legal liability to the claimant satisfies the claimants’ initial obligation to go forward. The burden of going forward then shifts to the objector to produce evidence sufficient to negate the *prima facie* validity of the filed claim. . . . In practice, the objector must produce evidence which, if believed, would refute at least

³ The Bar Date Order also established March 14, 2016, at 5:00 p.m. as the final date and time for all governmental units (as defined in section 101(27) of the Bankruptcy Code) holding or asserting a claim against the Debtors, including claims for unpaid taxes, arising on or before the Petition Date to file proofs of claim in these chapter 11 cases (the “Governmental Bar Date”), which deadline was subsequently extended as to certain governmental units by agreement of the Debtors to April 14, 2016, at 5:00 p.m. [D.I. 771].

one of the allegations that is essential to the claim's legal sufficiency. If the objector produces sufficient evidence to negate one or more of the sworn facts in the proof of claim, the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence.

In re Allegheny Int'l Inc., 954 F.2d 167, 173–74 (3d. Cir. 1992) (citation omitted). Once the prima facie validity of a claim is rebutted, “it is for the claimant to prove his claim, not for the objector to disprove it.” *In re Kahn*, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

13. This Objection is filed pursuant to section 502(b) of the Bankruptcy Code, which provides, in pertinent part:

[I]f such objection to a claim is made, the court, after notice and a hearing, shall determine the amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that—

(1) such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law for a reason other than because such claim is contingent or unmatured

11 U.S.C § 502(b)(1)

14. Further, the Settlement Trust has relied on the Declaration of Matthew Brown, attached as **Exhibit 2**, in submitting this Objection.

I. Paid Royalty Interest Claims

15. The Claims listed on **Exhibit A** to **Exhibit 1** are claims in which claimants have asserted various amounts they allege to be due in accordance with their ownership of certain oil and gas wells. As a result of a review of the Claims Register and the Books and Records (*see* Declaration of Brown, attached as **Exhibit 2**), the Settlement Trust has identified numerous Claims for which the Books and Records reflect no liability. Indeed, the claimants listed in **Exhibit A** already received appropriate royalty payments, as reflected by the Debtors' Books

and Records. *See* Declaration of Brown.

16. If these Claims are not disallowed and expunged, claimants would receive a windfall because they would receive payments they are not entitled to and for which they have already received proper payment. As a result, the Settlement Trust objects to the Claims listed on **Exhibit A** and respectfully requests entry of the Order disallowing in full and expunging the Claims listed on **Exhibit A**.

II. Insufficient Documentation Claims

17. The Claims listed on **Exhibit B** to **Exhibit 1** have been filed without any documentation to substantiate the proofs of claim. As explained in *In re Kincaid*, 388 B.R. 610, 614 (Bank. E.D. Pa. 2008):

The law is well settled that failure to attach supporting documentation as required by a rule of procedure is not grounds for disallowance of a claim as §502(b) supplies the exclusive basis for claim disallowance. Rather where the proof of claim does not adhere to the requirements of Rule 3001 by providing the facts and documents necessary to support the claim, it is not entitled to the presumption of prima facie validity.

18. Absent the application of the presumption, the burden of going forward and proving the Claim by a preponderance of the evidence remains on the claimants. *In re Porter*, 374 B.R. 471, 483 (Bankr. D. Conn.2007). Without sufficient information or documentation to permit reconciliation of the proofs of claim, the Insufficient Documentation Claims fail to satisfy the requirements for a proof of claim. As a result, the Settlement Trust respectfully requests that, absent a further showing of documentation by the claimants by the objection deadline, the Court enter the Order disallowing in full and expunging the Claims listed on **Exhibit B**.

III. Substantive Duplicate Claims

19. The Claims listed on **Exhibit C** to **Exhibit 1** are Claims in which a claimant filed a substantively duplicate Claim against the same Debtor. These Claims should be disallowed

and expunged because claimants should not be paid more than once and expungement will reflect a more accurate claims register. *See, generally, In re Orion Refining Corp.*, 317 B.R. 660, 662 (Bank. D. Del. 2004).

20. As a result, the Settlement Trust objects to the Claims listed on **Exhibit C** and respectfully requests entry of the Order disallowing in full and expunging the Claims listed on **Exhibit C**.

IV. Late Filed Claims

21. The Claims listed on **Exhibit D** to **Exhibit 1** appear to have been filed after the Bar Date. Pursuant to the Bar Date Order, all proofs of claims were to be filed by the Bar Date. It does not appear that any of these Claims were amendments to timely filed claims. The Claims should be disallowed and expunged because they are legally dead. *In re Trans World Airlines, Inc.*, 96 F.3d 687, 690 (3d Cir. 1996).

22. As a result, the Settlement Trust objects to the Claims listed on **Exhibit D** and respectfully requests entry of the Order disallowing in full and expunging the Claims listed on **Exhibit D**.

V. Modification of Claim Amounts

23. The Claims listed on **Exhibit E** to **Exhibit 1** are Claims asserted in an incorrect amount. Based on the Settlement Trust's review of these Claims and the Debtors' Books and Records, each of the claims are either (a) asserted in an amount that is higher than the amount of liability reflected in the Debtors' Books and Records, or (b) asserted in an amount that is not supported by the documentation provided.

24. Failure to modify these Claims could result in claimants receiving an unwarranted recovery to the detriment of other similarly situated creditors. Moreover, modification of these

Claims will enable the Claims Register to reflect more accurately the claims asserted against the Debtors. Accordingly, the Settlement Trust respectfully requests that these Claims be reduced or fixed to assert the amount listed under the heading “Modified Amount,” as noted on Exhibit E to Exhibit 1, which corresponds with the amount the Settlement Trust believes is owed.

VI. Incorrect Debtor Claims

25. The Claims listed on Exhibit F to Exhibit 1 are Claims that were asserted against a Debtor that has no liability for the Claim or are properly asserted, if at all, against a different Debtor. Reassignment of these Claims will enable the Claims Register to reflect more accurately the Claims asserted against the Debtors. Accordingly, the Settlement Trust respectfully requests that each of these Claims be reassigned from the “Asserted Debtor” to the “Modified Debtor” category, as noted on Exhibit F to Exhibit 1. To the extent any of these Claims are also subject to a justification for expungement, the Settlement Trust respectfully requests that such Claims be disallowed and expunged.

VII. Amended and Superseded Claims

26. The Claims listed on Exhibit G to Exhibit 1 are Claims that have been amended or superseded by a subsequently filed proof of claim by the same claimant and on account of the same liability as reflected in the category titled “Remaining Claim Number” on Exhibit G to Exhibit 1. These claims remain on the Claims Register only as a technicality and may be eliminated without affecting such claimants’ underlying claims. Accordingly, the Settlement Trust objects to these Claims and respectfully requests that these Claims be disallowed in their entirety and expunged from the Claims Register.

27. Disallowance or expungement of these Claims will not affect the “Remaining Claim,” each of which will remain on the Claims Register unless withdrawn by the respective

claimant or disallowed by the Court, subject to the Settlement Trust's right to object in the future on any grounds permitted by bankruptcy or non-bankruptcy law; provided, however, that the Settlement Trust will not object to the "Remaining Claim" on the basis that they were not timely filed. *See generally* 11 U.S.C. §502(a).

SEPARATE CONTESTED MATTER

28. To the extent that a response is filed regarding any Claim listed in the Objection and the Settlement Trust is unable to resolve the response, each such Claim, and the objection by the Settlement Trust to each such Claim asserted herein, shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Any order entered by the Court regarding the Objection shall be deemed a separate order with respect to each Claim.

RESPONSES TO OMNIBUS OBJECTION

To contest this Objection, a claimant must file and serve a written response to this Objection so that it is received no later than 4:00 p.m., prevailing Eastern Time, on **February 13, 2018** (the "Response Deadline"). To the extent that the Objection does not comply in all respects with the requirements of Local Rule 3007-1 or the Rule 3007(c) General Order, the Settlement Trust believes that such deviations are not material and respectfully requests that any such requirement be waived.

No Prior Request

37. No prior request for the relief sought in this Objection has been made to this or any other court.

WHEREFORE, the Settlement Trust respectfully requests the entry of the Order, substantially in the form attached hereto as **Exhibit 1**, granting the relief requested and granting such other and further relief as the Court deems just and proper.

**DECLARATION OF MATTHEW BROWN IN SUPPORT OF REORGANIZED
DEBTORS AND SETTLEMENT TRUST’S JOINT FOURTEENTH OMNIBUS
SUBSTANTIVE OBJECTION TO CLAIMS BASED ON ROYALTY INTERESTS
PURSUANT TO SECTION 502(B) OF THE BANKRUPTCY CODE, BANKRUPTCY
RULES 3001, 3003, 3007, AND LOCAL BANKRUPTCY RULE 3007-1**

I, Matthew Brown, declare as follows:

1. I make this declaration (the “Declaration”) in support of the Reorganized Debtors (“Reorganized Debtors”) and the Settlement Trust’s (collectively, with the Reorganized Debtors, “Settlement Trust”) Fourteenth Omnibus Substantive Objection to Royalty Interests Claims (the “Objection”).²

2. I began working for the Debtors in 2007 and am currently serving as a Supervisor in the Revenue Accounting department for the Reorganized Debtors.

3. I make this Declaration upon the basis of personal knowledge or knowledge of persons under my supervision and a review, by me and others working with me

¹ The Reorganized Debtors in these chapter 11 cases, along with the last four digits of each Reorganized Debtor’s federal tax identification number, include: Geodyne Resources, Inc. (2703); Samson Contour Energy Co. (7267); Samson Contour Energy E&P, LLC (2502); Samson Holdings, Inc. (8587); Samson-International, Ltd. (4039); Samson Investment Company (1091); Samson Lone Star, LLC (9455); Samson Resources Company (8007); and Samson Resources Corporation (1227). The location of parent Reorganized Debtor Samson Resources Corporation’s corporate headquarters and the Reorganized Debtors’ service address is: Two West Second Street, Tulsa, Oklahoma 74103.

² Capitalized terms used herein but not otherwise defined shall have the same meaning ascribed to such terms in the Objection.

and under my supervision, of (i) the claims identified on Exhibits A-G (the “Claims”) to the Order attached as Exhibit 1 to the Objection (the “Order”), (ii) the Claims Register, and (iii) the Debtors’ applicable Books and Records.

4. The information contained in the Objection is true and correct to the best of my knowledge, information, and belief. Upon review of the Claims filed in these chapter 11 cases and supporting documentation attached thereto, the Settlement Trust has determined that the Claims listed on Exhibits A-G to Exhibit 1 to the Objection are not properly asserted pursuant to section 502(b) of the Bankruptcy Code, Bankruptcy Rules 3001, 3003, and 3007, Local Bankruptcy Rule 3007-1, and applicable orders of the Bankruptcy Court. If called as a witness, I would testify competently thereto.

5. In conducting their oil and gas exploration and production operations, the Debtors calculated and remitted royalty payments to their thousands of royalty holders every month. The Debtors utilized leases, division orders, affidavits of heirship, court orders, title opinions, and other authentic documents maintained within their files and submitted by owners, as well as production data and proceeds from the sale of natural gas, oil, and other hydrocarbons, to calculate and make royalty payments.

6. The Debtors kept very detailed billing and payment records for all royalty and other interests impacting the business in an electronic database management system licensed from SAP. This system helped the Debtors to accurately calculate and track, among many other metrics, ownership interests, production information, sales and revenue data, and costs associated with production. Every time the Debtors issued a check to a party entitled to payment, we included payment detail showing the amount of hydrocarbons extracted, the gross royalty interest payment, the deductions from the gross royalty interest payments, and the net royalty

interest payment. A review of the Debtors' records has not demonstrated any abnormalities or missed payments concerning any of the disputed claims listed on Exhibits A-B or the interests associated with those claims.

7. The Reorganized Debtors have reviewed each of the Claims on Exhibits A-B subject to the Objection. The objections set forth in Exhibits A-B to the Order are based upon their review of the Claims and a comparison of them against the Debtors' liabilities as set forth in the Debtors' records. In addition, with respect to each of the Claims listed on Exhibits A-B to the Order, the Reorganized Debtors have reviewed the Debtors' books and records to determine whether the amount asserted in the claim was correct.

8. Based on the Reorganized Debtors review of the Debtors' books and records, the amounts asserted in each claim listed on Exhibits A-B cannot be substantiated. Further, upon the Reorganized Debtors review of the Objection and the books and records of the Debtors, the Reorganized Debtors believe that each claimant has received any royalty interest due.

9. As a result, the Reorganized Debtors, in consultation with the Settlement Trust, have determined it is appropriate to object to each of the proofs of claim listed on Exhibits A-B to the Order. After reviewing the Claims and the documentation supporting the Claims, the Reorganized Debtors have concluded that there is no basis in the Debtors' books and records for the claims as asserted and, as to the claims listed on Exhibit B, that the claims do not include or attach sufficient information or documentation to support the proof of claim. As such, the Claims identified on Exhibits A-B to the Order should be disallowed.

10. Further, to the best of my knowledge, information, and belief, and insofar as I have been able to ascertain after reasonable inquiry and review of the Objection, the Claims

subject to modification, Exhibit E to Exhibit 1, are either (a) asserted in an amount that is higher than the amount of liability reflected in the Debtors' Books and Records, or (b) asserted in an amount that is not supported by the documentation provided.

11. Finally, with respect to the Amended and Superseded Claims, Exhibit G to Exhibit 1, to the best of my knowledge, information, and belief, and insofar as I have been able to ascertain after reasonable inquiry, the Amended and Superseded Claims have each been amended and superseded by a subsequently filed proof of claim by the same claimant and on account of the same liability as reflected in the category titled "Remaining Claim" on Exhibit G to Exhibit 1.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, information, and belief.

Dated: January 23, 2018
