**ORDER AUTHORIZING DEBTORS TO SELL CERTAIN OIL AND GAS ASSETS  
FREE AND CLEAR OF ALL LIENS, CLAIMS, AND ENCUMBRANCES**

Upon the motion (the “Motion”)<sup>2</sup> of the above-captioned debtors and debtors in possession (collectively, the “Debtors”), for entry of an order (this “Order”) authorizing the Debtors to sell the Wells in the Oil and Gas Auctions or in private sales under section 363 of title 11 of the United States Code (the “Bankruptcy Code”), all as set forth in the Motion, free and clear of all liens, claims, and encumbrances; and the Court having found that the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and the Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and the Court having found that venue of this proceeding and the motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the relief requested in the motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and the Court having found that the Debtors provided good and sufficient notice of the motion and the opportunity for a hearing on the motion under the circumstances, including to the agents under the Debtor’s

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Geodyne Resources, Inc. (2703); Samson Contour Energy Co. (7267); Samson Contour Energy E&P, LLC (2502); Samson Holdings, Inc. (8587); Samson-International, Ltd. (4039); Samson Investment Company (1091); Samson Lone Star, LLC (9455); Samson Resources Company (8007); and Samson Resources Corporation (1227). The location of parent Debtor Samson Resources Corporation’s corporate headquarters and the Debtors’ service address is: Two West Second Street, Tulsa, Oklahoma 74103.

first lien credit facility (the “RBL Agent”) and second lien credit facility (the “Second Lien Agent”) and counsel to the official committee of unsecured creditors in the Debtors’ chapter 11 cases (the “Committee”); and the Court having reviewed the motion and the objections thereto and having heard the statements in support of the relief requested therein at a hearing before the Court (the “Hearing”); and the Court having determined that the legal and factual bases set forth in the motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein, and all objections to the relief granted herein that have not been withdrawn, waived, or settled hereby are overruled on the merits, except for the objections filed by certain heirs of Randolph Parker and William Seamster [Docket Nos. 637, 645, 646, 661, 662, 664, 665] (the “Continued Objections”). The Motion is continued to a date to be determined with respect to such Continued Objections, and the relief granted herein shall not apply to any oil and gas wells in which such Parker and Seamster heirs own interests.

2. Pursuant to sections 105, 363, and 365 of the Bankruptcy Code, the Debtors are authorized to offer the Wells listed on the attached Exhibit A for sale in any Oil and Gas Auction and to enter into and perform under any agreements or other documentation necessary to consummate any sale of a Well, regardless of whether such sale results from an Oil and Gas Auction, including assuming and assigning any applicable agreements related to the Wells; *provided* that, for the avoidance of doubt, the term “Well” as used in this Order shall refer only to the interests of the Debtors’ estates in a given Well; *provided, further*, that (a) the Debtors shall provide notice to the Committee, the RBL Agent, and the Second Lien Agent of (i) the

proposed minimum bids for the Wells to be offered for sale in the Oil and Gas Auction scheduled for March 9, 2016, no later than February 29, 2016 and shall consult with the Committee, the RBL Agent, and the Second Lien Agent regarding such proposed minimum bids, and (ii) their intention to offer any Wells for sale in any Oil and Gas Auction other than the auction scheduled for March 9, 2016 or to sell any Well in a private sale, in each case at least fourteen (14) days before such Oil and Gas Auction or private sale and shall consult with the Committee, the RBL Agent, and the Second Lien Agent regarding any minimum bids or proposed purchase price(s) and (b) the Committee, the RBL Agent, and the Second Lien Agent shall have the right to object to any such proposed minimum bids or Oil and Gas Auction or private sale for any reason, including the insufficiency of the proposed purchase price or minimum bid, by notifying the Debtors of such objection within three (3) business days after receiving such notice, without the need to file a formal objection with the Court, and if, after good faith negotiations, the Debtors and the Committee, the RBL Agent, or the Second Lien Agent (as applicable) are unable to resolve such objection consensually, the matter shall be resolved by the Court prior to the applicable Oil and Gas Auction or private sale at a hearing to be scheduled as soon as reasonably practicable and in accordance with the Court's calendar.

3. The Debtors are authorized to pay any fees and commissions due and owing in connection with the Oil and Gas Auction. OGAC will be deemed retained by the Debtors pursuant to section 327 of the Bankruptcy Code and will submit an application to this Court for approval of reimbursement of promotional and other costs incurred by OGAC by the Debtors under the governing agreement between the Debtors and OGAC.

4. The proceeds from the sale in any Oil and Gas Auction or private sale of any Well that the Debtors have identified as not being subject to a mortgage shall be placed in a segregated bank account established by the Debtors.

5. Nothing in the Motion or this Order is intended to or shall prejudice the rights of any party in interest with respect to (a) whether all or a portion of any Well or all or a portion of the proceeds of any Well is subject to a valid lien, claim, encumbrance, or interest, (b) whether the costs associated with any Oil and Gas Auction or private sale may be surcharged against or otherwise paid out of any sale proceeds or other collateral, and (c) any future proposed sales of the Debtors' assets other than the Wells.

6. For any Wells that are sold in the same lot in an Oil and Gas Auction or otherwise sold together in a private sale, the purchaser shall allocate the purchase price on a Well-by-Well basis, which allocation shall be binding on all parties in interest in these chapter 11 cases.

7. Any sale of a Well conducted pursuant to an Oil and Gas Auction or a private sale on the terms set forth in this Order shall, for all purposes, be deemed to have been negotiated and consummated at arm's length without collusion or fraud and in good faith within the meaning of section 363(m) of the Bankruptcy Code. In connection with any such sale of a Well, the purchaser thereof shall, for all purposes, be deemed to have: (a) recognized that the Debtors were free to deal with any other party interested in acquiring the Wells; (b) complied with the requirements imposed by the Debtors with regard to any purchase of the Wells; (c) satisfied fully all requirements for purposes of ensuring the sale of the Wells was fully proper and sufficient, and (d) not violated section 363(n) of the Bankruptcy Code by any action or inaction. As a result of the foregoing, the purchaser of any of the Wells at an Oil and Gas Auction or through a private sale shall, for all purposes, be deemed a "good faith purchaser" within the meaning of

section 363(m) of the Bankruptcy Code, and as such, shall be entitled to all of the protections afforded thereby, including that the sale shall not be invalidated in the event this Order or any portion thereof is reversed or modified on appeal, and such purchaser otherwise shall, for all purposes, be deemed to have proceeded in good faith in all respects in connection with the sale specifically and these chapter 11 cases generally. No “insider” of the Debtors (as such term is defined in section 101(31) of the Bankruptcy Code) shall be permitted to purchase any Well, whether pursuant to an Oil and Gas Auction or any other sale.

8. Except as expressly provided in the terms set forth in any applicable sale agreement or by this Order, pursuant to sections 105, 363, and 365 of the Bankruptcy Code, upon the consummation of the sale of any Well, whether pursuant to an Oil and Gas Auction or a private sale, neither the purchaser nor its respective successors and assigns shall have any liability for any competing lien, claim, encumbrance, or interest, except for any specifically identified liens and any expressly identified assumed liabilities set forth in any proposed purchase and sale agreement between the Debtors and any purchaser, and such sale shall be free and clear of all liens, claims, encumbrances, and interests, whether known or unknown as of the date of such consummation, now existing or hereafter arising, whether fixed or contingent, prepetition or post-petition, whether as a successor, vicariously, or otherwise, of any kind, nature, or character whatsoever, including for any claims arising under, without limitation:

- (a) any labor or employment agreements; (b) all mortgages, deeds of trust, and security interests;
- (c) any intercompany loans and receivables between the Debtors and any non-Debtor affiliate;
- (d) any pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, including, without limitation, any pension plan of any Debtor, any affiliate of any Debtor, or any member of the Debtors’ “control group;” (e) any other employee, worker’s

compensation, occupational disease, or unemployment or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (i) the Employee Retirement Income Security Act of 1974, as amended, (ii) the Fair Labor Standards Act, (iii) Title VII of the Civil Rights Act of 1964, (iv) the Federal Rehabilitation Act of 1973, (v) the National Labor Relations Act, (vi) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (vii) the Americans with Disabilities Act of 1990, (viii) the Consolidated Omnibus Budget Reconciliation Act of 1985, (ix) state discrimination laws, (x) state unemployment compensation laws or any other similar state laws, (xi) the Worker Adjustment and Retraining Notification Act, 29 U.S.C §§ 2101 et. seq., or (xii) any other state or federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (f) claims arising under any environmental, health and safety laws with respect to any assets owned or operated by Debtors or any corporate predecessor at any time prior to the Closing Date and any liabilities of the Debtors; (g) any bulk sales or similar law; (h) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; (i) any and all claims arising out of violations, or other non-compliance with any law(s), regulation(s), standard(s), guideline(s), enforcement order(s), or any other authority or requirement enforced by, or under the supervision of the Occupational Safety and Health Administration; (j) any theories of successor liability or causes of action related thereto; (k) any unpaid royalties or similar interests arising before the consummation of the sale; and (l) any liens, claims, or encumbrances imposed or chargeable under any financing, cash collateral, or other order of the Court, which otherwise touches or concerns the Wells that are sold a purchaser; *provided* that (x) the foregoing shall not apply to (i) any and all plugging and abandonment and other decommissioning obligations of the Debtors in respect of any Well,

(ii) any third party working interests, royalty interests, production payments, or similar recorded interests in any applicable Well (or, if unrecorded, interests subject to section 541(b)(4) of the Bankruptcy Code), or (iii) any obligations of the Debtors under any applicable oil and gas lease, joint operating agreement, or similar conveyance or agreement that relates to operations of the Well or otherwise touches and concerns the Well; (y) the Debtors shall pay in full all pre-closing royalty payments and other disbursements related to the Wells prior to the consummation of the sale of any Well; and (z) the Debtors shall assume and assign (to the extent necessary under the Bankruptcy Code) any applicable oil and gas lease, joint operating agreement, or similar conveyance or agreement which relates to operations of the applicable Well or otherwise touches and concerns the applicable Well to the purchaser of such Well.

9. Except as expressly provided to the contrary in this Order or in the applicable purchase agreement providing for the sale of one or more Wells, the holder of any valid lien, claim, encumbrance, or interest on such Well(s) shall, as of the effective date of such sale, be deemed to have waived and released such lien, claim, encumbrance, or interest, without regard to whether such holder has executed or filed any applicable release, and such lien, claim, encumbrance, or interest shall automatically, and with no further action by any party, attach to the proceeds of such sale. Notwithstanding the foregoing, any such holder of such a lien, claim, encumbrance, or interest is authorized and directed to execute and deliver any waivers, releases, or other related documentation, as reasonably requested by the Debtors; *provided* that, this paragraph 9 shall not apply to (a) any and all plugging and abandonment and other decommissioning obligations of the Debtors in respect of any Well, (b) any third party working interests, royalty interests, production payments, or similar recorded interests in any applicable Well (or, if unrecorded, interests subject to section 541(b)(4) of the Bankruptcy Code), or (c) any

obligations of the Debtors under any applicable oil and gas lease, joint operating agreement, or similar conveyance or agreement that relates to operations of the Well or otherwise touches and concerns the Well.

10. Except as provided in this Order, all persons are hereby enjoined from taking any action that would interfere with or adversely affect the ability of the Debtors to transfer the Wells in accordance with the terms of any applicable purchase and sale agreement and this Order. Following the consummation of the sale of any Well, no holder of any claim or interest (including as such term is used in section 363(f) of the Bankruptcy Code) against the Debtors shall interfere with the purchaser's title to or use and enjoyment of such Wells, subject to the terms of any applicable purchase agreement for such Wells.

11. Notwithstanding any other provisions of this Order and/or any provision of any asset purchase agreement or other agreement entered into by the Debtors pursuant to this Order to the contrary, and solely to the extent any EnerVest Well is actually sold pursuant to the authority granted by this Order, the provisions of this paragraph shall govern with respect to the EnerVest Wells, and to protect EnerVest's interest in such wells.<sup>3</sup> The Debtors shall assume and assign to the purchaser(s), and by this Order the purchaser(s) shall be deemed to have assumed all rights, responsibilities, liabilities, and obligations under, all agreements governing the EnerVest Wells including, but not limited to, the New Mexico Operating Agreement, the Oklahoma Well Order, and the Texas Operating Agreement, and other applicable law, as of any sale closing date for any EnerVest Wells. The purchaser(s) shall take Debtors' interests in the EnerVest Wells subject to any contractual and/or statutory liens in favor of EnerVest including,

<sup>3</sup> The terms defined in this paragraph shall have the meaning ascribed to them in *EnerVest's Limited Objection to Debtors' Motion for Entry of an Order Authorizing Debtors to Sell Certain Oil and Gas Assets Free and Clear of all Liens, Claims and Encumbrances* [Docket No. 621] ("EnerVest's Limited Objection").

but not limited to the New Mexico Operator Liens, the Oklahoma Well Liens, the Texas Non-Operator's Liens, and the Texas Oil and Gas Asset Liens. Any sale shall be subject to EnerVest's interests in the EnerVest Wells as described in EnerVest's Limited Objection, and EnerVest's interests shall not be altered, amended, or otherwise affected by this Order. This Order shall not release the Debtors from, or otherwise waive, any obligations, liabilities, and/or responsibilities that the Debtors have with respect to the EnerVest Wells as of any sale closing date including monetary obligations, such as payment of production revenues to working interest owners and payment of joint interest billings, and all other liabilities associated with the EnerVest Wells including, but not limited to, any and all plugging and abandonment and other decommissioning obligations. Such obligations, liabilities, and/or responsibilities shall be satisfied in the ordinary course of the Debtors' and EnerVest's business. With respect to certain of the EnerVest Texas Wells (as identified in EnerVest's Limited Objection), the Debtors acknowledge that they are the operator for such wells and will remain obligated and responsible for all monetary obligations of the operator, such as the production payments, owed to EnerVest as working interest owner through any sale closing date. With respect to the EnerVest operated EnerVest Wells, the Debtors acknowledge and agree that EnerVest may continue to exercise its rights as an operator under the operating agreements and other applicable law through any sale closing date with respect to the Debtors' rights including, but not limited to, any right to recovery of joint interest billing by recoupment or otherwise. The Debtors have provided EnerVest with a form agreement for the transfer of their interest in the EnerVest Wells. The Debtors agree to use this form (or another agreement on substantially similar terms and conditions); to the extent that any proposed sale agreement relating to the EnerVest Wells is not on substantially similar terms

and conditions, the Debtors agree to provide EnerVest with an opportunity to review and comment on any such sale agreement.

12. Notwithstanding any provision in the Motion, this Order, or the Federal Sale Documents (as defined below), any assignment and/or transfer of any interests in contracts, leases, covenants, operating rights agreements, rights-of-use and easements, and rights-of-way or other interests or agreements: (a) with the federal government; (b) involving (i) federal land or minerals or (ii) lands or minerals held in trust for federally-recognized Indian tribes or Indian individuals (collectively, “Indian landowners”); or (c) held by such Indian landowners in fee with federal restriction on alienation (collectively, the “Federal Leases”) will be ineffective absent the consent of the United States and any applicable Indian landowner. The Debtors and their prospective buyer(s) agree to comply with all applicable bankruptcy and non-bankruptcy law with respect to the Federal Leases, and nothing in any implementing auction or sale documents relating to the Federal Leases (the “Federal Sale Documents”) shall otherwise affect any decommissioning obligations and financial assurance requirements under the Federal Leases as determined by the United States and any applicable Indian landowner (as provided for under applicable law and the Federal Leases) that must be met by the Debtors or the prospective buyer(s).

13. Nothing in the Federal Sale Documents shall be interpreted to require the United States and any applicable Indian landowner to novate, approve, or otherwise consent to the assignment and/or transfer of any interests in the Federal Leases. For the avoidance of doubt, in order to obtain the consent of the United States and any applicable Indian landowner, all existing defaults under the Federal Leases, including any outstanding rents or royalties known to date plus interest, must be assumed and cured. The United States Department of Interior (“DOI”) will

retain and have the right to audit and/or perform any compliance review, and if appropriate, collect from the Debtors and/or prospective buyer(s) any additional monies owed by the Debtors prior to the transfer or assignment of the Federal Leases without those rights being adversely affected by these bankruptcy proceedings.

14. The Debtors and any successful buyer that is able to obtain consent and an interest in the Federal Leases will retain all defenses and/or rights, other than defenses and/or rights arising from the filing of these chapter 11 cases, to challenge any determinations relating to the Federal Leases; *provided* that any such challenge, including any challenge associated with this bankruptcy proceeding, must be raised in the United States' administrative review process leading to a final agency determination by the DOI. The audit and/or compliance review period shall remain open for the full statute of limitations period established by the Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (30 U.S.C. § 1701, *et seq.*) to the extent applicable to the Federal Leases under non-bankruptcy law. Nothing in the Federal Sale Documents or this Order shall affect the United States' police and regulatory powers, and the United States' rights to offset or recoup any amounts due under, or relating to, any Federal Leases (if any) are expressly preserved.

15. Nothing in this Order or any applicable purchase agreement releases, nullifies, precludes, or enjoins any liability to any governmental unit under any applicable Environmental Law<sup>4</sup> on the part of any entity as the owner or operator of property after the date of entry of this

---

<sup>4</sup> As used in this Order, “Environmental Law” means all federal, state and local statutes, regulations, ordinances and similar provisions having the force or effect of law, all judicial and administrative orders, agreements and determinations and all common law concerning pollution or protection of the environment, or environmental impacts on human health and safety, including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act; the Clean Water Act; the Clean Air Act; the Emergency Planning and Community Right-to-Know Act; the Federal Insecticide, Fungicide, and Rodenticide Act; the Resource Conservation and Recovery Act; the Safe Drinking Water Act; the Surface Mining Control and Reclamation Act; the Toxic Substances Control Act; the Oil Pollution Act; the Outer Continental Shelf Lands Act; the

Order. To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may deny, revoke, suspend, or refuse to renew any permit, license, or similar grant relating to the operation of any Well on account of the filing or pendency of these chapter 11 cases. Nothing in this Order or the applicable purchase agreement authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under Environmental Law.

16. As adequate protection under section 363(e) of the Bankruptcy Code, the liens on any Well held by any applicable tax authority for ad valorem taxes shall attach to the proceeds of the sale of such Well to the same extent and with the same priority as such liens were attached to the applicable Well; *provided* that the Debtors shall not be required to segregate any such proceeds for the benefit of any tax authority and shall be permitted to utilize such proceeds to the extent otherwise permitted pursuant to this Order.

17. To the extent any Well sold pursuant to this Order is encumbered by any liens of the Debtors' first lien secured lenders or second lien secured lenders, such liens shall attach to the proceeds of the sale of such Well to the same extent and with the same priority as such liens were attached to the applicable Well.

18. Notice of the Motion as provided therein shall be deemed good and sufficient and the requirements of the Local Rules are satisfied by such notice.

19. Notwithstanding the possible applicability of Bankruptcy Rules 6004(h), 7062, 9014 or otherwise, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

Mineral Leasing Act of 1920; the Mineral Leasing Act for Acquired Lands of 1947; and any state or local equivalents.

20. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the motion.

21. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
